Affidavit for Arrest Warrant

The undersigned Affiant, Detective [REDACTED] being a Peace Officer under the laws of the State of Texas and being duly sworn, on oath, makes the following statements and accusations:

- A victim in this case has been identified as Suzanne Clark Simpson, date of birth June 16, 1973, hereinafter referred to as the Victim.

- An actor in this case has been identified as Brad Chandler Simpson, date of birth December 30, 1970, hereinafter referred to as the Defendant. Said Defendant is further identified in SAPD computer files under [REDACTED]

- It is the belief of your Affiant that the offense of
Sec. 19.02. MURDER.

was committed on or about the 6th day of October, 2024, in Bexar County, Texas.

- Your Affiant has probable cause for said belief by reason of the following facts:

Being duly sworn in oath makes the following statements and accusations:

The undersigned Affiant, [REDACTED] being a Peace Officer under the Laws of the State of Texas. Affiant has been a certified Peace Officer since 1987. Affiant is currently assigned as a Lieutenant for the Olmos Park Police Department in the Criminal Investigations Division. Your Affiant has over 4,000 recorded training hours with the Texas Commission of Law Enforcement (TCOLE). Affiant has received extensive training and experience in the field of criminal investigation which includes crimes against people. These criminal investigations include the offenses of: Assault, Aggravated Assault, Sexual Assault, Robbery, and Murder.

Affiant has been assisted during this investigation by the Texas Department of Public Safety Texas Rangers Division. The Texas Rangers routinely assist Local, State, and Federal agencies with major and special investigations.

On 10/07/2024, the Olmos Park Police Department was dispatched to [REDACTED] Olmos Park, Bexar County, Texas 78212, for a report of a missing person. This investigation was documented under case # [REDACTED]

Your Affiant was assigned to this investigation on 10/08/2024, as the lead criminal investigator.

A victim in this case has been identified as:

Suzanne Clark Simpson, Date of Birth: June 16, 1973, a W/F, 51 YOA.

[REDACTED]

An actor in this case was identified as:

Brad Chandler Simpson, Date of Birth: December 30, 1970, a W/M, 53 YOA, henceforth called "Defendant." Said "Defendant" is further identified in Bexar County Jail records as [REDACTED]

It is the belief of Your Affiant that the offense of Murder, under Texas Penal Code, Section 19.02, was committed on or about October 06, 2024, in Olmos Park, Bexar County, Texas.

Your Affiant has probable cause for said belief by reason of the following facts:

1. On 10/07/2024, while off duty, Your Affiant received a call from Sergeant [REDACTED] a Texas Certified Peace Officer, stating patrol officers were actively working on a missing person case in Olmos Park, Bexar County, Texas. Your Affiant was given a brief synopsis of the case. Your Affiant notes "Defendant" lives with his wife, Suzanne Simpson, and two of their minor children, ages 5 years old and 15 years old, at their residence located at [REDACTED]
2. Your Affiant received information from Officer [REDACTED] a Texas Certified Peace Officer, who told me that he learned from [REDACTED] a credible and reliable person, that friends of Suzanne Simpson met to discuss her disappearance on the evening of 10/07/2024. [REDACTED] called the "Defendant" on 10/07/2024 with her concerns about Suzanne Simpson's disappearance. "Defendant" had not called the police nor 911. [REDACTED] informed the "Defendant" that she was going to call the police. Your Affiant learned from Alamo Heights dispatch that [REDACTED] initially contacted police on 10/07/2024, at 9:57 pm, to report Suzanne Simpson missing. Your Affiant later learned from Olmos Park Police Chief [REDACTED] that "Defendant" called at 10:11pm and left a voicemail for Chief [REDACTED] after [REDACTED] reported Suzanne missing. Sgt. [REDACTED] told Your Affiant that initial reporting officers stated that upon contacting the "Defendant" at his residence, the "Defendant" reported he had not heard from his wife, Suzanne Clark Simpson, since Sunday, 10/06/2024, at 11:00 pm.
3. On 10/08/2024, Your Affiant spoke to Officer [REDACTED] and Officer [REDACTED] both Texas Certified Peace Officers. Both officers provided information regarding the missing female identified as Suzanne Clark Simpson. Officer [REDACTED] stated he had been in contact with [REDACTED] a friend of Suzanne Simpson, throughout the night and gathered information for his report.

[REDACTED]

5. Your Affiant later reviewed body camera footage from the initial report at the Simpson residence. Your Affiant observed the "Defendant" claim that Suzanne Simpson lost her cellphone while at a local HEB prior to coming home on the evening of 10/06/2024.

6. On 10/08/2024, at approximately 9:00 am, Your Affiant listened to a phone conversation that occurred between Olmos Park Police [REDACTED] and the "Defendant." Your Affiant notes "Defendant" said he had seen his wife the morning of Monday, 10/07/2024 at approximately 6:30 am as he was leaving to drop off his child at school. "Defendant" stated he peeked into a separate room and observed his wife asleep. This contradicts his statement about not seeing his wife when he initially spoke to patrol officers [REDACTED] and [REDACTED] on the night of 10/07/2024.

7. On 10/08/2024, Your Affiant spoke with [REDACTED] who is a Texas Certified Peace Officer. Texas Ranger [REDACTED] is assisting in this investigation. Texas Ranger [REDACTED] told me that he spoke with [REDACTED] a credible and reliable person. [REDACTED] stated she

[REDACTED]

[REDACTED]

witnessed "Defendant" and Suzanne Simpson engaged in a verbal altercation while at a party at the Argyle, located at [REDACTED] on the evening of 10/06/2024. Your Affiant also learned from Officer [REDACTED] that the Simpsons attended the party at the Argyle club.

8. Through interviews and information obtained from other officers, Your Affiant determined that on the evening of 10/06/2024, Suzanne Simpson and her [REDACTED] left the party (At approximately 8:30 pm) at the Argyle and went to the HEB at [REDACTED]. They were there from 8:40 pm to 8:51 pm according to video surveillance footage from the HEB. Your Affiant believes that Suzanne Simpson and her [REDACTED] arrived at her residence shortly thereafter.

9. Your Affiant learned from Texas Department of Public Safety Criminal Analyst that upon reviewing the call detail records for Suzanne Simpson's cellular service, they observed the following on 10/06/2024:

At 9:15 pm, Suzanne Simpson called family friend, [REDACTED] to say she was coming over. Your Affiant reviewed a surveillance video from the Alamo Heights Police Department which shows Suzanne Simpson's vehicle arriving at the [REDACTED] residence at approximately 9:25 pm.

At 9:16 pm, Suzanne Simpson called her mother, [REDACTED] to report that the "Defendant" had just assaulted her, causing pain to her arm, back, and neck. The duration of the phone call was from 9:16 pm to 9:24 pm.

Your Affiant later learned from Suzanne Simpson's cellphone carrier that her device was suspended on 10/06/2024 at approximately 9:16 pm at the request of the subscriber. A review of the "Defendant's" phone records indicates the "Defendant" accessed the AT&T application at the same time Suzanne Simpson's service was suspended. This contradicts the "Defendant's" initial statements about Suzanne Simpson losing her phone on 10/06/2024.

[REDACTED]

11. On 10/08/2024, Your Affiant conducted a non-custodial interview on [REDACTED] who resides at [REDACTED] Olmos Park, Bexar County, Texas, directly across the street from the Simpson residence. Your Affiant determined that [REDACTED] was found to be credible and reliable. [REDACTED] stated he witnessed the "Defendant" and Suzanne Simpson loudly arguing after 10:00 pm on Sunday, 10/06/2024, in the front yard of his residence. [REDACTED] stated he saw the "Defendant" and Suzanne Simpson physically struggling with each other. [REDACTED] stated Suzanne Simpson broke free from the "Defendant's" grasp and ran away from "Defendant" in a westerly direction. [REDACTED] stated the "Defendant" started running after Suzanne Simpson and was trying to grab her. [REDACTED] stated he later lost sight of them as they exited his yard. [REDACTED] stated he went inside the house to get a flashlight and came back outside. [REDACTED] told me he later heard screams coming from the wooded area across from his home. [REDACTED] stated that approximately one (1) hour later, he heard the "Defendant's" truck start up and depart the area. [REDACTED] stated he heard the "Defendant's" truck return approximately one (1) hour later.

12. Your Affiant learned from Texas Department of Public Safety Criminal Analyst and Federal Bureau of Investigations (FBI) Forensic Examiners the following: the "Defendant" intentionally engaged in a series of on/off cycles to include complete shutdowns of his cellular device preventing data collection beginning from 10/06/2024 at approximately 11:09 pm through 10/07/2024.

[REDACTED]

[REDACTED]

13. FBI Forensic Examiners advised Your Affiant the "Defendant" shut down his phone in a manner rarely seen, referred to as "Lock Down" mode. FBI Forensic Examiners define "Lock Down" as the shutdown of a cell phone done by a person who wants to avoid detection.

14. On 10/11/2024, Your Affiant learned from Texas Ranger Perez that he obtained and reviewed location data from both the "Defendant's" cell phone and vehicle (black 2019 GMC Sierra truck, Texas license plate [REDACTED]). Your Affiant noted that this is the same vehicle that the "Defendant" was driving during the time frame Suzanne Simpson went missing.

15. On that same date of 10/11/2024, Your Affiant learned from Texas [REDACTED] that he obtained surveillance video from [REDACTED] located at [REDACTED] Texas. Your Affiant later reviewed these videos with Texas Ranger [REDACTED] and observed that on 10/07/2024, at approximately 7:53 am, "Defendant's" vehicle (black 2019 GMC Sierra truck, Texas license plate [REDACTED]) was observed at the school dropping off his [REDACTED]. Upon further review of the video, Your Affiant observed that the "Defendant's" truck bed area contained at least two (2) white trash bags with red strings and what appeared to be a large ice chest.

16. On 10/12/2024, Your Affiant learned from Texas Ranger [REDACTED] that he obtained surveillance footage from the HEB located at [REDACTED] San Antonio, Bexar County, Texas. Texas Ranger [REDACTED] told Your Affiant that the "Defendant" and his truck were observed on the surveillance footage. Your Affiant observed that on 10/07/2024, at approximately 12:33 am, the "Defendant's" truck bed is clear of any cargo at this time besides a large ice chest.

17. On 10/14/2024, Your Affiant learned from Texas [REDACTED] that on 10/07/2024, at approximately 9:12 am, "Defendant's" vehicle (black 2019 GMC Sierra truck, Texas license plate [REDACTED]) was seen on the drive through camera at the Whataburger located at [REDACTED]. Your Affiant learned via financial records that the "Defendant" purchased food items at this location via his debit card. Upon reviewing the video, Your Affiant observed the following items in the "Defendant's" truck bed: three (3) white trash bags, a large grey heavy-duty trash can, an ice chest, a large bulky item wrapped and secured in a blue tarp with a silver in color metal firewood rack placed on top of the blue tarp in a manner to conceal and weigh the tarp down. Upon further observation of the blue tarp, Your Affiant believes that there is an unknown object concealed within the blue tarp due to its shape and size, and it being secured by a strap/rope. In Your Affiant's training and experience and past investigations, Your Affiant is aware that criminals will commonly conceal, transport, or disguise their victims in a manner described above to purposely avoid detection by law enforcement.

18. Your Affiant learned from Texas [REDACTED] the cellphone geolocation data showed the "Defendant" at or near a Home Depot located at [REDACTED]. Your Affiant and Texas Ranger [REDACTED] reviewed video surveillance from 10/07/2024, at 9:53 am, capturing the "Defendant" purchasing two (2) bags of Quikrete cement, an orange Home Depot construction bucket with a lid, a box of 32 count heavy duty trash bags, one (1) bottle of 30-ounce Clorox disinfectant spray, and insect repellant. Your Affiant learned that the "Defendant" purchased these items via a cash transaction. Your Affiant later observed a copy of a Home Depot receipt that documented the purchase of these items by the "Defendant".

19. Your Affiant learned from Texas [REDACTED] that with the assistance of the FBI they located an unknown male in the Home Depot parking lot that was observed speaking with the "Defendant" prior to his purchase on 10/07/2024. Your Affiant learned that this unknown male was identified as [REDACTED]. Your Affiant learned from the Texas Rangers that during an interview with [REDACTED] he confirmed the "Defendant" randomly came up to him in the parking lot asking for directions to the nearest dump in Boerne. Your Affiant learned from Texas Rangers that [REDACTED] provided directions to the [REDACTED] site located at [REDACTED] using [REDACTED] cellular device and not the "Defendant's" cellular device. Your Affiant notes that during this time, the "Defendant" intentionally shuts off his cellular device. Your Affiant learned from Texas Department of Public Safety Criminal Analyst that the "Defendant's" vehicle (black 2019 GMC Sierra truck, Texas license [REDACTED]) was captured via a [REDACTED]

[REDACTED]

license plate reader [REDACTED] at 10:07 am after the Home Depot transaction. Your Affiant observed this photograph which clearly shows the same items observed in the Whataburger surveillance camera from a different vantage point. Your Affiant notes that the box of trash bags the "Defendant" purchased appears to be in the truck bed as well. Your Affiant notes the "Defendant" intentionally entered an on/off cycle of his cellular device to include a "Lock Down" mode after departing Home Depot and speaking with [REDACTED]

20. Your Affiant learned from Texas Department of Public Safety Criminal Analysts that vehicle location data obtained from the "Defendant's" vehicle (black 2019 GMC Sierra truck, Texas license [REDACTED]) captured his vehicle on 10/07/2024, near the [REDACTED] Kendall County, Texas. Your Affiant learned that surveillance video from a nearby business in the area of the waste site captured the "Defendant's" vehicle driving away from the waste site.

21. Your Affiant learned from Texas Ranger [REDACTED] that "Defendant's" vehicle (black 2019 GMC Sierra truck, Texas license [REDACTED]) was later observed at the Valero/Stripes gas station located at [REDACTED] Kendall County, Texas, on 10/07/2024, at 11:15 am. Your Affiant notes the "Defendant" arrived at this gas station after departing the waste site. Your Affiant observed a surveillance video of the "Defendant" utilizing his debit card to purchase gasoline for his truck. The "Defendant" later purchased two (2) one (1) gallon jugs of water via a cash transaction. Your Affiant notes that upon further review of the surveillance video, the white trash bags are now missing from the "Defendant's" truck bed, but the blue tarp, firewood rack, and trash can are still present. Your Affiant notes that upon further review of surveillance footage, the "Defendant" changed footwear from black in color men's sandals into dark colored, cowboy styled boots.

22. Your Affiant learned from Texas [REDACTED] that a video canvassing team located a surveillance camera showing the "Defendant's" vehicle (black 2019 GMC Sierra truck, Texas [REDACTED]) headed westbound from Boerne, Kendall County, Texas, into Bandera, Bandera County, Texas, on 10/07/2024. Your Affiant notes the blue tarp with the fire rack on top of it remain in the "Defendant's" truck bed.

23. Your Affiant learned from Texas Ranger [REDACTED] upon further review of the "Defendant's" vehicle (black 2019 GMC Sierra truck, Texas [REDACTED]) location data captured the "Defendant" traveling westbound through Bandera County, Texas, and into Medina, Bandera County, Texas. Your Affiant notes the "Defendant" intentionally entered an on/off cycle of his cellular device while traveling towards Medina, Bandera County, Texas. Your Affiant learned from Texas Ranger [REDACTED] that he was told by Company [REDACTED] that he was able to obtain surveillance footage which showed the "Defendant's" vehicle in Medina, Bandera County, Texas, on 10/07/2024. Your Affiant learned from Texas Ranger [REDACTED] that he was advised by Texas Ranger [REDACTED] that the "Defendant's" vehicle remained in the Medina, Bandera County, Texas area for approximately 13 minutes prior to heading eastbound back into Kendall County, Texas.

24. Your Affiant learned from the Texas Department of Public Safety Criminal Analyst that the Defendant's vehicle (black 2019 GMC Sierra truck, Texas license [REDACTED]) was captured via a license plate reader (FLOCK) on 10/07/2024, at 1:41 pm, entering the Boerne, Kendall County, Texas area from Bandera County, Texas. Your Affiant notes upon further observation that the blue tarp is no longer visible, and the firewood rack is now repositioned within the truck bed.

25. Your Affiant learned from Texas Ranger [REDACTED] that upon further review of surveillance footage from 10/07/2024 at [REDACTED] the "Defendant" was observed [REDACTED] approximately 3:27 pm. The "Defendant's" vehicle (black 2019 GMC Sierra truck [REDACTED]) truck bed was clear of the blue tarp and the metal firewood rack. The "Defendant's" truck bed had the ice chest and the large grey, heavy-duty trash can, which are both visible at the time.

26. Your Affiant learned from Texas Ranger [REDACTED] that Texas Department of Public Safety Criminal Investigations Division Special Agents obtained information that the "Defendant" was a member of the [REDACTED] [REDACTED] Your Affiant learned from Texas Ranger [REDACTED] that on 10/07/2024, at approximately 4:07 pm, the "Defendant" and his vehicle (black 2019 GMC Sierra truck, Texas license plate [REDACTED]) are observed on surveillance cameras at the [REDACTED] Carwash located at [REDACTED]

[REDACTED]

[REDACTED]

County, Texas, washing and cleaning the driver front side and the rear left passenger side of the passenger compartment. Your Affiant later reviewed photographs of the "Defendant's" vehicle (black 2019 GMC Sierra truck, Texas license [REDACTED] and contents taken by Texas Ranger [REDACTED]. Your Affiant noted dried cement splashes were later located in the rear passenger compartment of the vehicle to include in the truck bed. Your Affiant also observed a photograph that showed a 30-ounce Clorox bottle located within the rear passenger compartment of the vehicle. The truck bed contained only the ice chest with no other items that were observed in previous surveillance videos.

27. On 10/10/2024, Your Affiant, [REDACTED] and Company [REDACTED] conducted a non-custodial interview of [REDACTED] at his residence located at [REDACTED] San Antonio, Bexar County, Texas. Your Affiant later observed text messages on [REDACTED] cellphone capturing the following communication:

On 10/08/2024, at 4:35 pm, "Defendant" texted [REDACTED] "If you're in Bandera can you haul ass and meet me at your house?" ... "I don't have much time..." [REDACTED] responded, "I will be there in 40 minutes." "Defendant" responded, "OK, make sure and leave all that shit into the pump house, especially the gun."

On 10/08/2024, at 8:31 pm, [REDACTED] texted the "Defendant" the following text, "Get over here!! I won't tell anyone." This was followed by the following text from [REDACTED] "You're my brother." These texts were sent prior to the "Defendant's" arrest on 10/09/2024.

28. On the night of 10/08/2024, Texas Ranger [REDACTED] obtained an arrest warrant for the "Defendant" for the offenses of Assault-Family Violence (Texas Penal Code, Section 22.01) and Unlawful Restraint (Texas Penal Code, Section 20.02). Your Affiant learned from Texas Ranger [REDACTED] that he had arrested the "Defendant" in Kendall County, Texas, for his active warrants in the early morning hours of Wednesday, 10/09/2024. Your Affiant learned from Texas Ranger [REDACTED] that the "Defendant" did not appear surprised at the time of his arrest nor did the "Defendant" question why he was being arrested. Your Affiant learned from Texas Ranger [REDACTED] that he conducted a custodial interview of the Defendant and observed numerous lacerations and bruises on the "Defendant's" hands and arms. Your Affiant learned from Texas Ranger [REDACTED] that the "Defendant" again claimed to him that Suzanne Simpson had lost her phone at the HEB on Sunday, 10/06/2024. Your Affiant learned from Texas Ranger [REDACTED] that the "Defendant" appeared unconcerned about his wife being missing and showed little to no emotion. Your Affiant learned from Texas Ranger [REDACTED] that the "Defendant" invoked his right to counsel after being questioned about the physical altercation that occurred between the "Defendant" and Suzanne Simpson on 10/06/2024.

29. On 10/09/2024, the Texas Rangers and Olmos Park Police executed a search warrant [REDACTED] at the "Defendant's" known residence located at [REDACTED]. Your Affiant and [REDACTED] observed an indentation located on the wall at the bottom of the stairway at the residence. [REDACTED]

Your Affiant later interviewed the Simpsons' housekeeper, [REDACTED]. [REDACTED] confirmed to Your Affiant that she last worked at the Simpson residence on 10/07/2024. Your Affiant asked Rodriguez to identify the type of trash bags that the Simpsons would utilize. [REDACTED] described the trash bags as white in color with red handles. Your Affiant learned from the Olmos Park Public Works Division the Simpsons utilize trash service through the city and that their normal pick-up day is Mondays.

30. Later that afternoon on 10/09/2024, Texas Rangers executed a search warrant at the "Defendant's" property at [REDACTED]. Your Affiant learned from Texas Rangers that they had located a ground-level burn site with a burnt laptop and multiple cellular devices. Your Affiant noted that on 10/08/2024, a Bandera County Sheriff's Office Deputy had contacted the "Defendant" at the property while he was standing by the active fire. Your Affiant later learned from Texas Department of Public Safety Criminal Analyst that three (3) cellphones recovered from the burn pit were identified as belonging to the "Defendant." Your Affiant's training and experience has taught him that criminals often engage in destruction of evidence in an effort to impair or hinder a criminal investigation.

[REDACTED]

[REDACTED]

31. Your Affiant obtained search warrants for call detail records for "Defendant's" cellular service and Suzanne Simpson's cellular service, and a search warrant for "Defendant's" cellphone (iPhone 14 Plus, [REDACTED]) in his possession at the time of his arrest on 10/09/2024. The Texas Rangers later executed these search warrants. Pursuant to the search of the Defendant's cellphone [REDACTED] Your Affiant learned from Texas Department of Public Safety Criminal Analyst and FBI Forensic Examiners they had located two (2) notes within the listed device which were titled "This next life" and "Last will and testament", apologizing for physically assaulting Suzanne Simpson one time in August of 2023, and again on the previous Sunday night, 10/06/2024. Your Affiant learned the "Defendant" created these notes on 10/08/2024, which was after the alleged assault of Suzanne Simpson on 10/06/2024 and prior to his arrest by the Texas Rangers on 10/09/2024.

32. On 10/10/2024, Your Affiant learned from Texas Ranger [REDACTED] that pursuant to a search warrant, the Texas Rangers searched the "Defendant's" vehicle, which was identified as a black 2019 GMC Sierra, Texas License Plate [REDACTED]. Your Affiant learned that during the vehicle search, Texas Rangers identified stains that tested presumptively positive for blood. Your Affiant later learned from the Bexar County Criminal Investigation Laboratory (BCCIL) the blood evidence belonged to the "Defendant."

33. Your Affiant learned from Texas Ranger [REDACTED] that on 10/23/2024 he interviewed a Frost Bank employee, [REDACTED] who was Suzanne Simpson's personal banker. Your Affiant learned from Texas Ranger [REDACTED] that [REDACTED] disclosed that Suzanne Simpson made an outcry of being physically abused by the "Defendant" and that the "Defendant" would commonly take her cellphone away. Texas Ranger [REDACTED] told Your Affiant that [REDACTED] advised him that Suzanne Simpson told her that the "Defendant" would tell their children that she had lost her phone after the "Defendant" took it from her. Texas Ranger [REDACTED] told Your Affiant that [REDACTED] told him that Suzanne Simpson advised her that if she went missing to look for her in a lake. [REDACTED] was Suzanne Simpson's personal banker over this past financial year. Your Affiant notes that Texas Ranger [REDACTED] told him that this conversation took place around August of 2024.

34. Your Affiant reviewed cellphone data from the "Defendant's" cellphone which captures a text message communication from a female identified as [REDACTED]. Your Affiant observed a text message that the "Defendant" sent on 09/17/2023 to [REDACTED]. Your Affiant observed the following information.

"I still feel bad about tonight. I never should've grabbed her phone and drove off but she was so protective of it. My dumb ass didn't know her passcode so I got locked out and had to bring it back. I really have no interest in looking through her phone or anybody else's. these devices are the Devil"

Your Affiant requested that the Texas Rangers interview [REDACTED] at her residence in [REDACTED]. Your Affiant spoke with [REDACTED] who conducted the interview on [REDACTED] (On 10/30/2024 at approximately 6:40 pm) and learned the following information. Your Affiant learned that [REDACTED] told Texas Ranger [REDACTED] that Suzanne Simpson was aware that the "Defendant" would track her and that the "Defendant" was extremely jealous.

35. On 10/23/2024, Olmos Park Police and Texas Rangers conducted a subsequent search warrant (2024-[REDACTED]) at the Simpson residence, at [REDACTED]. Your Affiant learned from Texas Ranger [REDACTED] that he had located one bag of Quikrete cement and the box of heavy-duty black trash bags, a gray heavy-duty trash can, and the metal firewood rack. Your Affiant was advised by Texas Ranger [REDACTED] that the box of trash bags contained only 28 bags out of 32 total trash bags. The "Defendant" has been incarcerated since 10/09/2024.

36. There are no signs of Suzanne Simpson being alive since the "Defendant" physically assaulted her on 10/06/2024. This has been verified by Suzanne Simpson's cellphone records, financial records, family, friends, and co-workers. Your Affiant is aware that no credible tips or information were obtained from the active Texas CLEAR ALERT and law enforcement has been unable to locate Suzanne Simpson after a large amount of search efforts. All family, friends, and co-workers agree the Victim would never willingly abandon her children.

[REDACTED]

37. Your Affiant submits probable cause to believe the "Defendant" intentionally and knowingly caused the death of Suzanne Clark Simpson (W/F, DOB: 06/16/1973) on or about Sunday, 10/6/2024, in Olmos Park, Bexar County, Texas.

38. The facts in this affidavit come from my personal observations, my training and experience and information obtained from other officers. This affidavit is intended to show that there is sufficient probable cause for the requested warrant and does not set forth all my knowledge about this matter.

- Your Affiant has reason to believe, and does believe, the said Defendant, Brad Chandler Simpson, on or about the 6th day of October, 2024, in Bexar County, Texas,

ORDER SEALING ARREST WARRANT AFFIDAVIT
{Article 18.011, Texas Code of Criminal Procedure}

Upon consideration of the foregoing State's Motion and the affidavit for an arrest warrant tendered to the Court, the Court finds, in addition to probable cause supporting the issuance of said arrest warrant, that there is a compelling State interest in the confidentiality of information in the warrant affidavit because of an ongoing investigation being conducted by the Olmos Park Police Department and the Texas Rangers.

___ because public disclosure of the affidavit would jeopardize the safety of a victim, witness, or informant.

X because public disclosure of the affidavit would cause the destruction of evidence.

___ because the affidavit contains information obtained from a court-ordered wiretap that has not expired.

THEREFORE, the arrest warrant affidavit described in the foregoing motion is hereby ordered SEALED for thirty (30) days, pursuant to Article 18.011, Texas Code of Criminal Procedure, unless this Court should subsequently find that there is no longer a compelling State interest in the confidentiality of information contained in the affidavit.

The Clerk shall attach to the original arrest warrant affidavit the foregoing State's Motion and this Order granting the motion to seal the affidavit and shall not disclose the affidavit or any information contained therein to any person for a period of 30 days from this date, without the express written permission of this Court.

Ordered and signed on this the 7th day of November, 2024, at 3:30 o'clock P.M.
