	CONTEXT INCIDENT		

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 1
-----------------	--------------------------------------	--------------------------	-------------

NARRATIVE

On 02/16/2022, I responded to the area on Sanctuary Boulevard between Jacksonville Drive and Sanctuary Parkway to a report of a person having been shot. Upon arrival I observed two white cars parked on Sanctuary Boulevard. California tag 7TLZ247 and Florida tag IFTP76, and a black Volkswagen SUV [REDACTED] Marsys Law [REDACTED] stopped with hazards on and open driver side door further south of the white cars. I observed a damaged tire on the ground in front of the Volkswagen. All of the listed vehicles were facing southbound on Sanctuary Boulevard.

Officer Corey #1204, Sergeant Smith #792, and I all arrived on scene at nearly the same time. While Sergeant Smith and Officer Corey went up to the victim's vehicle, I made initial contact with the other two vehicles. I checked on their well being while gathering their information. In the white vehicle with Florida tag IFTP76, Zoraida Verge was the driver and Osiris Verge Calderon was the passenger. In the white vehicle with California tag 7TLZ247, Jonelle Cruz was the driver and Shane Villanueva Borja was the passenger.

I observed Sergeant Smith attempting CPR on the victim who was laying on the ground to the west of the vehicle and by the open driver side door. I observed a large amount of blood in an area where the victim was originally laying before being moved by Sergeant Smith in order to perform CPR. I also noticed another area of pooled blood underneath the victim as he layed on his back. The victim was a white male, in his 30's, with brown hair, and wearing a blue shirt and gray pants. I observed he had brown flip flop, one flip flop was on his foot and the other laid slightly south of his body. I also observed a gold colored ring on the victim's left ring finger. The body was covered with a white sheet after it was assessed by Rescue units and covered again with an emergency blanket. I ran the vehicle tag through NCIC/FCIC and received the return for Jared Galen Bridegan as being one of the registered owners. Based on that information I then checked information through DAVID in effort to make an identification of the subject, and I made that identification. I collect that information as well as emergency contact information for his listed wife, Kristin Elizabeth Bridegan.

There was reportedly a child in the vehicle at the time of the incident. During my initial contact with the other vehicles and occupants of those, I saw the child. Villanueva Borja stated he pulled the child out of the vehicle after he noticed the seriousness of the incident. After that the child stayed in his and his girlfriend, Jonelle Cruz's, care. I observed the child was wrapped in a blanket and had what appeared to be pajamas on. The child responded to the name "Brooksie" and said she was two years old. She did not appear to have any physical injuries, I did not observe any contusions, abrasions, or blood on her. The child was calm and appeared to be comfortable with Cruz so she remained with her while I completed copying involved parties information for this report and to supply with detectives. Corporal Santiago #781 arrived on scene and took control of the child from Cruz and transported her to the Jacksonville Beach Police Station.

I did not inquire or ask any questions regarding the facts of this case with any witnesses outside of if they had any suspect information and if they had any injuries themselves while I was collecting information. During my interaction I did not receive any suspect information that I would have been able to relay to other Officers on duty.

Sergeant Young #795 requested the cell phone inside the vehicle be photographed so that it could

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 1
-----------------	--------------------------------------	--------------------------	-------------

be collected immediately rather than waiting for the entire scene to be processed. I assisted with taking several photographs of where the phone was originally located in the vehicle prior to being collected by Sergeant #795 from the vehicle. I observed two holes in the vehicle consistent with that of a projectile. One hole was in the center console/dash area to the lower right of the steering wheel. The other appeared to be in the middle left area of the passenger side front door, under the window and close enough to cause the window glass to spider but not break out. While looking into the victim's vehicle to retrieve the cell phone, I did briefly observe several blood stains.

On the ground around the victim I observed three bullet casings, two were north west slightly from the victim and the other two appeared to be west and to the south slightly from the body. The two casings to the south of the body were in close proximity that they were easy to see and avoid. I placed a blank Department field contact card next to the casing to the furthest north of the body in order to assist with seeing it's location.

When the Medical Examiner arrived I assisted with photographing several photographs to avoid cross contamination with the Medical Examiner and his camera. The body was not moved after Sergeant Smith attempted CPR and the deceased was assessed by Rescue until the Medical Examiner arrived on scene to process the body. Once the body was moved and turned by the Medical Examiner a silver colored projectile was located under the body. As the Medical Examiner was assessing the body, I observed two holes in the shirt in the area of the left shoulder. Once the shirt was moved I observed a hole to the left shoulder area. The North Florida Body removal team arrived and removed the body from the scene.

I assisted lead Evidence Technician S. Jarman #1204 and Officer J. Langloise with a portion of the laser mapping for the scene. I later copied my photographs to a photograph disc and created a photo log for those photos. I submitted that photo log and disc to the Property Room as evidence.

On 02/17/2022, I responded to the Jacksonville Beach Police Department Property Room where I assisted with processing and collecting evidence from the victim's vehicle. I assisted lead Evidence Technician S. Jarman, Officer J. Langloise, and Property Officer J. Choate. Officer Jarman opened the evidence seals that had been placed on the vehicle the previous night and the vehicle was opened and photographed. I assisted Evidence Technician Officer Langoise collect several possible latent prints, two from the driver side rear door and quarter panel area and the other from the right rear window.

All the contents of the vehicle was removed and placed on an unused tarp within the processing garage area. The items were photographed by Officer Jarman and miscellaneous keys were collected along with a pair of "air pods" and submitted to the Property Room as safe keeping. While photographing the vehicle, Officer Jarman opened the glove box and that action caused a projectile to fall to the passenger side floorboard. The projectile appeared consistent with the trajectory of the hole to the right area of the radio center console area. It appeared as if that projectile entered into the console area and traveled through the area of the center console before coming in contact with

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 1
-----------------	--------------------------------------	--------------------------	-------------

the glove box door, on the left side. The damaged front passenger window had a hole consistent with a bullet projectile.

I assisted Property Officer J. Choate in the shooting incident reconstruction of the vehicle. We utilized strings and dowel to show an approximate degree in which the bullet holes from the vehicle might have been fired from. That reconstruction was photographed by Officer Jarman. I assisted with dismantling the front passenger door and during that process a projectile was located within the door frame. Officers utilized a crow bar, hammer claw, and metal saw in order to facilitate locating the projectile within the metal door.

Additionally, while looking inside the vehicle's driver side door I observed several areas in which there were blood stain that appeared to be falling in a downward motion as if the subject was straight and the blood was dropping straight down. On the driver seat its self there appeared to be a swipe pattern blood stain. The swipe pattern blood stain appeared consistent with transfer of blood from a blood bearing surface, such as the victim's pants, onto another surface, such as the driver's seat. This stain indicates motion as if someone was exiting the vehicle.

While processing the vehicle I was called to collect items from the incident scene on Sanctuary Boulevard. Other Officers located a Busch beer can in the grass and tree line on the west side of the roadway, within close proximity of where the body was located. At the southern end of Sanctuary Boulevard and on the west side of the roadway, in the tree line, was a pair of white socks with red and blue stitching on them. There was an area where the socks were located where it appeared to be cleared off of debris and slightly flattened as if a larger item was resting causing the ground to flatten. The pair of socks (#12) and the beer can (#11) were photographed with and without evidence markers. The items were collected and submitted to the Jacksonville Beach Police Department as Evidence. I did not observe any shoe markings in the incident area which might have been able to be utilized or collected. I collected three touch DNA swabs from the beer can; one control swab, one swab from the lip of the can, and one from the shaft of the can. Those swabs were submitted to the Property Room as evidence along with two latent print lifts from the shaft of the beer can.

The photographs I took on the second day of processing were again copied to a photo disc and I completed a photo log. The disc and the log from day two were submitted to the Property Room as evidence.

Nothing further at this time.

NARRATIVE

On February 16, 2021 at 1959 hours I responded to Jacksonville Dr and Sanctuary Way in reference to a shooting. I held the perimeter and completed the crime scene log.

While on the perimeter I made contact with a witness, Timothy Hallahan, who stated at around 2000 hours he was in his residence and heard what sounded like 4-5 gun shots. He advised they were in quick succession but that he heard a brief pause before the last shot. He stated he initially didn't think anything of it, then saw the blue lights and wanted to give police the information in case it helped. Hallahan stated he didn't hear or see anything else.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 2
-----------------	--------------------------------------	--------------------------	-------------

NARRATIVE

On 12/16/2021, at approximately 1959 hours, I was dispatched to Jacksonville Drive/Sanctuary Way North, in reference to possible gunshots. I arrived at the intersection of Jacksonville Drive and Sanctuary Boulevard.

Upon arrival, I observed a white truck parked on the grass on the west side of Sanctuary Boulevard, facing south. I checked the registration and made contact with the owner, Gjergj Shkurtaj. Shkurtaj stated he did not hear any gunshots and did not see any suspicious activity. Shkurtaj saw multiple vehicles near the south end of Sanctuary Boulevard and parked his truck and walked down to see if he could help. I asked Shkurtaj why he thought he needed to help if he did not observe any suspicious activity. Shkurtaj stated he was "just trying to do the right thing." I gathered Shkurtaj's information and told him to remain on scene for follow up questions. When Shkurtaj took his Florida driver's license from his wallet, I observed he also had a concealed carry permit. Shkurtaj became agitated and stated he did not understand why he had to stay. As I spoke with other witnesses Shkurtaj continued to insist he wanted to leave and he should not have to be made to stay. I continued to explain to him he needed to stay until a detective spoke to him. Shkurtaj continued to be highly agitated, pacing up and down Sanctuary Boulevard and trying to get in and out of his truck repeatedly. I attempted to defuse Shkurtaj's aggravation by remaining calm and explaining a detective would be over to speak to him as soon as possible. Shkurtaj stated he felt he was being punished for trying to help and being a good guy.

I spoke to Ryan Frauenheim who stated he heard 2-3 shots at approximately 2000 hours. Ryan's son, Carter Frauenheim, heard 4-6 gunshots from his bedroom and called downstairs to his dad, asking if what he heard was fireworks. Ryan's wife, Erin Frauenheim, looked outside and observed a white male, approximately 6'02", average build, wearing a short sleeve black t-shirt, and black hat walking east on Jacksonville Drive toward South Beach Parkway. Erin though he looked suspicious because he was walking alone at a "brisk" pace, and kept looking over his shoulder towards Sanctuary Boulevard. I gave the description to dispatch and a Bolo to other officers.

I spoke to Karie Hazen who stated she lived just west of the trees on Sanctuary Way South. Hazen is a member of the neighborhood watch and received a text from her neighbor in reference to hearing gunshots. Hazen observed the police lights and walked from her residence to inquire for further information. Hazen did not hear any gunshots or observe any suspicious persons or vehicle.

While speaking to Hazen, Thomas Bryan approached me and stated he heard four gunshots at 1952 hours. Bryan was not in the immediate area to observe any suspicious persons or vehicle.

I spoke to Kimberly Arena and her son Ocean Arena. Kimberly stated she and her son live on Ashley Oaks and observed the police lights and stopped to inquire for further information. While standing at the northwest corner of Jacksonville Drive and Sanctuary Boulevard, a white male, with gray hair and beard stopped in a white car and asked what was happening. Kimberly stated she though it was a car wreck. The white male stated, "Hopefully no body got shot." and drove away.

After collecting the above witnesses verbal statements and information I relocated to the intersection of Sanctuary Parkway and Sanctuary Boulevard to set a perimeter.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 2
-----------------	--------------------------------------	--------------------------	-------------

I completed a tow log sheet and placed a hold on the victim's vehicle.

This concludes my involvement in the investigation.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 4
-----------------	--------------------------------------	--------------------------	-------------

NARRATIVE

On 02/16/2022 just after 2000 hours, I responded to Sanctuary Boulevard in between Jacksonville Drive and JTB on ramp in reference to a report of gun shots and a person laying in the street.

Upon arrival I observed a black Volkswagen SUV and a male laying outside of the vehicle. SGT Smith was in front of me. There were several people standing between SGT Smith's truck and the black SUV. I asked the people if the SUV belonged to any of them, they all replied it did not. I instructed all of the people to move behind my police car and wait for an officer to speak with them. One of the witnesses told me there was a child in the car. I went and checked the SUV for a child, but there was not one in the car. The witness then told me one of the other witnesses had already taken the child out of the car and was with her in another car. I then went to the victim, where SGT Smith was performing CPR on him. I relieved him, and performed CPR until JFRD rescue arrived and relieved me. I then taped off the South end of Sanctuary Boulevard. I remained the until Ofc. Langlois parked his car there to stop traffic from driving through.

Once detectives arrived I was asked to canvas America Avenue with the following results.

3997 America Ave. - Matthew Fennel (904)813-1728 - Security System Stated he was upstairs changing and heard three shots, did not see or hear anything else.

4005 America Ave. - Stephanie Wholey (907) 708 9090 - Has a camera on Security System of house. Had not checked video Security System Heard four or five gun shots, did not see or hear anything else.

4013 America Ave. - Douglas Ott (484)678-0899 - Has a camera Security System of the house, he reviewed it but it did not pick anything around the time of the shooting. Stated he heard four shots, did not see or hear anything else.

4021 America Ave. - Heather Ireland (904) 234-2667 - Security System Stated she heard four gun shots, did not see or hear anything else.

4033 America Ave. - Candace Maybery (904) 708-2445 - Has a camera Security System on house. Had not checked video. She stated she heard four gunshots. She told me there was a white panel van on the street 30-40 minutes after police arrived. She stated she was told the driver was acting suspicious and was run off by other neighbors.

4039 America Ave. - Phyllis Wade (904) 910-2510 - Security System She mentioned the white van. Her son attempted to take a picture of it, but was unable to due to the darkness and the vehicle moving.

4045 America Ave. - Eric Sullivan (904) 247-7089 - Security System Mr. Sullivan told me before 2100 hours, he was leaving to go to the store and the white panel van was blocking him from getting out of his driveway. He went to ask the driver to move it. The driver was standing in the bushes on the West side of America Ave. He said when he spoke to the driver, he seemed to become very nervous. Sullivan asked him what he was doing, and the man told him his dad used to live in The Sanctuary and he saw the police lights and was curious what was going on. He stated the

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 4
-----------------	--------------------------------------	--------------------------	-------------

man quickly got into his vehicle and left. He described the man as a white male approximately 6'2", 250 lbs. He said the man was chubby and had a black scraggly beard. He was wearing a gray hoodie and blue jeans, with a hat. The van was a plain white panel van with no marking on it. He said there were PVC pipes on the top of the van. It had a FL license plate but he did not get the tag number.

4067 America Ave. - Trent Waterman (904) 240-2140 - Has a camera [REDACTED] Security System of his house but had just gotten home. He said he would check it. Was not at home at the time of the shooting.

4075 America Ave. - Robert Carney (904) 514-2715 - has cameras on the house, [REDACTED] Security System [REDACTED] Security System He told me he was pulling into his driveway when he heard the gunshots. He had his music up so he wasn't initially sure if it was gunshots or fireworks. When he got out of his truck he noticed a vehicle on Sanctuary Blvd. but did not notice any other vehicles in the area.

4089 America Ave. - Tony Blanco - (904) 219-2701 - Has a [REDACTED] Security System camera on his house. He checked the video after neighbors told him about the shooting, but it did not capture anything at the time of the shooting. He stated he heard four gun shots, but did not see or hear anything else.

After I canvassed America Ave. I stood on the Northbound lane of Sanctuary Boulevard to make sure no one attempted to enter the scene through the bushes dividing America Avenue and Sanctuary Boulevard.

That completed my participation in the investigation until the scene was cleared.

NARRATIVE

On 2/16/22 at 21:16, I received a phone call from Sgt Smith requesting my assistance at a scene. I responded to Sanctuary Parkway and Jacksonville Drive. I met with Sgt Smith, Sgt Young and Officer Jarman. I assisted officer Jarman with the scene and collected the physical evidence and placed all of it into property. I sealed the vehicle with evidence tape and followed the vehicle back to the property room and placed it into the garage and locked the garage.

-----------------	--------------------------------------	--------------------------	-------------

NARRATIVE

On Wednesday, February 16, 2022 at 2022 hours, I was contacted by Sergeant Young in reference to this case then I responded to the area of Jacksonville Drive and Sanctuary Boulevard. Upon my arrival on scene, I met with Sergeant Young. Sergeant Young told me Detective Johns was going to be the lead detective on this case so I assisted Detective Johns. I walked down Sanctuary Boulevard towards the vehicle. There was a black Volkswagon Atlas stopped in the roadway with the vehicle's hazard lights activated. The male victim was laying on his back with a sheet over him. I observed four spent shell casings on the roadway near the victim's body. Also, there was a Ford rim with attached tire laying in front of the victim's vehicle in the roadway.

I contacted the Duval County State Attorney's Office on call homicide state attorney. I spoke to ASA Christina Stifler, and I described the scene to her. ASA Stifler said she would come to the scene. When she arrived on scene, Sergeant Young, Detective Johns and I escorted her to the scene. Detective Johns and ASA Stifler left the scene so they could speak to the victim's wife who was at the police station with Detective Santiago.

I contacted the Duval County Medical Examiner's Office, and I spoke to Investigator Jeremy Stum. The Medical Examiner's Office case number is 22-441. North Florida Transport transported the victim to the Duval County Medical Examiner's Office so they could perform an autopsy.

On Thursday, February 17, 2022, Alcohol, Tobacco, Firearms and Explosives (A.T.F.) Special Agent Mark Mutz arrived at the police department to offer any assistance with this investigation. Special Agent Mutz advised the A.T.F. could test the four spent shell casings for DNA then submit those casings to N.I.B.I.N. I proceeded to check out all four shell casings. A.T.F. ROI report number 767060-22-0334.

Item #1 (Underwood brand 10mm shell casing)
Item #2 (PPU brand 10mm shell casing)
Item #3 (Underwood brand 10mm shell casing)
Item #4 (PPU brand 10mm shell casing)

I scanned the chain of custody form for those items into this report.

Investigation continuing.

NARRATIVE

Wednesday, February 16, 2022

At approximately 2032 hours, I arrived at Jacksonville Dr. and Sanctuary Blvd in reference to a shooting. Upon my arrival, I met with officers, on scene, and confirmed there was a male subject who had been shot an unknown number of times. The male was pronounced deceased by JFRD R60 at 2010 hours. The male was later identified as Jared Bridegan.

I met with ET S. Jarman #1286 and walked the scene looking for anything of evidentiary value. The deceased male was laying next to a black 2018 VW Atlas [REDACTED] Marsys Law [REDACTED] which is registered to the decedent. There were four casings seen on the ground laying near the body and vehicle. The front passenger window appeared to be shattered.

After conducting an initial walk-thru of the scene, I returned to police headquarters to interview Shane Peter Villanueva Borja, a witness. He stated the following:

**Interview
Shane Peter Villanueva Borja (Witness)
3545 St. Johns Bluff Rd. S.
Jacksonville, FL 32224**

At 2257 hours, the interview with Villanueva Borja was conducted in the soft room and was audio and video recorded. Also present was ASA C. Stifler. Villanueva Borja stated he was leaving his friends house, near Seabreeze Elementary and returning home. He stated he traveled Seabreeze to America Ave. to Sanctuary Blvd. He stated he, and a car that was in front of him, both turned onto Sanctuary Blvd. Traffic then came to a stop, and Villanueva Borja stated he saw a black SUV stopped in the middle of the road and a tire in-front of the SUV. He initially thought the victim was changing his tire, so he approached to help. Villanueva Borja noticed the driver door was open and the victim was on the ground, twitching and moving. He stated he turned around and, "told the ladies to call 911." He stated he thought it was an accident until he saw the passenger window was shattered. He saw the "little girl" so he grabbed her and took her back to his car. He stated there was a male bystander, "white guy with a hat who stated he heard "from a lady there was gunshots." He stated he was trying to ask the little girl what happened, but she was only worried about her dad.

-End-

I also met with Kirsten E. Bridegan, the victim's wife. She stated the following:

**Interview
Kirsten E. Bridegan**

[REDACTED]
Security System

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 8
-----------------	--------------------------------------	--------------------------	-------------

Thursday, February 17, 2022

At 0915 hours, I met with Medical Examines Office. During the course of their exam, it was discovered the victim was shot twice in the left shoulder. One projectile remained in the lower portion of the neck and was collected. The second projectile appeared to exit the body in the right shoulder area. The victims clothing, and other items of evidence, will be collected at a later date.

Det. Lamont was contacted by a family member and stated the victims brother, Justin Bridegan, wanted to come in and talked to detectives. Justin was contacted and agreed to come in and speak to us. He stated the following:

**Interview
Justin E. Bridegan**

Security System

Preservation letters were sent to T- Mobile via LERinbound@t-mobile.com for (904) 566-2633 (Mario E. Fernandez Saldana) & (904) 708-4571 (Shanna Lee Gardner.) I received a confirmation they were received. Subpoena request to the SAO for Wendy's in an efforts to obtain security footage and receipts. A subpoena request, for Chase, was also submitted for the victims banking records.

Friday, February 18, 2022

At 1030 hours, myself and Det. J. Lamont #9980 met with Lori Armstrong from the Child Protective Services team. An interview was conducted with the minor child, B. Bridegan (age 2.) The interview was audio and video recorded. B. Bridegan stated she did not hear anyone arguing with her father, but did see someone who appeared to have a green hat, pink or red skin, in Halloween like clothing approach the car and then ran south, from away from the front of the car. She stated, "daddy was sick." and was laying on the ground. There were no other statements made during the interview that were pertinent.

Later in the day, contact was made with Gabriel Harrett, who was seen in the area, earlier in the day, on security video. Harrett stated he did not see or anything out of the ordinary, and he stated he was not in the area during the time of the incident. It should be noted, Harrett is a local, long-term transient that is known to camp near the incident location. He also suffers from mental illness and is often not lucid.

I also spoke to Britt Taylor, via telephone, who stated he knows the victims family. He relayed a similar account to Justin E. Bridegan. When asked if he observed anything, he stated he was just told stories by the family. He has not had any personal encounters.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 10
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

In 02/16/2022, at approximately 2000 hours, Officers were dispatched to State Road A1A Exit Ramp and J. Turner Butler Boulevard(JTB) in reference to a report of three to four gunshots. After a brief time they were redirected by dispatch to Sanctuary Boulevard and Jacksonville Drive after reports of an unconscious male laying next to a black Sport Utility Vehicle(SUV), with a child inside the vehicle. Sergeant L. Smith #792 arrived on scene at the updated location a short time later and advised over the radio there was a male laying in the street who appeared to have suffered a gunshot wound. Sergeant Smith began advising other responding units to secure the scene and hold potential witnesses in the area. Additionally, I heard Sergeant Smith request through dispatch on-call/lead evidence technician, Officer S. Jarman #1286, respond to the scene.

At approximately 2022 hours I responded to the scene to assist. Prior to my arrival, Officer H. Corey #1204 contacted me via radio and requested I park my patrol vehicle at Sanctuary Boulevard and Sanctuary Parkway, which is a T- intersection near JTB westbound. I approached traveling west on Sanctuary Parkway and could see crime scene tape had already been put up. At the request of Officer Corey, I activated my emergency overhead lights and positioned my patrol vehicle to block the north bound side of Sanctuary Boulevard at Sanctuary Parkway.

I began walking up the north bound side of Sanctuary Boulevard with Officer Corey, at which time he advised there was a deceased male on scene. As I was walking north, I could see what appeared to be vehicle headlights facing south on the southbound side of Sanctuary Boulevard, and what appeared to be a large object covered by a white sheet on the ground near the driver door. The area was very dark due to not being well lit and brush separating the north and south bound lanes made it difficult to gain a detailed view upon initial observation. The hazard lights on the vehicle were blinking and the driver side door appeared to be ajar. I walked around the brush and made my way across the marsh/median separating the north and south bound lanes. I approached the main area of the scene from the rear of the vehicle. I could see other officers on scene gathering information from several witnesses. I made contact with Sergeant Smith and began walking the scene.

I observed the vehicle to be a black colored Volkswagen Atlas SUV Marsys Law The SUV was parked at an a slight angle facing in a southwest direction towards Sanctuary Parkway and JTB westbound. The driver side door was ajar as I had originally observed. Upon closer observation, I could clearly see the object under the white sheet was the decedent. The body was laying near the curb on the east side of the roadway. A large pool of blood was observed to the right of the decedent's head and had began coagulating. Blood was visible soaking through the sheet and I could clearly see the decedent's left hand and wrist sticking out from under the sheet resting on the left side/east curb of the roadway. The fingers were curled inward. I observed a silver and diamond ring which appeared to be a wedding band, on the decedent's left ring finger, along with what appeared to be a black Apple Watch. There was what appeared to be dried blood on the hand. The decedent's feet were also sticking out from under the sheet. The decedent's feet were crossed and it appeared he had been wearing one brown colored flip flop/sandal, while the other was laying nearby in the street. The decedent's feet were facing south and his head north. I observed a large tire laying in the middle of the street, approximately ten to fifteen feet to the front of the vehicle. It appeared to be old and damaged. Sergeant Smith pointed out four shell casings laying in different areas of the scene, beginning from the rear of the vehicle and ending near the front driver's side door. The casings appeared to be brass casings. Additionally, Sergeant Smith pointed out what appeared to be

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 10
-----------------	--------------------------------------	--------------------------	--------------

blood spots on the left side of the driver's seat and interior frame of the driver side door. Looking into the vehicle, a small hole was observed in the center dash, with an entry point below and to the right of the steering wheel. The front passenger side window was shattered but still intact. A small hole was observed where the frame and glass meet, with a majority of the impact appearing to be in the metal frame. There were what appeared to be lines in the glass extending around the circumference of the center point of contact. Sergeant Smith advised me to coordinate with Officer Jarman upon his arrival and assist him with evidence collection and documentation of the scene.

Evidence Technician Report

Upon Officer Jarman's arrival on scene, I made contact with him to determine what was needed to properly document the scene. At his request, I returned to police headquarters, gathered all pertinent equipment and returned to the scene.

Once back on scene, I walked with Officer Jarman as he gathered overall, mid-range and close up photographs. Due to the dark area where the scene was located, I at times provided assistance with lighting by using my flashlight. Once photographs were taken, I assisted Officer Jarman in setting up the OSC360 to further document the scene using a 360 degree camera. The OSC360 was used on the rear/north side of the vehicle and on the front/south side of the vehicle.

Upon the arrival of the Medical Examiner(ME), I assisted Officer Jarman by marking the location of the body prior to it being moved. Using chalk, I marked the locations of the head, feet and arms. Additionally, I marked the locations of a casing and a possible projectile in the immediate vicinity of the body in order to preserve the location and the integrity of the evidence.

Once the body was removed by the ME, I assisted Officer Jarman with laser mapping the scene.

After all scene documentation was completed, I assisted with a line search of both the north and south bound sides of Sanctuary Boulevard.

On 02/17/2022, I assisted Officer Jarman, Officer E. Filbert #1275 and Property Officer J. Choate with processing the victim's vehicle. I collected latent prints from the rear left/driver side door, rear left/driver side quarter panel and rear right/passenger side window. The prints have been entered and placed into property as evidence.

I assisted Officer Jarman with removing all items from the vehicle to determine if anything of evidentiary value existed.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 10
-----------------	--------------------------------------	--------------------------	--------------

I assisted with shooting reconstruction using rods and string in two separate locations inside the vehicle. Additionally, I assisted with removing parts of the front passenger side door in an effort to locate a projectile, which was eventually found inside the door.

This concludes my involvement in this case.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 11
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On Wednesday, February 16, 2022 at 2140 hours, I received a phone call from Detective Sergeant C. D. Young, 795, who stated he needed my assistance with a homicide on Sanctuary Boulevard near Jacksonville Drive. At approximately 2215 hours, I arrived at the intersection of Sanctuary Boulevard and Jacksonville Drive. At 1022 hours, Det. Jason Lamont, 1280, said he needed help obtaining written statements from a father and son who lived at 3940 Grande Boulevard. At 2236 hours and after receiving the written statements, I returned to scene. At 2247 hours, Det. Sgt. Young told me to check the nearby residences.

At 2250 hours, I went to 3782 Sanctuary Way South and met with resident Don Cruz. He said he was not home at the time of the incident. He said his wife, who was at home, heard the shots but did not see anything. Cruz told me to check with his next door neighbor. Cruz said he did not have any cameras on his residence

At 2255 hours, I went to 3766 Sanctuary Way South and met with resident Thomas Graham. He said he was home, in his living room and watching television at the time of the incident. He said he "heard 3 to 5 shots" that were in quick succession. He said [REDACTED] Security System. He said he could be reached back at (904) 504-2151.

At 2301 hours, I went to 3795 Sanctuary Way North and met with resident Christina William. She said she was at home at the time of the incident. She said she heard "cars going down Jacksonville Drive" and heard "four pops." She said she did not have any cameras on her residence and said she did not have any additional information.

At 2305 hours, I returned to the scene, met with Det. Sgt. Young and told him about meetings with the previously mentioned residents.

At 0011 hours, I left the scene to return to police headquarters, located at 101 South Penman Road, to meet with Det. J. Lamont, 1280, where we would soon go to 1511 Marsh Inlet Court to meet with the victim's ex-wife. At 0036 hours, Det. Lamont and I drove to the residence and met with later identified by FL drivers license Shanna Lee Gardner and her husband Mario Hernandez.

After the notification, we left the residence at approximately 0100 hours and returned to police headquarters. Shortly after returning to police headquarters, I called Gardner's cell phone (904) 708-4571 and confirmed her ex-husband, Jared Bridegan, picked up their children at 1829 hours and then returned their children at approximately 1945 hours.

On Thursday, February 17, 2022 at approximately 0930 hours while attending a meeting with Det. Sgt. Young, Special Investigations Unit (SIU) Corporal B. Wallance, 787, SIU Det. B. Conner, 1267 and I were assigned to begin a neighborhood canvass what was believed to be Jared Bridegan's travel route from 1511 Marsh Inlet Circle (south on 15th Street South to Fairway Lane, east on Seabreeze Avenue to south on America Avenue, west on Jacksonville Drive to south on Sanctuary Boulevard). In addition, I was asked to obtain the video from The Sanctuary of Jacksonville Beach's

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 11
-----------------	--------------------------------------	--------------------------	--------------

unmanned guard gate, a gated community located approximately a quarter mile due west of where the victim was found on Sanctuary Boulevard.

At 1118 hours, SIU Det. B. Conner and I arrived at The Sanctuary of Jacksonville Beach's guard gate and was told by an unknown guard, who was monitoring the gate remotely, to contact a supervisor at 877-936-8372. At 1129 hours, I called the listed phone number, option 3 and was advised to email a request to communitysupport@enverasystems.com. I returned to police headquarters, located at 101 South Penman Road, where I met with Miranda Minton, 193, who emailed me the request for me.

At 1200 hours, I drove to 1511 Marsh Inlet Circle and met with Shanna Lee Gardner.

She said Jared Bridegan sent a text message to her the previous night at 1829 hours, reading "here" to notify her that he was at her house to pick up their two children. Gardner said he returned at to her house to drop of their children at approximately 1945 hours. Gardner said she asked her daughter, who said the time was actually 1948 hours. Gardner said the children came into the house from the garage, which is located west of the front door. She said [REDACTED] Security System [REDACTED] Security System did not pick up the motion. Gardner showed me her camera's recordings, which did not include any recordings during or near that time.

I then began conducting a neighborhood canvass with Det. Conner at the following locations:

1207 hours 1516 Marsh Inlet Court. [REDACTED] Security System The resident did not have any information.

1207 hours 1653 Marsh Inlet Court. [REDACTED] Security System No one appeared to be home.

1215 hours 1771 Marsh Inlet Court. [REDACTED] Security System I met with Adam Bollenback who did not have any information.

1215 hours 1780 Marsh Inlet Court. Cameras present. I met with Cheryl Weigand, who said she was a guest at the residence. She said she would contact me if the cameras captured anything in the cul de sac. Later at 1317 hours, I received a phone call back from Weigand at (714) 856-2963, who said after speaking with the homeowner, said the camera did not capture anything [REDACTED] Security System

[REDACTED] Security System

At 1221 hours, I received a phone call from Det. Cpl. Wallace to meet him at 4000 block of America Avenue. Det. Conner and I drove there, where Det. Cpl. showed a video of what was believed to be a portion of the incident with the suspected shooter walking south on Sanctuary Boulevard.

Det. Conner and I were then told to conduct a neighborhood canvass of the residences south of Jacksonville Drive from America Avenue to South Beach Parkway.

1238 hours 4045 America Avenue. Spoke with resident Eric Sullivan. (904) 247-7089. [REDACTED] Security System No information.

1329 hours 4033 America Avenue. [REDACTED] Security System Det. Conner met with resident.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 11
-----------------	--------------------------------------	--------------------------	--------------

1533 hours 1603 Seabreeze Avenue. [Security System] Met with resident David Kirmmer. (904) 554-5597. No information.

On Saturday, February 19, 2022, I resumed the neighborhood canvass.

At 1034 hours Det. B. Conner, 1267, and I went to 4089 America Avenue. [Security System] [Security System] however, we received no answer at the door. I went next door to 4075 America Avenue and met with resident Robert Carney to see if he had any contact information for the neighbor at 4089 America Avenue. Robert Carney said his mother, Kellie Carney, knew the next door neighbor's phone number and she could be reached at (904) 982-6065. At 1031 hours, I called and left a message for Kellie Carney to call me back. At 1107 hours, I received a phone call from Det. Cpl. B. Wallace, 787, who advised he had spoken with "Tony," the resident at 4089 America Avenue.

At 1047 hours, Det. Conner and I went to 2705 America Avenue, a previous received lead. Upon arrival, we met with Patricia Miagros O'Regan, who said [Security System] [Security System] had a current date and time stamp, showed at 1950 hours and 16 seconds a white truck come into view and pass southbound. At 1950 hours and 20 seconds a dark colored truck comes into view and pass. Then at 1950 hours and 42 seconds, a dark colored SUV type car, possibly appearing to be the victim's vehicle come into view and pass in the same direction as the other vehicles. I did not see any other vehicles come into view passing in the same direction. Because the dark colored SUV appeared to possibly be that of the victims, I called Det. Sgt. Young to the residence to view the video. Det. Sgt. Young and Det. C. Johns, 1236, arrived and viewed the video. Det. Johns was able to get a copy of the video, which he will place into the property section as evidence. At 1148 hours, Det. Conner and I left the residence.

1234 hours 4055 Grande Boulevard. [Security System] Met with Duane Hill. (904) 930-0624. No information.

*1238 hours 4049 Grande Boulevard. Cameras present. No answer at the door. I placed a card with my name and contact information at the front door.

1240 hours 4027 Grande Boulevard. [Security System] Met with resident Eddie King. (904) 629-0285. No video. No information.

1257 hours 4047 Palm Way. [Security System] I spoke to a child at the residence who advised his mother, Beth Dryden, was not home but gave me her phone number (904) 885-9331. At 1300 hours, I called the phone number and left a message for her to call me back. At 1302 hours, I received a phone call from the same number and spoke to a women who verbally identified herself as Beth Dryden. She said [Security System] and said she did not have any information.

1331 hours 4087 Gulfstream Drive. [Security System] Met with resident Jane Kowalkowski. (501) 318-

No video. No information.

On Tuesday, February 22, 2022 at 0955, Ofc. S. Jarman, 1286, was dispatched to 3724 Sanctuary Way South in reference to possible video relating to the incident. After reviewing the video, Ofc. Jarman called Det. Cpl. B. Wallace by phone regarding the video. At 1021 hours, Det. Cpl. B. Wallace, 787, and I met Ofc. S. Jarman, 1286, at the residence, along with resident Edward Gantea.

Gantea showed Det. Cpl. Wallace and I video, which showed a truck westbound on Jacksonville Drive, near the entrance of Sanctuary Way, at the time of the incident. The truck turns onto Sanctuary Way South and continues down the street. Gantea said the truck may belong to a

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 11
-----------------	--------------------------------------	--------------------------	--------------

neighbor, possibly the resident of 3591 Sanctuary Way South. Gantea emailed me the link of the video, along with a video clip prior to the incident.

At 1048 hours, Det. Cpl. Wallace and I went to 3591 Sanctuary Way South. The truck was not in the drive way and we were not able to make contact with the driver. While leaving, I saw the neighbor's house directly across the street at 3588 had cameras. I met with the resident Mark Alexander Bapst, who showed me the video on the night of the incident. The video showed the neighbor's truck parked in the driveway for several hours prior to and during the incident.

Upon return to police headquarters, I accessed the links, had the video saved onto a DVD and placed it into property as evidence.

I then returned to the following residences in an attempt to make a second to contact with a resident:

1307 hours 41 Fairway Lane. **Security System** Met with resident Anna Shannon Benitez. No video. No information.

1309 hours 47 Fairway Lane. **Security System** No answer at the door.

1312 hours 51 Fairway Lane. **Security System** No answer at the door.

1515 hours 55 Fairway Lane. **Security System** Met with resident Larry Paulk. (904) 249-3366. No video. No information.

1320 hours 57 Fairway Lane. **Security System** No answer at the door.

1322 hours 61 Fairway Lane. **Security System** Met with resident Grady Hale. (904) 588-5004. No video. No information.

1329 hours 1067 Seaside Drive North. Met with a babysitter and gave her my contact information. Later the same afternoon, I received a message from Shannon Law at (904) 629-7574 to call her back. At 1754 hours, I called the phone number back and spoke to a female that identified herself as Shannon Law. She said she **Security System** just captured her going in and out of the residence from the 1930 to 2000 hour time frame a provided. She did not have any further information.

At 1831 hours, I called (904) 535-3411 in an attempt to contact J. Vann Barrett, a resident of 4049 Grande Boulevard. At 1840 hours, I received a phone call back from a female that identified herself as Liz Baird. She advised Vann Barrett could be reached at (904) 803-8599. After getting of the phone, I called the phone number and spoke to a female, who identified herself as Lisa Barrett, wife of J. Vann Barrett and resident of 4049 Grande Boulevard. She said she had been walking her dogs at approximately 1730 hours in the area of Jacksonville Drive and America Avenue, when a red pick up truck, driven by a white male with a red beard, almost hit her. She the driver was vulgar towards her and drove by her a few additional times. She said she believed the truck's license plate ended in "JAX" or "J4X."

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 11
-----------------	--------------------------------------	--------------------------	--------------

On Wednesday, February 23, 2022 hours, I continued trying to contact residents of the listed address that I have not been able to speak with.

I a possible resident contact of 47 Fairway Lane as being Gerald D. Starbuck with a phone number of (904) 888-2018. I called the phone number and spoke with a male who identified himself as Gerald Starbuck and said he lived at 47 Fairway Lane. He said [REDACTED] Security System and said he did not have any information on the incident.

Per Beaches Energy, the 57 Fairway Lane account lists Jane Watson with a phone number of (904) 386-0102. At 0949 hours, I called the phone number and left a message for her to call me back at my desk number. Also on the account was a Ronald Watson with phone number (304) 745-5209. At 0953 hours, I called Ronald Watson's phone number and left a message for him to call me back at my desk number.

Per Beaches Energy, the 51 Fairway Lane account lists Kathryn M. Lamberti with a phone number of (904) 226-1971. At 0958 hours, I called the phone number and spoke to a women identified herself as Kathryn Lamberti and lived at the 51 Fairway Lane. She said [REDACTED] Security System and said she did not have any information on the incident. She said her son-in-law [REDACTED] Protected on an earlier date and spoke to someone about seeing two people. She said she would give him my phone number and have him call me.

Per Beaches Energy, the 4029 Seaside Drive East account lists Mark Lisante with a phone number of (904) 742-7522. At 1009 hours, I called the phone number and left a message to call my desk phone number back.

At 1023 hours, I missed a phone call from Patrick Devlin (904) 614-7310. At 1034 hours, I called him back.

He said he is a painter and had been returning from a job site. He said he was going home and said his route was J. Turner Butler eastbound, north on 3rd Street, west on Jacksonville Drive to north on America Avenue. He said while driving north on America Avenue, describing somewhere near Republic Drive between 1845 hours and 1900 hours, a light skinned, thin built, black male, appearing to be between 25 and 30-year-old, wearing a white t-shirt and khaki pants with a single strap backpack that crosses the upper body riding a "speed bike" (rounded handle bars like a 10 speed) riding southbound on America Avenue. Devlin said the black male appeared was looking from side to side and appeared suspicious. Devlin added he lived at 1405 Constitution Place, was familiar with the neighborhood and had not seen this person before. He then said he saw another "skinny", approximately 160-170 lbs., and between 25 and 30-year-old, white male with long brown hair, who Devlin described as a "scruffy Jesus", possibly even a homeless person, walking southbound on America Avenue near Declaration Drive. He thought seeing those two people were odd or out-of-place in the neighborhood, especially given what happened that night. Devlin did not have any further information.

At 1038 hours, I missed a phone call from Ronald Watson (304) 745-5209, resident at 57 Fairway

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 11
-----------------	--------------------------------------	--------------------------	--------------

Lane. He message said [REDACTED] Security System and did not have any information relating to the incident. A few minutes later, he called back and said his son, Ronnie Watson, lives there but the two had recently talked about the incident. Ronald Watson said his son could be reached at (904) 386-0102.

Per Beaches Energy, the 4039 Coastal Avenue account lists Kimberly S. Manek with a phone number of (386) 405-8723. At 1124 hours, I called the phone number and left a message to call my desk phone number back.

Per Beaches Energy, the 4080 Coastal Avenue account lists either Abbigayle Baugh or Scott McIlwain with a phone number of (904) 501-5186. At 1129 hours, I called the phone number and left a message to call my desk phone number back.

Per Beaches Energy, the 4072 Coastal Avenue account lists Kristine J. Kane with a phone number of (904) 707-4440. At 1134 hours, I called the phone number and left a message to call my desk phone number back.

At 1135 hours, I received a phone call back from Abbigayle Baugh of 4080 Coastal Avenue. She said she did not have any video and did not have any information relating to the incident.

At 1150 hours, I received a phone call back from Kristine J. Kane of 4072 Coastal Avenue. She said she would [REDACTED] Security System and email me what she found.

Per Beaches Energy, the 4051 Gulfstream Drive account lists Austin A. Palmer with a phone number of (985) 778-8755. At 1152 hours, I called the phone number and spoke to an Austin Palmer, who said [REDACTED] Security System and did not have any information relating to the incident.

NARRATIVE

On 02/17/2022 at approximately 0930 hours, I was asked to respond to the police department to assist with an investigation. I was tasked with helping to conduct a neighborhood canvass. The following list are the addresses I responded too, and who I spoke with:

- 1575 Marsh Inlet CT

Victoria Yee, 904-524-2908

Security System

- 1564 Marsh Inlet CT

Sean Mason, 904-885-9894

Security System

Mason suspects Mario (current husband) was involved in a previous incident (180005377).

- 1653 Marsh Inlet CT

Security System

- 4039 America Ave

John Luther, 901-308-3670

Security System

didn't see or hear anything. At appx. 2100 hours a white Chevrolet van, dark tint windows, parked and started looking towards the scene. Driver described as a stocky white male with long beard. Stated he was trying to visit his dad in the Sanctuary, when asked by a neighbor if he lived in the area Mason said he left in a hurry. Picture will be attached to the report.

- 3604 Sanctuary Way S

Thomas Bryan, 904-955-1095

Was outside and heard four gunshots at 1952 hours

Security System

video will be

copied to a Usb drive and submitted into property.

<https://video.nest.com/clip/e32f2dcf0b3046d0824186a93505459c.mp4>

- 4033 America Ave

Mark Warski, 904-416-4771

Security System

heard 4 gunshots, was standing outside in garage at the time the shots were fired. Did not hear any yelling or arguments, no traffic crash.

- 4005 America Ave

Made contact with Alix Robinson via phone (816-500-5932) stated she and her friend (Andrea Adams 904-729-7311) were sitting on her back patio when they heard 3-4 gunshots. Robinson stated just before the gunshots she believes she heard someone yell. I spoke with Andrea via phone, who gave a similar story, but believes she heard 5 shots with a brief pause between shots. Andrea did not recall hearing anyone yell or scream, and did not hear tires squealing.

- 4064 Grande Blvd

Doug Jacobson, 904-947-3684

Security System

heard four shots at appx. 1954 hours. Wife will look through video. *Requires follow-up* 2/18/2022 met with Jacobson to review video, nothing was captured on video of interest. (Follow-up complete)

I spoke with Matt Heck (904-254-6260) who called to eliminate his vehicle, as he drove on Sanctuary Parkway at approximately 1949 hours. Heck's vehicle is a 2015 Black Ford F150 (JVDR80 FL). Heck stated he did not see a vehicle with emergency lights activated, on Sanctuary Blvd. I asked Heck if he noticed anything else in the area. Heck stated he remembered seeing a small four door sedan, parked in the painted lines before Sanctuary Blvd. Heck was not sure if it was Wednesday night, but he was positive that it was at night. Heck also stated he was told the victim was in an argument at the baseball fields behind the police station Wednesday afternoon/evening, but had no other details. Heck stated Thomas Bryan's (3604 Sanctuary Way S) wife may have more information.

I made contact with Melissa Bryan, who stated she heard about the incident at the baseball field from Lauren Stout (904-881-2373). I made contact with Lauren Stout, who stated she heard about the incident at the baseball field from Natalie Brewster. Stout said Brewster heard about the incident from Pam Titlow (904-234-0833). Stout said Titlow heard about the baseball field incident from Matt Dahlberg (904-545-0414) who was a witness to it. I then contacted Dahlberg, who responded to the station voluntarily for a recorded interview.

Dahlberg stated he did not witness any argument/incident at the baseball fields. Dahlberg stated he did not know the victim. Dahlberg stated he did know Pam Titlow, but had not spoken with her about anything recently. After the interview I contacted Pam Titlow. She said she was not at Wingate park that night, and only heard about the shooting from the news. Titlow said she has no idea how her name was brought up in any of this. Titlow said she has no information to provide in regards to the

-----------------	--------------------------------------	--------------------------	--------------

I called Kristy Grabarek (773-676-7607), 230 15th Street South, voice mail left. (Follow-up complete)

Det. Burrell and I went to 2705 America Ave. to retrieve video from the resident, Terry Oregon. Oregon was not home, his wife Patricia O'Reagan, answered the door. On the video I saw a white truck (unknown make/model) pass the camera at 1950 hours 17 seconds. I then saw a dark colored truck (unknown make/model) pass the camera at 1950 hours 20 seconds. I then see a black SUV (matching the description of the victim vehicle) pass by the camera at 1950 hours 42 seconds. All three vehicles were traveling south on America Ave. towards Jacksonville Dr. The video had an accurate date and time stamp. The video was retrieved by Det. Johns.

Visible cameras

I spoke with Matthew Heck (904-254-6260), he stated he checked his exterior cameras to get a better time frame. Heck said he left his house at 1958. He was positive it was Wednesday night, due to the camera. Heck said he did not leave his house at night any other night that week. Heck said that had to be the night he saw a small four door sedan parked on Sanctuary Pkwy, parked in the painted lines. Heck said the vehicle was parked just east of Palm Way, on Sanctuary Pkwy. Heck said he did not see anything else suspicious in the area, no one walking or running in the area.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 13
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

Wednesday, February 16, 2022

At approximately 2000 hours, I was contacted by Detective Sgt. Young in reference to a homicide investigation.

At approximately 2032 hours, I arrived at the intersection of Jacksonville Drive and Sanctuary Way.

Upon my arrival, I began to identify possible witness who were currently within the perimeter of the scene. The first witness I identified was Shane Peter Villanueva Borja who was sitting in his vehicle. Borja was tending to [REDACTED] Vic Abuse Sex Off [REDACTED] Borja gave a written statement.

Borja advised he was driving southbound on Sanctuary when he saw a vehicle in the roadway. Borja stated the emergency flashers on the victim's vehicle were activated when he stopped. Borja exited his vehicle and checked on the driver to see if he needed help. As Borja got closer to the vehicle, he saw an unidentified male lying face down on the ground in a pool of blood. Borja turned to the vehicle parked directly behind the victim's vehicle and [REDACTED] Protected [REDACTED] The witnesses in this vehicle were identified as Zoraida Verge and Osiris Verge.

Borja returned to the victim's vehicle and checked the wood line for another vehicle. Borja initially thought this may have been a car accident. At this time, Borja noticed a child sitting in the rear passenger seat. Borja opened the rear passenger door and removed the child from her car seat. Borja returned to his vehicle with the child and calmed her down. At this time, Jacksonville Beach Police Officers arrived and secured the scene.

After speaking with Borja, I spoke with Zoraida Verge and Osiris Verge, who were sitting in their vehicle. Both individuals were parked directly behind the victim's vehicle. Zoraida and Osiris advised they were traveling southbound on Sanctuary when they saw a vehicle stopped in the roadway. Zoraida and Osiris noticed the vehicle stopped with the emergency flashers activated. At this time, Borja approached the couple and [REDACTED] Protected [REDACTED] Zoraida and Borja [REDACTED] Protected [REDACTED] and this ended their involvement.

At approximately 2200 hours, I made contact with Ryan Neil Frauenheim and Carter Fraenheim. Ryan and Carter were located at 3940 Grande Boulevard. Carter advised he heard three to five gun shots at approximately 2000 hours. Carter called his father immediately and asked if they were gun shots. Ryan advised he heard three to five gun shots as well.

Ryan stated he has a home surveillance system and he allowed access to it. Ryan allowed me to view the home surveillance system [REDACTED] Security System [REDACTED] While viewing the surveillance system, various vehicle traffic and foot traffic can be seen passing the home. The camera is facing [REDACTED] Security System [REDACTED] No suspect information was obtained from viewing the video.

I was able to view the video but unable to retrieve a copy of the video at that time.

Thursday, February 17, 2022

At approximately 0039 hours, Detective Burrell and I arrived at 1511 Marsh Inlet Court to notify Shanna Lee Gardner, the victim's ex-wife.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 13
-----------------	--------------------------------------	--------------------------	--------------

Upon arrival, contact was made with Gardner and Mario Enrique Fernando Saldana. Gardner was informed her ex-husband, Jared Bridegan, was deceased. Gardner advised her divorce was not amicable and the two did not communicate much. Gardner stated the two would only communicate through text messages. The only communication Gardner had with the victim was at 1829 hours. The victim advised he was "here" to pick up his children for their date night.

Gardner advised the children went to Bearded Pig for dinner and Wendy's for ice cream. The children were returned by the victim at 1945 hours. Gardner did not speak with the victim at this time.

Gardner stated she did not know if the victim had any issues with anyone, which would lead to his death. Gardner and Saldana advised they would be available if needed for the investigation.

At approximately 1130 hours, I met with the victim's wife, Kirsten Bridegan. While meeting with Kirsten Bridegan she signed consent to search forms for the victims phone, watch and his vehicle. The consent forms have been scanned into the report and placed into property as evidence.

Kirsten Bridegan advised her husband does own a hand gun. Kirsten Bridegan was not aware of the make or model of the firearm. Kirsten Bridegan attempted to locate the firearm, but was unable to locate it at that time.

Kirsten Bridegan was asked if her husband carries a wallet on his person. Kirsten Bridegan advised her husband carries an identification card, a blue Chase card and sometimes an insurance card. Kirsten Bridegan advised she does not believe her husband has any additional credit cards.

At approximately 1451 hours, I returned to Ryan Frauenheim's residence to retrieve the surveillance video. Ryan Frauenheim was able to provide video surveillance from 1915 hours to 2030 hours. The video has been placed into property as evidence.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 14
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

ET REPORT

On 2/16/2022, at 2013 hours, I responded to the intersection of Sanctuary Boulevard and Jacksonville Drive in reference to a person shot call as the Lead Evidence Technician.

Upon arrival, I met with Sgt. L. Smith who walked me through the scene.

The scene was in the south bound lane of the 4000 block of Sanctuary Boulevard. There are no street lights in the area and almost no ambient light from America Avenue and State Road 202 (J. Turner Butler Boulevard). There was a full moon that night that provided some light in the area. There was a black Volkswagen Atlas bearing Florida tag of Marsys Law. The emergency hazard lights were on with both driver door and driver passenger door open. There was a body covered with a white sheet and yellow plastic cover next to the east curb next to the vehicle. The body of the deceased was situated with his head facing north, feet facing south, right arm to the west, and the left arm was to the east. I observed four shell casings between him and the vehicle. I observed a pool of blood next to the body between him and the vehicle. There was a tire that was damaged in front of the vehicle. The tire did not appear to belong to the victim's vehicle.

Sgt. Smith showed me the inside of the vehicle. I looked through the open driver door and observed what appeared to be two bullet holes inside. The first one was in the plastic next to where the driver's right leg would be beneath the entertainment system.

The second bullet hole was in the front passenger side door right at the top of plastic beneath the window. The passenger window was shattered but remained in place.

Sgt. Smith showed me a damaged tire in front of the vehicle. The tire did not appear to belong to the deceased's vehicle. It was in the middle of the road.

Officer J. Langlois and Officer E. Filbert were present on scene and are Evidence Technicians. I instructed Officer Langlois to go to the station and get the Laser Mapping system and the OSC360 camera system so I could process the scene.

After the detectives, Sgt. Smith, and I finished walking the scene, I had all vehicles in the perimeter to leave as well as all personnel that would not be assisting in the crime scene investigation.

I began taking pictures at the east side of the north median. I moved down the northbound traffic lane taking pictures of the scene. Once at the south median, I came back north in the southbound lane taking pictures. I took pictures of the body as he laid. I took pictures of the shell casings without a evidence marker. I took pictures of the inside of the car looking inside from the open driver door.

I started to back away from the scene back towards where the first picture was taken.

I placed evidence markers next to all pertinent evidence. I re-took all my pictures from the midrange to up close.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 14
-----------------	--------------------------------------	--------------------------	--------------

At this point the detectives re-entered the scene with a female later identified as the Assistant State Attorney. I took pictures of the body and uncovered the deceased so she can see him. When I removed the sheet, I observed a small metal piece next to his right side. This metal piece was later identified as one of the bullets (projectile). I marked it with evidence marker nine.

I took full pictures of the deceased as he laid.

After they left, I finished taking my pictures of the scene.

I used the OCSR360 and placed it a short distance behind the vehicle in order to get a 360-degree view of the scene. I moved it to behind the driver rear passenger door and was able to get a 360-degree view of the scene. I moved it to the front of the vehicle and took another picture.

Officer Langlois marked the locations of the deceased's head, feet, and arms with chalk for usage in the laser mapping system.

The Medical Examiner arrived on scene and I assisted him in photograph the body. The M.E. felt his head but was unable to find an entry wound. The body retrieval team arrived and we rolled the body into his left side where I took pictures of his back. We did not observe any entry wounds on the back side. Property Officer J Choate collected evidence marker four and evidence marker nine. I marked their location with chalk for usage in the Laser Mapping System. We rolled the body onto his right side and we still did not find an entry wound. The M.E. with the help of Officer Filbert found an entry wound on his left shoulder. I photographed the shirt as it was and then we lifted the shirt to a point where I could take a picture of the entry wound. After finishing photographing the body was removed.

I next set up the Laser Mapping system and mapped the entire scene as it laid with the help of Officer Langlois.

Once the scene was mapped, Property Officer J. Choate collected all evidentiary items to be placed into property.

Sgt. Smith requested a shooting reconstruction be done to determine where the shooter might have been. Using rods and string we set it up. I took pictures of it as it laid out. It should be noted the bullet strike to the passenger side door was at an angle. I looked inside the hole and found the bullet struck metal and turned downward. The angle of the rod in the passenger door was off due to this and the fact it was the wrong size rod.

Property Officer Choate sealed the vehicle with evidence tape on all doors, hood, and trunk area.

Ray's Wrecker was contacted via rotation and collected the vehicle. Property Officer Choate followed him back to the property room where it was stored in a locked garage until officers could process the inside.

After the vehicle left, Officers on scene performed a line search for any evidence that we may have missed. We started at Jacksonville Drive walking south bound on Sanctuary Boulevard and walked to Sanctuary Parkway. We turned around and walked on the northbound side on Sanctuary Boulevard.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 14
-----------------	--------------------------------------	--------------------------	--------------

We found nothing evidentiary value.

I returned to the station to drop off equipment.

On 2/17/2022, at 1200 hours, I met with Property Officer Choate, Officer Filbert, and Officer Langlois at the property room (1460 Shetter Avenue) to process the victim's vehicle.

I took pictures of the seals on the doors. Property Officer Choate, Officer Filbert, and Officer Langlois dusted the vehicle for prints while I took pictures of the vehicle. After the processing the outside, I went inside and opened the glove box. It was hard to open and I thought it might be locked but after pulling on it harder, it opened and a metal piece fell out. The metal piece was identified as a bullet (projectile). I marked it with evidence marker ten. I took pictures of it in place and of the damage on the side of the glove box.

I marked both bullet holes with scales and took pictures of them.

Officers completely removed all contents of the vehicle and placed them on a tarp next to the vehicle. I found multiple sets of keys and a pair of Air-pods inside. Those items were photographed.

Blood spots were marked with individual markers and were photographed. Scales were used to measure the distance for the spots. I photographed the measurements.

We set up the shooting reconstruction with rods and string. I photographed the measurements and it appeared to be at roughly ten-degree angle. I placed the OSC360 inside the vehicle, both rear passenger area and front area. I photographed a 360-degree picture of the scene.

I removed the plastic beneath the entertainment system to find a path for the first bullet. There was damage behind the piece. I photographed the damage.

Next, we moved to the passenger door in an attempt to locate the bullet inside the door. We removed the plastic door covering on the inside of the door to get a better view beneath it. The door appeared to be solid with a hollow section in the middle for the glass to come down. We removed the glass completely from the frame. We attempted to look down through a small opening towards the bottom of the door but found the hole was too small to get a good view and the hollow space was barely big enough for an arm to fit through. I attempted to fit my arm inside and could only search a very small area to find the bullet. Next, we removed the plastic liner from beneath the door but found the door did not have a drainage hole and appeared to be solid along the bottom. We attempted to remove the speaker to get access that way but was unable to due to it being in its own small space.

The decision was made by me to use power tools to open up the door more to get access. We first tried to cut a small section out on the inside. I reached my hand down inside and tried to remove the glass but my arm and hand was stuck by a metal cross member. We cut along the bottom on the outside and was able to remove all the glass inside. As we moved the door back and forth to shake the glass up and towards the openings, the bullet came forward from a section of the cross member. The bullet was photographed in place, then removed from the door. It was placed on the ground and marked with evidence marker thirteen. The bullet was of a different make then the other two located.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 14
-----------------	--------------------------------------	--------------------------	--------------

We cleaned up and placed all items removed back into the vehicle.

I made a copy of all pictures from the scene and vehicle. I placed a copy into property and provided two copies to Sgt. D. Young and Detective C. Johns. I completed a photo log which I attached to this report.

On 2/18/2022, at 0815 hours, I went to the property room and swabbed the tire found at the scene. I took pictures of the tire as it was and swabbed the clean areas for the presence of DNA. I submitted the control and four swabs into property. I submitted a copy of the pictures of the tire to property and provided a copy to Detective Johns.

Investigation continuing.

-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

Wednesday, February 16, 2022

At 2017 hours, I was instructed to respond to the intersection of Sanctuary Boulevard and Jacksonville Drive. Upon my arrival at approximately 2043 hours, I took custody of [Vic Abuse Sex Off] who was with bystanders. I transported her to the police station where her mother, Kirsten Bridegan, was en route to get her. She is an articulate child and easily carried a conversation back and forth. She told me her "mommy" took her to Target on that day and bought her the shoes she was wearing. Later her mother confirmed that occurred earlier that day as [Vic Abuse] had recounted with the exception it was at Walmart not Target. During my time with [Vic Abuse] she told me she had been to dinner that night with her brother, sister [Vic Abuse Sex Off] and her daddy. She said she had mac-n-cheese, which is her favorite food, and her mommy stayed home. [Vic Abuse] made the following statements to me (Note: I did not question her about this incident):

"Daddy opened my car door and I heard a boom."

"It's too loud."

"I heard booms."

At the station I made contact with her mother Kirsten Bridegan and her mother (Mary Vach dob 12-18-1956- did not bring her Seattle license and currently lives in temporary housing in Orlando at unknown address). Kirsten advised me she had been married to Jared for approximately 4.5 years and had been together a total of 5 years. [Vic Abuse Sex Off] [Vic Abuse Sex Off] Jared was married prior and has two 9 yr old twins Liam and Abigail Bridegan dob 04/20/12 with ex-wife Shanna Gardner. Shanna and Liam have a 50/50 custody split in which one parent has the kids from Monday after school until the next Monday morning at drop off to school when the other parent then has them for the same amount of time. Whichever parent does not have the kids for the week, then picks them up on Wednesday evening and they go out for "date night" which lasts a little over an hour. Kirsten stated she used to go but since having London the time frame coincides with when she is sleeping so she has not been going. On today's date Jared took [Vic Abuse] and they left the house around 1755 hours. At 1842 hours she sent Jared a text asking how it was going and he responded things were going well. He told her Abigail wanted to text with her. She and Abigail sent texts back and forth on Jared's phone. She asked Abigail where they went and she replied with a pig emoji, which Kirsten said was the Bearded Pig. She took screen shots of the texts and emailed them to Detective Johns.

Kirsten stated her brother called her at 1939 hours. While they were talking, Jared called and she merged him into the conversation. They all spoke for a few minutes and then her brother hung up so she and Jared could talk. The conversation with her brother lasted eight minutes and the conversation with Jared did not show up on her phone log due to her merging him in to her current call. The phone call with Jared was on the car speaker and she was also talking with [Vic Abuse] Jared had just dropped off Abigail and Liam and was on his way home. [Vic Abuse] told her she was eating ice cream and Jared told her it was a frosty from Wendy's. They hung up and when she attempted to contact him later he did not respond. She said at 2051 hours, she was worried because he had not made it home yet and she began "blowing his phone up."

Kirsten advised the relationship with Jared's ex-wife Shanna and her new husband Mario Fernandez was not a good one. She said Shanna was constantly filing things in court regarding the children and

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 15
-----------------	--------------------------------------	--------------------------	--------------

lied about Jared portraying him to be a bad father. She said Shanna and Mario lie to the kids and try to make Jared look bad to them. Furthermore, she said Mario is very controlling and tries to control everything. She said the last time Shanna filed something against Jared was last year but the case was dropped. She said there has been no violence or threats of violence from Shanna or Mario.

Kirsten said Jared has not had any disagreements with anyone and everyone likes him. She said the only person who had ill will towards him is Shanna and Mario. When I asked her if Jared has life insurance she advised he should have some through work. At the request of State Attorney C. Stifler, I asked her if she would be willing to allow **Vic Abuse** interviewed by the Child Protection Team (CPT) and she immediately agreed.

There is no further information to add at this time.

NARRATIVE

On February 17, 2022, at 0830 hours, I began assisting GIU Det. C. Johns #1236 and Det. J. Lamont #1280 with this case.

At 0830 hours, I spoke to Nancy Kaye (904-607-1972) of 3662 Sanctuary Way South in reference to this case. Kaye stated while walking her dog at 1800 hours, she observed a dark grey SUV parked near the intersection of Sanctuary Way North and Jacksonville Drive. She stated she did not believe the SUV was related to nearby construction. The SUV was bearing New York license plates and occupied by two older (40's) white males. Kaye explained the driver was scruffy with facial hair. Kaye later provided me with a potential third party who observed the SUV (Ruth 904-581-6382). Kaye explained Ruth took pictures for the construction company and may have inadvertently taken pictures of the parked vehicle. I attempted to contact Ruth at 1830 hours, however left a voicemail when Ruth did not answer.

At 1134 hours, I began a neighborhood canvass of the surrounding area;

- 4089 America Ave - Tony - 904-219-2701
 - Tony's number was given to me by a neighbor at 4075 America. I did not speak to Tony. No answer. [REDACTED] Security System
- 4075 America Ave - Robert Carney - 904-514-2751
 - Carney stated while driving home, nearing the intersection of Jacksonville Drive and America, he heard the gunshots coming from the area of the shooting. Carney drove south on America Ave, entered his driveway and went inside. He stated he observed the parked vehicle (possibly victims) on Sanctuary Blvd.
- **4067 America Ave - Trenton Waterman - 904-240-2140**
 - Waterman was able to access his [REDACTED] Security System While looking through several motion activated events on the previous night, we located a minute long video clip beginning at 19:52:51. After review, I discovered the following;
 - A gunshot and muzzle flash occurred at 19:52:52 near the driver side of the victim vehicle. Shortly after the flash and shot, a subject (henceforth known as the suspect) moves in front of the victim's vehicle, southbound on Sanctuary Blvd.
 - At 19:52:55, the suspect walks in front of the victim's vehicle headlights which backlights him/her. The suspect continues walking southbound until 19:53:00 hours, at which point, he/she begins to run. The suspect continues running southbound on Sanctuary Blvd, later out of view.
 - Several minute-long motion clips beginning at 1800 hours and ending at 2021 hours were taken from Waterman's camera system. These clips will be placed into property as evidence.
- 3940 Grande Blvd - Ryan Frauenhim - 904-923-0047
 - Frauenhim showed me several camera angles on his property beginning at his [REDACTED] Security System

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 16
-----------------	--------------------------------------	--------------------------	--------------

Based on my inability to extract the Lorex system data, Det. Lamont and Police Systems Admin Pizarro responded and later assumed this portion of my canvas.

- 1220 Marsh Landing Parkway - Hampton Inn - Hope (General Manager)
 - [REDACTED] Security System
- 4004 Grande Blvd - 1422 hours
 - [REDACTED] Security System no answer.
- 4001 Palm Way - 1430 hours
 - Det. Burrell #1202 spoke to Susan Schaad (904-426-7895). Schaad has access to the cameras at the listed address. No activity noted.
- 4021 Palm Way - Ann Freudenthal - 904-514-1668
 - Freudenthal has a camera [REDACTED] Security System was unsure of how to access it at this time. Card left with witness. Video pending at this time.
- 4045 Palm Way
 - No answer. [REDACTED] Security System
- 4050 Palm Way - John Pasey - 904-327-2558
 - [REDACTED] Security System Pasey did not see or hear anything from the previous night.
- 4059 Palm Way - Jennifer Pulido - 813-995-1405
 - Pulido was able to email me at 1738 hours. Nothing of evidentiary value to report.
- 4098 Gulfstream Drive - Jason Hamner - 904-962-3831
 - Hamner did not see or hear anything from the previous night.
- 4074 Gulfstream Drive - 1500 hours
 - [REDACTED] Security System no answer.
- 4058 Gulfstream Drive - 1500 hours
 - [REDACTED] Security System No answer at front door.
- 4050 Gulfstream Drive
 - [REDACTED] Security System and no answer.
- 4040 Gulfstream Drive - David Wholey - 904-322-4004
 - Did not see or hear anything. Wholey directed me to **4001 America Ave** for possible video.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 16
-----------------	--------------------------------------	--------------------------	--------------

- 1101 Seaside Drive North - Lynn Senkier - 551-265-4010
 - I observed [Security System] and observed no motion detection during specified hours.

At 1600 hours, I concluded canvassing on 2/17/22.

On 2/18/22, at 1055 hours, I met with Valerie Currie (904-860-1967) at 1633 Marshside Drive in reference to a follow up of this case. Currie explained the following;

On 2/16/22, at approximately 1950 hours, she left her house to pick up her daughter from Volleyball in Jacksonville. Currie took the same route as our department social media post and stated when she arrived to Jacksonville Drive and Sanctuary Boulevard she observed several vehicles stopped behind a black SUV stopped along Sanctuary Blvd facing south. Currie stated behind the black SUV, she observed a small potentially grey SUV, an unknown vehicle and finally a white four door sedan, all stopped behind the black SUV. Currie explained the driver of the grey SUV (w/m) exited his vehicle and walked towards the driver side of the black SUV. Just before he made it to the driver side, he stopped, and walked back towards the rear. He then walked the passenger side of the SUV. Currie reversed her vehicle and later drove eastbound on Jacksonville Drive. Currie stated the white sedan was driven by a white female.

After interviewing Currie, I began a neighborhood canvass of the surrounding area;

- 3987 America Ave - Amanda Martinez - 904-238-2846
 - Blink camera on the front door only. Martinez advised the camera [Security System]
- 3855 America Ave - Juzer Bannister - 904-372-0411
 - [Security System] Did not see or hear anything.
- 3525 America Ave
 - [Security System] No answer.
- **3521 America Ave - Kelley Sleiman - 904-655-1445**
 - [Security System]. No answer or contact made at 1230 hours.
 - Emailed, called, voicemail and other avenues exhausted
- 3517 America Ave
 - No answer, [Security System]
- 3501 America Ave - Jen Szuromi - 716-912-3615
 - [Security System]

At 1758 hours, I contacted Maria Pudin (Blue Heron Lane - 904-728-7759) in reference to a call-in sheet (lead information) placed a few hours prior. Pudin stated she drove northbound on Sanctuary Blvd at approximately 2000 hours. Pudin explained when she passed (heading northbound), she observed three vehicles parked behind the black SUV and what appeared to be "a body" laying outside of the black SUV. Pudin stated the hazard lights were on and the driver door was open when she passed by.

I also contacted the operations administrator (Kat - 781-929-3010) of the Discovery School at 102 15th Street South. Kat informed me the schools camera [REDACTED] Security System At least for the past two weeks, no video has been recorded.

NARRATIVE

Thursday, February 17, 2022

At approximately 1210 hours I sent an email to Kari Pallotto an Account Manager with the Ring Neighbors program to request any assistance they could provide us in locating any available Ring footage pertaining to this case.

At approximately 1215 hours I called the Child Protection Team to ascertain if they would interview [REDACTED] I was advised I would get a return call and subsequently Lewis Ramirez (Case Coordinator) called me back. I spoke with him and Laurie Armstrong (supervisor) and subsequently an interview was set for January 18, 2022 at 1030 hours.

At approximately 1224 hours I responded to the Bearded Pig and made contact with General Manager Robert Smith. He advised he was working during the time frame Jared would have been at the restaurant. He stated no disturbances happened yesterday. He agreed to go through the computerized tickets for the day and we subsequently found the one for Jared and his children. We were able to locate it utilizing the time and amount paid (1902 hours- \$39.09 cell phone wallet showed this) as the last four credit card numbers of the his credit card appears to change due to a safety feature. Owner Michael Schmidt responded and we subsequently located video footage of Jared **arriving in the parking lot at 1847 hours**. He and the children enter the restaurant at 1848 hours, go to the parking lot at 1922 hours, and subsequently **leave the parking lot at 1924 hours** heading south on 3rd Street. There is no available video of them eating. The north- west side of the seating area, near the cash registers, camera was unknowingly still covered with painters tape from past construction. I retrieved a copy of all available footage. A copy of the footage will be placed into property as evidence as well as a copy of the computerized ticket. I also scanned a copy of the computerized ticket to this report.

I also spoke by phone with employee Tori Cameron (352-317-3583), who worked one of the registers, and she also stated she did not observe any disturbances. There is a daily summary report that gets emailed to Michael Schmidt, which would notate any problems/disturbance and or complaints throughout the day. He advised no disturbances were noted.

At approximately 1744 hours I submitted an electronic Law Enforcement Inquiry to International Claim Association to attempt to locate any life insurance policies Jared may have.

There is no further information to add to this report at this time.

NARRATIVE

On Friday, February 18, 2022 at 1445 hours, Paul Morley came to the police department today because he saw the media information from this agency asking for any Ring camera footage, Nest camera footage, and/or exterior surveillance camera footage from along Fairway Lane or America Avenue. Morley gave me a thumb drive containing his exterior camera footage from his house. After I viewed the camera footage, it appears the victim's vehicle drove past Morley's house at 1829:39 hours heading South on Fairway Lane. The view from the camera at night wasn't good. It was very difficult to identify the make or model of any vehicle traveling North or South. I placed the thumb drive into property.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 19
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

Friday, February, 18, 2022

Officer Jarman who is an evidence technician, advised he would contact Shane Villanueva Borja, who had touched the victim's vehicle, to arrange getting elimination prints from him. At approximately 1042 hours, Officer Jarman advised me he had made contact with him by phone and he is currently out of state on his way to Wisconsin. Mr. Villanueva is truck driver and is going to request his dispatch send him back to Florida after he drops off his load in Wisconsin.

At approximately 1117 hours, I sent an email to Assistant State Attorney Devin Lybrand in reference to the requested subpoenas for Wendy's and Chase. She requested a copy of the offense report so that she could input dates, times, etc. She also needed the address for Wendy's. I sent her the first page (cover page) of the offense report and the address for Wendy's.

At approximately 1125 hours, I called Mary Muratore (904)874-3811, who had responded on a facebook post she was tagged in that was in reference to this case "Christina I saw this". She advised me she was telling her friend she had seen the post not the crime. A copy of the facebook response is scanned to this report.

At approximately 1144 hours, I contacted the St John's County Clerk of Courts Records Department and left a voice message for contact back.

At approximately 1151 hours, I sent a request to the National Association Insurance Commissioners in an attempt to locate a life insurance policy for the victim.

At approximately 1246 hours, I attempted to contact GJergj Shurtaj in an attempt to set up an interview with Detective Johns. The call went to voice mail and I left a message for contact back. At approximately 1944 hours, he called me back and advised he is currently in New York but will be back Monday or Tuesday. He said he will text or call me when he is back to set up a time to meet.

At approximately 1248 hours, I contacted Carolyn Zisser of Zisser Family Law she is the attorney that represented the victim in his divorce proceedings. I requested documents pertaining to the victim's divorce and subsequent court filings with his ex-wife. She advised she would get with her assistant to help with that but would not be able to do so until later in the day and recommended I contact the St John's County Clerk of Courts Family Courts division directly. I asked her if the victim's divorce was acrimonious and she said it was. She told me the victim was a good dad who loved his kids. I asked if she had any recollections of the victim and his divorce that might be of interest to this case and she said she would have to refresh her recollections.

At 1258 hours, I contacted the St John's County Clerk of Court Family Court Division and was subsequently transferred to Christopher Shilliday Director of Technology. I advised him what I was trying to accomplish and he advised the most expedient way to get access was to set up a registered user account. He assisted me with setting one up and also was having the files made readily available online but it would take a few hours due to it being a lengthy case.

At approximately at 1539 hours, I responded to Jiffy Lube located at 1672 3rd Street South to see

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 19
-----------------	--------------------------------------	--------------------------	--------------

what footage they have of 3rd Street South. The footage is of poor quality and it only showed a very small portion of 3rd Street, which would not show if the vehicle came south on 3rd Street or turned onto 3rd Street from 16th Avenue South. I then went to Clean Get Away and the best footage they will have is of the intersection of 16th Avenue South and 3rd Street South. They advised any footage they may have of the night in question will be available for a few weeks and the owner who was not present will be the only one who can make a copy of it. Due to a time constraint, I was unable to view all of the footage in the time frame at this time.

Additionally, contact was made with Kari Palotto in reference to the Neighbors website and set up an account. She advised me not only people with Ring cameras utilize the website/app but also people who have any type of camera system can and do join the website application.

There is no further information to add to this report at this time.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 20
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On 2/18/2022, at 0815 hours, I swabbed the tire found at the scene for possible DNA.

After I finished processing the tire, Sgt. Shackleford requested the make, model, and all numbers off the tire. I went back to the property room and checked the tire back out.

The tire is a-

BF Goodrich Advantage T/A Sport LT.

Size 265/60R18

DOT number- AP80 2T11

Other numbers on it were 06-60846-01 and WQA448.

The rim is a size 18X7.5JX44. On the inside of the rim there are other numbers, C#0618043, 80471, and X5X3.

I took pictures of the tire and rim. I copied pictures to a DVD and placed them into property.

Sgt. Shackleford provided me a print out in reference to the tire. I attached a copy to this report and submitted the printout to property.

On 2/19/2022, at 0945 hours, I returned to the property room garage in order to look around the victim's vehicle for possible tracking devices. I started with checking the wheel wells and the immediate under carriage. I opened the gas tank cover and then the hood. I found nothing. I crawled under the car and checked the frame and still found nothing.

Using the OSCAR360 tablet, I checked for blue-tooth and WIFI connections. I found nothing. I installed the Tracker Detect App and found nothing. I walked into the property room to check the vehicle's keys out from property for Detective Lamont. As I walked in I could hear something beeping. Property Officer K. Mobley handed me the keys, on the keys was an Apple Tracker and it was beeping.

I returned to the vehicle and scanned again to ensure the APP was working correctly. I connected to the Apple Tracker and was able to start beeping.

I locked the garage back up and returned to the station. I informed Sgt. Young and Detective Johns of my findings. Sgt. Young instructed me to give the keys to Detective Lamont.

At 1226 hours, I met with detective Lamont and Detective Currier at the property room garage. They requested access to the vehicle in order to check the blue-tooth connections on the vehicle. After they completed their investigation, I locked the garage door and left the area.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 21
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On 02/18/2022, at approximately 0900 hours, I conducted a neighborhood canvas of America Avenue and adjacent streets. All information gathered from the canvas was placed onto an excel word document, saved as a PDF and attached as evidence.

I'm waiting to hear back from a residence located at 3521 America Avenue, close to the scene which may have additional video evidence. I left several messages on the residence personal cell phone and office.

Name: Kelley Sleiman
Address: 3521 America Avenue
Cell Phone: 904-655-1445
Office: 904-731-8806

The listed residence has several hardwired security cameras in front of the residence facing America Avenue.

The neighborhood canvas was concluded at 1536 hours.

On 02/18/2022, at approximately 1600 hours, made contact Tarez Colvin, in reference to an information lead. Colvin stated she left Target (490 Marsh Landing Pkwy) on 02/17/2022, at 1926 hours, and noticed a white male and white female jogging on South Beach Parkway near Jacksonville Drive. Colvin stated she didn't see, nor did she hear anything suspicious/criminal during that time period. Colvin stated she just wanted to call in and report the information. The reported information was outside the time frame of the reported incident.

Information lead concluded at 1630 hours.

On 02/19/2022, at approximately 1000 hours, I conducted a follow-up neighborhood canvas of America Avenue and adjacent streets. All information gathered from the canvas was placed onto an Excel word document, saved as a PDF and attached as evidence.

Sgt. K. Shackelford made contact with Kelley Sleiman who advised she was out of town and would check her video surveillance system on 02/20/2022, and notify the Jacksonville Beach Police Department.

I was unable to locate any video evidence pertaining to vehicular travel of America Avenue and adjacent streets during the investigative time frame.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 21
-----------------	--------------------------------------	--------------------------	--------------

The neighborhood canvas was concluded at 1300 hours.

On 02/19/2022, at approximately 1715 hours, I made contact with Jacksonville Beach resident, Stephanie Pedrotty, (PX: 904-760-9396) who resides at 2743 America Avenue. Pedrotty has a Google security camera located [REDACTED] Security System [REDACTED] Pedrotty provided two video clips (1st clip - 02/16/2022: 1949hrs. - 1950hrs.) (2nd clip - 02/16/2022: 1950hrs - 1951hrs). The video clips were placed into the detective video evidence file as evidence and placed into property.

On 02/19/2022, at approximately 1730 hours, I made contact with Jacksonville Beach resident, Jaime Labitan, (PX: 904-610-8934) who resides at 2720 America Avenue. Labitan has two Wyze security cameras located [REDACTED] Security System [REDACTED] Both security cameras captured a light colored pick-up truck, dark colored pick-up truck, vehicle backing out of driveway across the street and a sports utility vehicle traveling south bound on America Avenue from the 2700 block. The cameras recorded the listed vehicle from 02/16/2022: 1950hrs - 1951hrs. The video clips were placed into the detective video evidence file as evidence and placed into property.

Evidence collection concluded at 1800 hours.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 22
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On Wednesday, February 16, 2022, at approximately 1959 hours, I responded to a report of gunshots in the area of Jacksonville Drive and Sanctuary Boulevard. At my arrival I located a vehicle stopped southbound on Sanctuary Boulevard, between Jacksonville Drive and Sanctuary Parkway. Sanctuary Boulevard is a two lane, curbed roadway which is divided (north and south) by a large swampy grass median. The victim vehicle (black Volkswagen) was stopped with the motor running and hazard lights flashing. The driver's side door was open (no other doors were open) and all four window were rolled up. Just outside the driver's side door was a male victim lying face down on the roadway. There was a significant amount of coagulated blood around the victim's head. The male appeared to be lifeless. I checked for a pulse on his carotid artery and couldn't feel one. I rolled the victim over onto his back to begin CPR. After a minute, or so, Officer Corey relieved me and continued CPR until Rescue arrived. Shortly thereafter, the victim was pronounced deceased.

Once the scene was secured and possible witnesses, on scene, were identified, I notified Det. Sgt. Young of the incident. Once he arrived, I transitioned from my patrol role to assisting the evidence technician unit with the scene. One of my tasks in my support role was assisting with videotaping the scene. I provided ET Langlois my camera to collect the video. Myself, and ET Jarman walked with scene to provide illumination, due to the dark conditions. I downloaded the video to a DVD and placed a copy into police property.

I remained on scene until it was released.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 23
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

Friday, February 18, 2021

At approximately 1030 hours, I attended a CPT interview with Detective Johns. The victim's daughter was interviewed due to being a possible witness. See Det. Johns supplement for the interview.

At approximately 1300 hours, contact was made with Gabriel Harriet at South Beach Regional shopping center. Gabriel was believed to be viewed on the surveillance video which was received from 3940 Grande Boulevard, the night of the incident. In the video Harriet was seen heading northbound on Grande Boulevard to Jacksonville Drive. Harriet then heads westbound on Jacksonville Drive and exits the area.

Harriet was asked if he was in the area and he could not give a coherent answer to this question. Harriet advised he was not in the area but his twin brother may have been. Harriet had issues staying on topic and his answers made no sense.

It should be noted, Harriet does not have a twin brother.

Interview

Matthew Eric Dahlberg (Witness)

2604 America Avenue

Jacksonville Beach, FL 32250

At approximately 1830 hours, the interview with Dahlberg was conducted in interview room #89 and was audio and visually recorded. Also present during the interview was Detective B. Conner.

Dahlberg was asked to describe an incident which may have occurred on 02/16/2022 between the victim and an unknown party. It was explained, this information was relayed through several different people. Dahlberg advised he was at Wingate Park from 1730 hours to 1930 hours. Dahlberg stated he did not see any altercation with the victim at the park at this time. Dahlberg also explained, he is not aware there was any altercation with the victim at all. Dahlberg advised he is not aware the victim was ever present at the park.

Dahlberg advised he left Wingate at 1949 hours and preceded home. Dahlberg advised he traveled the route which it is believed the victim traveled. Dahlberg advised while driving to his home he did not see anything suspicious. Dahlberg advised when he got home he immediately heard about the incident and checked his ring doorbell camera. Dahlberg stated he his camera operates on motion, but his camera did not activate. Dahlberg stated his camera did not even activate when he arrived into his driveway.

Dahlberg would go on to explain he does not know the victim, but he does know of his brother. Dahlberg stated the victim's brother, Justin Bridegan, works Stellar Construction and he works at Stellar Construction.

End of interview.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 23
-----------------	--------------------------------------	--------------------------	--------------

At approximately 1948 hours, Detective Sgt. Young and I met with Kirsten Bridegan at her residence. Bridegan was updated on the status of the case and asked several follow up questions.

Bridegan was asked what time she spoke with her husband ex-wife, on Thursday morning. Bridegan advised she sent a text message to Shannah Gardner on 02/17/2022, 0100 hours. Bridegan asked if she could be present when, Gardner informed the twins of their father's death. Gardner agreed and Bridegan met Gardner in the morning to inform the twins.

Bridegan was asked if she had any further information on her husband's firearms. Bridegan advised she has not seen her husband's gun, but he told her he had one. Bridegan would find her husband's firearm on 02/19/2022, at 1300 hours. While speaking with Bridegan, she showed her 9mm Ruger LC9s. Bridegan's ammunition consisted of Federal, Remington and Sig Sauer.

Bridegan was asked to further describe the route her husband would take after dropping off his children to his ex-wife. Bridegan advised her husband used to drive to Beach Boulevard and head westbound to San Pablo. Her husband would then take San Pablo to JTB. Bridegan stated a year ago, she got into an argument about this route being slower than her route. Bridegan advised she would travel south on 15th Street to Fairway, to America and finally Sanctuary to JTB. Bridegan reiterated this is the route her husband would take for the last year.

Prior to leaving the residence, Bridegan advised [Vic Abuse Sex Off] began talking about the night of the incident. [Vic Abuse] stated, "a guy drove fast and dad stopped the car." [Vic] also continued to talk about the "G" in the road way.

Bridegan provided an accurate timeline for her conversation with her husband the night of the incident.

- 1939 hours - Her brother called and the call lasted for eight minutes.
- 1946 hours - Jared called and was grouped into a three way conversation. Jared joked with his brother in law.
- 1947 hours - Bridegan's brother hung up, leaving her and Jared on the phone.
- 1950 hours - Bridegan ended the conversation with her husband because he was being quiet and unresponsive. Bridegan hung up the phone and Jared acknowledged.

NARRATIVE

On 2/18/2022 at approximately 1100 hours, U.S. Customs and Border Protection K9 Officer D. Witte #14566 and his K9 partner Buddy #16005, conducted an article (weapon) search near the crime scene. Officer Witte and Buddy searched area west of Sanctuary Blvd, from Jacksonville Drive, to the Sanctuary Pkwy/ J.T. Turner Butler Blvd on ramp. Officer Witte and his K9 searched approximately 10ft into the wood line, covering the area twice. Officer Witte and his K9 partner also searched the area along Sanctuary Pkwy, between Sanctuary Blvd and Grande Blvd. No weapon was located during this search.

-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On 2/19/2021, I conducted a follow up of this case.

At approximately 1030 hours, Det. J. Lamont #1280 and I completed an in person recorded interview with Valerie Currie. See Det. Lamont's supplemental report.

At 1109 hours, I contacted Tony Blanco (904-219-2701) of 4089 America Ave. Blanco stated he was on his way to Tampa, Florida for work and would be returning tonight at approximately 2300 hours. Blanco gave me consent to search the backyard of his property and advised we would be able to look through his Ring app when he returned home. I conducted a quick search of his backyard at approximately 1200 hours however; did not locate anything of evidentiary value.

I spoke to Mike Fechi of 2700 America Ave at approximately 1215 hours. Fechi showed me the Security System from Wednesday night. No motion detection occurred after 1600 hours on 2/16/22.

On 2/22/22, I followed up at the below listed addresses;

- 4021 Palm Way - Ann Freudenthal - 904-514-1668
 - Freudenthal stated her hard-wired video recordings are inaccessible due to a password protection which she does not know. Freudenthal stated her Security System has no activity during the evening of 2/16/22.
- 4058 Gulfstream Dr - No contact - left business card
- 4074 Gulfstream Dr - Bryan Robles - 703-501-2743
 - Robles stated he Security System Robles did not see or hear anything related to the incident.
- 4050 Gulfstream Dr - No contact - left business card
- 4045 Palm Way - No contact - left business card
- 4004 Grande Blvd - Whitney Jensen - 904-333-8915
 - Jensen stated she and her husband were home during the shooting however; did not hear or see anything. Jensen Security System
- 3517 America Ave - No contact - left business card
- 3525 America Ave - Steve Schmidt - 904-404-6456
 - Schmidt stated Security System during or before the incident. Schmidt stated the batteries were dead.
 - Schmidt further explained he drove by the area around 7:15pm but saw nothing out of the ordinary.

- 2704 America Ave - No contact - left business card
- 2702 America Ave - No contact - left business card
- 2700 America Ave - No contact - left business card
- 2508 America Ave - No contact - left business card
- 2506 America Ave - Pat Morgan - 904-334-9962
 - Because of the homes [REDACTED] Security System I pulled the Beaches electrical cut in's for the address
 - At 1407 hours, I called Patrick Morgan (904-334-9962) and left him a message to return my call. I also sent a text to Mr. Morgan
 - At 1644 hours, Morgan returned my phone call. He advised [REDACTED] Security System have no triggered events from 1930 to 2030 hours.
- 1510 Westwind Dr - No contact - left business card
- 1505 Westwind Drive - Manny Toledo - 904-403-6950
 - Toledo contacted me on 2/23/22 at 0820 hours and advised he [REDACTED] Security System [REDACTED] Security
- 1992 America Ave - No contact - left business card
- 1504 Evans Drive South - Elena Velazquez - 904-246-3009
 - Velazquez [REDACTED] Security System and did not see or hear anything related to the shooting.
- 1511 Evans Drive South - No contact - left business card

Administrative Secretary Minton provided me with copies of the Ring video obtained from T. Waterman (see supp 16). Copies of the one-minute shooting clip as well as all of his captures from 1800 to 2030 were made and submitted into property.

I followed up with Anthony Blanco of 4089 America Ave. Blanco showed me all events observed from his [REDACTED] Security System No events were triggered an hour before the shooting occurred. Blanco advised a few still photographs are taken every five minutes. After looking through a few stills between 1945 and 1800 hours, only very small headlights are seen heading southbound on America Ave.

NARRATIVE

Saturday, February 19, 2021

At approximately 1031 hours, Detective Cpl. Wallace advised Valerie Lynn Currie was at the station to be interviewed in reference to this case.

Interview

Valerie Lynn Currie (Witness)

1633 Marshside Drive

Jacksonville Beach, FL 32250

At approximately 1031 hours the interview with Currie was conducted in interview room #89 and was audio and visually recorded. Also present for the interview was Detective Cpl. Wallace.

Currie advised she left her house which is located in the Marshside area, at 1950 hours. Currie advised she was going to pick up her daughter near the St. Johns Town Center. Currie stated when she turned left onto the southbound lane of Sanctuary, there were two to four cars in front of her. Currie advised she saw the front car which was a black SUV and the emergency lights were on. Currie advised she saw a "whitish, grayish, silver SUV." Currie stated a slender white male with khaki shorts exited this vehicle and approached the driver side of the victim's vehicle. Currie would go on to explain the man pauses and looks into the vehicle and stops. The man proceeds to the passenger side of the vehicle and stops again. Currie felt this man was acting strange. Currie would explain this man had a baseball cap on his head.

Currie advised she saw a white four door vehicle in front of her. Currie explained a white woman exits the passenger side of the vehicle and appears to be confused about what was going on. At this point, Currie reverses the vehicle and exits the area via South Beach Parkway.

Currie would explain she knows of the victim and his friends with Shanna Gardner (Ex-wife). Currie advised she does know the victim's older brother but could not remember his name. Currie was told by friends Jared Bridegan was shot Wednesday night.

Currie explained she has heard stories about the victim's behavior from Shannah Gardner. Currie explained her husband was involved in an altercation with the victim at The Church of Jesus Christ of Latter-day Saints, located in Neptune Beach. Currie advised her husband is the Bishop at the church. Currie advised the victim was upset because Currie and her husband befriended Gardner. Currie's husband was forced to call the church legal services. Currie advised the victim has a "hot head." Currie advised the victim did not want Gardner invited to the church. Currie would not explain the specifics of the argument.

Currie advised Gardner described the victim as controlling and impatient. Currie described the divorce and custody as a contentious situation. Currie felt from what she has heard of the victim, she believed his death could have been called by road rage.

Currie would go on to describe Gardner's new husband Mario. She felt he was nice, but she could not see them becoming "best friends." Currie was not sure if Mario and the victim had any negative interactions.

While speaking about the custody arrangement and date night, she remembered additional

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 27
-----------------	--------------------------------------	--------------------------	--------------

details in reference to the altercation with her husband. Currie stated the children told Gardner the victim asked his children where she and her husband lived.

This concludes the interview.

At approximately 1100 hours, Officer Scarborough #1285 informed me Brandon Mendoza was in the lobby and he has information.

Upon speaking with Mendoza, he informed me he has video surveillance which captures the audio of the gun shots. While viewing the video, you can clearly hear several gun shots in the distance. Mondoza's house is located directly to the west of the incident.

Upon reviewing the video provided by Mendoza, I am unable to hear the gun shots in the video. I will contact Mendoza in order to get a good copy of the video. A copy of the video provided will be placed into property as evidence.

NARRATIVE

On 02/20/2022, at approximately 1200 hours, I met with Kelley Sleiman, who resides at 3521 America Avenue to retrieve video footage. Sleiman only had one security camera which captured America Avenue during the time of the incident. Sleiman's surveillance system is 10 minutes ahead of current time.

Video time frame

Clip 1: 07:27 PM - 08:25 PM

Clip 2: 08:25 PM - 08:32 PM

The video footage was placed into the case folder and also placed into property as evidence.

Between the listed time periods four vehicles were observed passing Sleiman's residence traveling south bound on America Avenue approaching the intersection of America Avenue and Jacksonville Drive. It was difficult to make out the make, model and color of the vehicles.

On 02/22/2022, at approximately 1300 hours, I picked up the deceased iPhone from JSO Computer Forensic Investigations Unit. The forensic unit provided a copy of the contents of the phone.

NARRATIVE

On 2/20/2022, at 1427 hours, I responded to 3925 Palm Way in reference to obtaining video evidence pertaining to this case.

Upon arrival, I met with Shane and Amy Santiago. Shane was able to download the video from his Security System onto a USB drive for me.

On the video you can hear four distinct gunshots.

After gathering their information, I returned to the station to make copies of the video. I placed one into the detectives box and the other I submitted into property.

Investigation continuing.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 30
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On Wednesday, 02/16/22, at approximately 2029 hours, I was contacted by Sgt. L. Smith #792, via phone. He requested I respond to assist in reference to this investigation. I arrived on scene at approximately 2048 hours. I made contact with Sgt. Smith upon my arrival. He provided me with details of the investigation. He asked if I would be able to deploy PSD Bear to conduct a possible track. Sgt. Smith had very minimal information to provide me. I advised him it would not be beneficial to deploy PSD Bear based on the lack of information, the area being heavily contaminated with foot traffic prior to my arrival, and the length of time between the incident and my arrival. I then left the scene and had no further involvement.

No further information.

NARRATIVE

On Friday, February 18, 2022, ASA Christina Stifler approved the Google Geofence search warrant for the incident location.

On Tuesday, February 22, 2022, A.T.F. Special Agent Mark Mutz completed the AT&T subpoena and T-Mobile subpoena for Shanna Gardner cell phone and Mario Fernandez Saldana cell phone. ASA Christina Stifler signed those subpoenas then Special Agent Mutz sent those subpoenas to the respective cell phone companies. I scanned those subpoenas into this report.

A check of the Vigilant PlateSearch system (L.P.R.) for the victim's vehicle which showed the victim's vehicle on the St. Johns L.P.R. system on 02/16/22 at 0918:01 hours heading westbound on Longleaf Pine Parkway/ St. Johns Parkway. At 1133:51 hours, the victim's vehicle heading southbound on Bartram Park/Racetrack Road. I scanned the St. Johns L.P.R. system information into this report.

I checked Mario Fernandez Saldana's registered vehicles, 2022 Toyota Tundra bearing Florida tag KPRE38 and 2018 Tesla bearing Florida tag KGAU68, on the L.P.R. database. The Toyota Tundra had St. John's L.P.R. hits on 02/13/22 then again on 02/18/22. The Tesla had St. Johns L.P.R. hit on 02/05/22 nothing after that date.

According to Jacksonville Sheriff's Office Analyst, George Oancea, the victim's vehicle last L.P.R. hit in Duval County was on 08/03/2020. The last L.P.R. hit for Fernandez Saldana's Toyota Tundra in Duval County was on 03/22/2021, and the last L.P.R. hit for his Tesla in Duval County was on 12/17/2021.

Judge Eric Robinson approved the Google Geofence search warrant today. I submitted the Google Geofence search warrant to Google; submission reference number 12214024. Also, the Google preservation letter was submitted; reference number 7-3401000032343. I scanned the Google Geofence search warrant into this report

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 32
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

Tuesday, February 22, 2022

On Monday February 21, 2022 at approximately 1648 hours, Carolyn Zisser, who was the attorney of record during the victim's divorce, called and left a message to see if I had gotten the information I needed (divorce and subsequent motions) from the St Johns Clerk of Court. She further said she had requested the victim's file from storage if it had went to storage. I contacted her on today's date at 0945 hours by telephone. She indicated she wants to cooperate with this investigation and is attempting to retrieve the victim's file if she still has it in storage. She did find an electronic online file and was able to go over the final divorce degree and there was nothing pertaining to life insurance by either parent in the divorce degree. She stated she would possibly need a signed release from the victim's current wife when and if she located the victim's complete file. I asked if she had a release form that she utilizes for such an occurrence and she advised she would have to talk to her partners.

At approximately 1000 hours, Kirsten Bridegan, responded to the station and while she was here I asked her if she was willing to sign a waiver for Carolyn Zisser and she agreed. She then indicated Brenda Drake another Family Law Attorney, is who they had most recently used and I asked if she was willing to sign a waiver for her and she also agreed.

At approximately 1157 hours, I called Brenda Drake and after I advised her what I was calling about she advised she advised me she has no information on it. She said the last thing she had done for the victim was draft a letter to his ex-wife's attorney in November (2021) in which he wanted a new therapist for the children. They received a response back in January of this year and they were not going to agree to a new therapist and the victim just advised her to drop it. She did say the victim had concerns that his ex-wife was building a case to attempt to gain full custody of the children as well concerns of them (ex-wife and new husband) coaching the kids. She also advised although the victim was paying child support that stopped when his ex-wife moved from St Johns County, where he had moved to so that he could be closer to the kids, and wanted the kids to go to the Discovery School. He did not want the kids to go to the Discovery School due to St Johns County being known for the better school system. The victim and his ex-wife came to an agreement where the children go to the Discovery School and his child support payments ceased.

There is no further information to add to this report at this time.

NARRATIVE

Tuesday, February 22, 2022

At approximately 1400 hours, Kirsten Bridegan responded back to the station so that we(GIU) could speak to her in depth regarding the victim. She advised the following:

- Jared's marriage to Shanna ended due to him getting her a personnel training package with a personal trainer known as Matt unknown last name (here in Florida) and then finding information that she was having an affair with the personal trainer.
- There was no physical abuse or police interaction that she is aware of in Jared and Shanna's marriage.
- Interactions with ex-wife's current husband Mario Fernandez have been multiple times (unknown exact) but less then 20. Interaction once at a court hearing reference kids schools. Also interactions at school events and doctor appointments.
- After the divorce Jared dated several people and ultimately became engaged to Emily Voehringer, who she believes he met in Utah.
- The relationship with Emily Voehringer was not a "healthy relationship" and he broke it off with her. She said it ended badly in that Emily's father "chewed him out" for breaking up with his daughter. She said they have not heard from Voehringer since she has been in a relationship with Jared.
- Kirsten met Jared in 2017 through a dating app called Mutual, which is for singles, who are members of the Church of Jesus Christ of Latter-day Saints. She additionally said he used to have a Bumble profile but is not sure of what other dating sites he may have been on back then.
- Jared currently works remotely from home for Microsoft as the manager of UX design and previously worked for Clean Simple Eats also remotely. Additionally, he worked for Webdot.com from May of 2016 to March of 2020 at an office near Gate Parkway.
- Jared workday at home normally consists of a 0900 to 1700 workday with some late night calls sometimes due to call with people from different countries.
- There were no local meetings for work and no known local co-workers instead the meetings were held on Microsoft Teams.
- Jared's boss is named Kevin Honeyman and his number is (701) 367-5731.
- Jared kept has his work appointments set up in his Outlook account and personal appoints is in a shared electronic calendar with wife she set up. There is also a separate shared electronic calendar set up with ex-wife (Shanna) in reference to the kids appointments.
- Jared's hobbies are working on projects around the house. He also likes to run everyday at the gym in their neighborhood of Beacon Lake Community, which she believes requires a key card to access. He usually goes from 1200 hours to 1400 hours. He also plays X-Box a couple of times a week and Kirstenn indicated he plays Halo. He does play online with other people and she will provide his X-Box account name.
- They have a membership to the YMCA (Nocatee) but have only been approximately three times as their daughter did not like the daycare. To her knowledge Jared has not been there for months.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 33
-----------------	--------------------------------------	--------------------------	--------------

- Jared has a chiropractic appointment every Tuesday at 0930 hours at Revolution Chiropractic at 14866 Old St Augustine Road Suite 103 Jacksonville, FL 32258 (904)348-0039. The entire family goes every other week.
 - Jared had a Facebook "Jared Bridgeman" and an instagram Jared_B2. Not active in posting but would peruse it. Recently reactivated as he deactivated to be more present in the moment with Kirsten.
 - Jared uses easily guessable passwords and has had the same email address since married to Shanna. Kirsten was able to get into his computer after three guesses at his password.
 - Jared and Kirsten did most of the shopping together.
 - Jared and Kirsten are members of The Church of Jesus Christ of Latter-day Saints located at 5490 County Road 210 St Augustine, 32092 (904). They attend most Sundays.
 - There are no routine appointments with kids except taking Abby to gymnastics on Wednesdays and Fridays she is staying with them at Florida Elite Gymnastics 175 Cumberland Park Dr, St. Augustine, FL 32095 (904) 679-3409. The time frame for gymnastics is 1530 hours to 1730 hours.
 - Jared does not regularly meet up with friends and has few friends.
 - Jared is closest to Kirsten and next closest is his brother Adam and Carlee (Adam's wife).
 - Last time Jared went to Top Golf a couple of weeks ago to meet friends Cody Hays, Nick Piel, and Brett Murray. Cody and Nick are friends from their previous congregation. Kirsten will provide their contact information to Detective LaMont.
-
- **Monday, February 14, 2022-** Jared took the kids to school (The Discovery School). He leaves usually at 0730 hours. Kirsten took London (infant) to appointment for vaccinations and was upset about the way was handled. Does not remember if they went on a bike ride after or any further details of the day.
 - **Tuesday, February 15, 2022-** Whole family went to chiropractic appointment in two separate cars. Jared took London and Kirsten drove with [Vic] in separate car due to getting her ready. Jared left appointment when done and went home to work. Kirsten took kids to Target on Southside Boulevard near the Avenues Mall. [Vic] facetimes Jared to ask permission to buy something she wanted. After Target, Kirsten took the kids home.
 - **Wednesday, February 16, 2022-** At 0930 hours Kirsten took [Vic Abuse] to music class (Mary Tide Music) at Durbin Clubhouse 145 South Durbin Parkway St Johns, 32259. Around 1100 hours, she took [Vic Abuse] to Walmart at Durbin. She bought [Vic Abuse] the shoes she was wearing later that night. She does not know if Jared went running at the gym that day but can check her Nest camera. Jared left with [Vic] at approximately 1755 hours to go to date night.
 - **Thursday, February 17, 2022-** After 1900 hours, Shanna contacted Kirsten and stated Abby wanted to facetime with Kirsten. Abby and Kirsten facetimes and twice in conversation Abby asked about Jared's Will.

There is no further information to add to this report at this time.

NARRATIVE

Tuesday, February 22, 2022

At approximately 0900 hours, I received an email from Brandon Mendoza in reference to his surveillance video from the night of the incident. Mendoza advised his video was time stamped incorrectly and he provided the wrong time frame. The video from the night of the incident has been copied over at this time. The video did not show the incident, however, you can hear the gun shots in the distance.

At approximately 1545 hours, the victim's older brother, Adam Bridegan, came to the station for an interview.

Interview

Adam Bridegan (Victim's Brother)

Marsys Law

At approximately 1545 hours, the interview with Adam Bridegan was conducted in interview room #89 and was audio and visually recorded. Also present during the interview was Detective C. Johns.

A. Bridegan began the interview describing his brother, Jared Bridegan. A. Bridegan described his brother as a creative person who kept a close group of friends. A. Bridegan described his brother as not a social person. He would go to describe his brother as someone who was not confrontational. He described his brother as someone who was extremely patient with his children.

A. Bridegan advised his brother graduated high school from Douglas Anderson and later attended Utah Valley University. A. Bridegan stated his brother left for Utah in 2012. A. Bridegan stated his brother met Shannah Gardner several years later while in Utah. Jared Bridegan was introduced to Gardner by A. Bridegan's wife. A. Bridegan would go onto explain how Gardner and J. Bridegan began dating.

A. Bridegan would go to explain his brother's marriage began very successful and Gardner's family loved him. Once J. Bridegan was married to Gardner, the couple began receiving money from Gardner's family. The money paid to members of the Gardner family was paid in reference to certain stipulations. The couple had to be married and actively seeking an education.

Once J. Bridegan's children were born, his child Liam had a heart condition. Due to the heart condition, Liam could not live at high elevations. Gardner did not want to leave Utah, but they eventually moved to Connecticut to be closed to his heart specialist. At this point in the marriage J. Bridegan began to become distant from the rest of Gardner's family. A. Bridegan stated due to his brother not really being social, it caused the Gardner family to not like his brother.

While in Connecticut, Gardner had issues with post-partum depression and had issues losing weight. J. Bridegan began gaining weight and the couple became distant. A. Bridegan stated Gardner began manipulating her parents and laying ground work for a divorce. A. Bridegan stated Gardner began

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 34
-----------------	--------------------------------------	--------------------------	--------------

talking to his wife about having an affair while married to his brother. A. Bridegan advised Gardner's behavior began to change and she withdrew from their friendship and the church. Gardner eventually had an affair with a personal trainer. J. Bridegan begged Gardner to keep the marriage together to keep from his children having divorced parents.

A. Bridegan would explain Gardner was attempting to manipulate her parents and spreading rumors about his emotional abuse directed towards her. According to A. Bridegan, Gardner did this to keep receiving money from her parents.

A. Bridegan would explain his brother was not one to talk on the phone. He would go on to explain he would talk to his brother weekly for work, but typically they would talk twice a month to check up on each other. The last time A. Bridegan spoke to his brother was on 02/13/2021. The two joked about him calling during the Super Bowl because his brother was not in to sports. A. Bridegan advised his brother did not mention any issues other than the dispute over his daughter's Baptism.

Recently A. Bridegan and his family planned a trip to Disney World in Orlando, FL. A. Bridegan had planned on coming to St. Johns County to visit his brother. Due to car issues he was unable to make this drive. J. Bridegan advised he was going to attempt to come to Orlando. A. Bridegan thought it was strange his brother was unable to make the trip. Kirsten Bridegan called and apologized because she was dealing with stress over a meeting at the church in St. Johns County which would involve Gardner and her husband.

End of Interview.

NARRATIVE

ET REPORT

On 2/16/2022, at 2013 hours, I responded to the intersection of Sanctuary Boulevard and Jacksonville Drive in reference to a person shot call as the Lead Evidence Technician.

Upon arrival, I met with Sgt. L. Smith who walked me through the scene.

The scene was in the south bound lane of the 4000 block of Sanctuary Boulevard. There are no street lights in the area and almost no ambient light from America Avenue and State Road 202 (J. Turner Butler Boulevard). There was a full moon that night that provided some light in the area. There was a black Volkswagen Atlas bearing Florida tag of **Marsys Law**. The emergency hazard lights were on with both driver door and driver passenger door open. There was a body covered with a white sheet and yellow plastic cover next to the east curb next to the vehicle. The body of the deceased was situated with his head facing north, feet facing south, right arm to the west, and the left arm was to the east. I observed four shell casings between him and the vehicle. I observed a pool of blood next to the body between him and the vehicle. There was a tire that was damaged in front of the vehicle. The tire did not appear to belong to the victim's vehicle.

Sgt. Smith showed me the inside of the vehicle. I looked through the open driver door and observed what appeared to be two bullet holes inside. The first one was in the plastic next to where the driver's right leg would be beneath the entertainment system.

The second bullet hole was in the front passenger side door right at the top of plastic beneath the window. The passenger window was shattered but remained in place.

Sgt. Smith showed me a damaged tire in front of the vehicle. The tire did not appear to belong to the deceased's vehicle. It was in the middle of the road.

Officer J. Langlois and Officer E. Filbert were present on scene and are Evidence Technicians. I instructed Officer Langlois to go to the station and get the Laser Mapping system and the OSC360 camera system so I could process the scene.

After the detectives, Sgt. Smith, and I finished walking the scene, I had all vehicles in the perimeter to leave as well as all personnel that would not be assisting in the crime scene investigation.

I began taking pictures at the east side of the north median. I moved down the northbound traffic lane taking pictures of the scene. Once at the south median, I came back north in the southbound lane taking pictures. I took pictures of the body as he laid. I took pictures of the shell casings without a evidence marker. I took pictures of the inside of the car looking inside from the open driver door.

I started to back away from the scene back towards where the first picture was taken.

I placed evidence markers next to all pertinent evidence. I re-took all my pictures from the midrange to up close.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 14
-----------------	--------------------------------------	--------------------------	--------------

At this point the detectives re-entered the scene with a female later identified as the Assistant State Attorney. I took pictures of the body and uncovered the deceased so she can see him. When I removed the sheet, I observed a small metal piece next to his right side. This metal piece was later identified as one of the bullets (projectile). I marked it with evidence marker nine.

I took full pictures of the deceased as he laid.

After they left, I finished taking my pictures of the scene.

I used the OCSR360 and placed it a short distance behind the vehicle in order to get a 360-degree view of the scene. I moved it to behind the driver rear passenger door and was able to get a 360-degree view of the scene. I moved it to the front of the vehicle and took another picture.

Officer Langlois marked the locations of the deceased's head, feet, and arms with chalk for usage in the laser mapping system.

The Medical Examiner arrived on scene and I assisted him in photograph the body. The M.E. felt his head but was unable to find an entry wound. The body retrieval team arrived and we rolled the body into his left side where I took pictures of his back. We did not observe any entry wounds on the back side. Property Officer J Choate collected evidence marker four and evidence marker nine. I marked their location with chalk for usage in the Laser Mapping System. We rolled the body onto his right side and we still did not find an entry wound. The M.E. with the help of Officer Filbert found an entry wound on his left shoulder. I photographed the shirt as it was and then we lifted the shirt to a point where I could take a picture of the entry wound. After finishing photographing the body was removed.

I next set up the Laser Mapping system and mapped the entire scene as it laid with the help of Officer Langlois.

Once the scene was mapped, Property Officer J. Choate collected all evidentiary items to be placed into property.

Sgt. Smith requested a shooting reconstruction be done to determine where the shooter might have been. Using rods and string we set it up. I took pictures of it as it laid out. It should be noted the bullet strike to the passenger side door was at an angle. I looked inside the hole and found the bullet struck metal and turned downward. The angle of the rod in the passenger door was off due to this and the fact it was the wrong size rod.

Property Officer Choate sealed the vehicle with evidence tape on all doors, hood, and trunk area.

Ray's Wrecker was contacted via rotation and collected the vehicle. Property Officer Choate followed him back to the property room where it was stored in a locked garage until officers could process the inside.

After the vehicle left, Officers on scene performed a line search for any evidence that we may have missed. We started at Jacksonville Drive walking south bound on Sanctuary Boulevard and walked to Sanctuary Parkway. We turned around and walked on the northbound side on Sanctuary Boulevard.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 14
-----------------	--------------------------------------	--------------------------	--------------

We found nothing evidentiary value.

I returned to the station to drop off equipment.

On 2/17/2022, at 1200 hours, I met with Property Officer Choate, Officer Filbert, and Officer Langlois at the property room (1460 Shetter Avenue) to process the victim's vehicle.

I took pictures of the seals on the doors. Property Officer Choate, Officer Filbert, and Officer Langlois dusted the vehicle for prints while I took pictures of the vehicle. After the processing the outside, I went inside and opened the glove box. It was hard to open and I thought it might be locked but after pulling on it harder, it opened and a metal piece fell out. The metal piece was identified as a bullet (projectile). I marked it with evidence marker ten. I took pictures of it in place and of the damage on the side of the glove box.

I marked both bullet holes with scales and took pictures of them.

Officers completely removed all contents of the vehicle and placed them on a tarp next to the vehicle. I found multiple sets of keys and a pair of Air-pods inside. Those items were photographed.

Blood spots were marked with individual markers and were photographed. Scales were used to measure the distance for the spots. I photographed the measurements.

We set up the shooting reconstruction with rods and string. I photographed the measurements and it appeared to be at roughly ten-degree angle. I placed the OSC360 inside the vehicle, both rear passenger area and front area. I photographed a 360-degree picture of the scene.

I removed the plastic beneath the entertainment system to find a path for the first bullet. There was damage behind the piece. I photographed the damage.

Next, we moved to the passenger door in an attempt to locate the bullet inside the door. We removed the plastic door covering on the inside of the door to get a better view beneath it. The door appeared to be solid with a hollow section in the middle for the glass to come down. We removed the glass completely from the frame. We attempted to look down through a small opening towards the bottom of the door but found the hole was too small to get a good view and the hollow space was barely big enough for an arm to fit through. I attempted to fit my arm inside and could only search a very small area to find the bullet. Next, we removed the plastic liner from beneath the door but found the door did not have a drainage hole and appeared to be solid along the bottom. We attempted to remove the speaker to get access that way but was unable to due to it being in its own small space.

The decision was made by me to use power tools to open up the door more to get access. We first tried to cut a small section out on the inside. I reached my hand down inside and tried to remove the glass but my arm and hand was stuck by a metal cross member. We cut along the bottom on the outside and was able to remove all the glass inside. As we moved the door back and forth to shake the glass up and towards the openings, the bullet came forward from a section of the cross member. The bullet was photographed in place, then removed from the door. It was placed on the ground and marked with evidence marker thirteen. The bullet was of a different make then the other two located.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 14
-----------------	--------------------------------------	--------------------------	--------------

We cleaned up and placed all items removed back into the vehicle.

I made a copy of all pictures from the scene and vehicle. I placed a copy into property and provided two copies to Sgt. D. Young and Detective C. Johns. I completed a photo log which I attached to this report.

On 2/18/2022, at 0815 hours, I went to the property room and swabbed the tire found at the scene. I took pictures of the tire as it was and swabbed the clean areas for the presence of DNA. I submitted the control and four swabs into property. I submitted a copy of the pictures of the tire to property and provided a copy to Detective Johns.

Investigation continuing.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 20
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On 2/18/2022, at 0815 hours, I swabbed the tire found at the scene for possible DNA.

After I finished processing the tire, Sgt. Shackleford requested the make, model, and all numbers off the tire. I went back to the property room and checked the tire back out.

The tire is a-

BF Goodrich Advantage T/A Sport LT.
Size 265/60R18
DOT number- AP80 2T11

Other numbers on it were 06-60846-01 and WQA448.

The rim is a size 18X7.5JX44. On the inside of the rim there are other numbers, C#0618043, 80471, and X5X3.

I took pictures of the tire and rim. I copied pictures to a DVD and placed them into property.

Sgt. Shackleford provided me a print out in reference to the tire. I attached a copy to this report and submitted the printout to property.

On 2/19/2022, at 0945 hours, I returned to the property room garage in order to look around the victim's vehicle for possible tracking devices. I started with checking the wheel wells and the immediate under carriage. I opened the gas tank cover and then the hood. I found nothing. I crawled under the car and checked the frame and still found nothing.

Using the OSC360 tablet, I checked for blue-tooth and WIFI connections. I found nothing. I installed the Tracker Detect App and found nothing. I walked into the property room to check the vehicle's keys out from property for Detective Lamont. As I walked in I could hear something beeping. Property Officer K. Mobley handed me the keys, on the keys was an Apple Tracker and it was beeping.

I returned to the vehicle and scanned again to ensure the APP was working correctly. I connected to the Apple Tracker and was able to start beeping.

I locked the garage back up and returned to the station. I informed Sgt. Young and Detective Johns of my findings. Sgt. Young instructed me to give the keys to Detective Lamont.

At 1226 hours, I met with detective Lamont and Detective Currier at the property room garage. They requested access to the vehicle in order to check the blue-tooth connections on the vehicle. After they completed their investigation, I locked the garage door and left the area.

-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On 2/20/2022, at 1427 hours, I responded to 3925 Palm Way in reference to obtaining video evidence pertaining to this case.

Upon arrival, I met with Shane and Amy Santiago. Shane was able to download the video from his Security System onto a USB drive for me.

On the video you can hear four distinct gunshots.

After gathering their information, I returned to the station to make copies of the video. I placed one into the detectives box and the other I submitted into property.

Investigation continuing.

NARRATIVE

Wednesday, February 23, 2022

At 1015 hours, I served two subpoenas to Navy Federal Credit Union (961 Atlantic Blvd., Atlantic Beach, FL 32233.) They were left with Gretchen Bartless-Acosta, the Asst. Branch Manager.

I emailed Denice Powers, Beacon Lakes Amenity Manager (beaconmanager@rmsnf.com) requesting video from the gym camera. I requested the last week between 12pm to 2pm. She stated the request has been forwarded to their attorney for review.

At 1049 hours, I received an email from Mel Southwell, Employee Claim Specialist (msouthwell@mhgi.net) with video and a receipt. The receipt shows the victim purchased two Junior Frosty's at 1937 hours. The video shows the victim's SUV in the drive-thru with no audio. Noting else remarkable. A copy of the video will be placed into property. A copy of the receipt will be attached to this report.

At 1730 hours, I responded to 2705 America Ave. with Det. B Burrell #9902 to collect video footage from a Nest camera. The video shows a dark Ford truck driving by the home at 1840 hours on Wednesday, February 16, 2022. This appears to be the same or similar vehicle seen on several other camera coming down the road just prior to the shooting. A copy of the video will be placed into property as evidence.

NARRATIVE

Thursday, February 24, 2022

Allison Preslar- Lead Sheet- heard shots, saw truck leaving.

At 1007 hours, I called Allison Preslar as she had previously Protected She stated on the night of the homicide between 1955 hours and 2000 hours she and her boyfriend Joseph Magish were walking the dog. They walked the dog from his residence on Sanctuary North to the north-east corner of Jacksonville Drive at America when she said she heard four shots. She said she did not hear any screaming or arguing just the four shots. She said there was no pause between the shots. She and her Joseph then began to walk back to his house. When they got to the center of Sanctuary Boulevard she saw a blue older model truck, which had been going south towards JTB do a three-point turn and drive out the south bound lane. She said the truck was going real slow and she knows it was a man driving but could provide no details such as race, etc. She said the truck had a wide silver trim around it like on a two tone truck but was unable to say if it was a two tone. She only was able to say it was blue on the top and she said she noticed large black full trash bags in the bed of the truck up near the driver. She further said she believed it was a two door with a long bed. When asked if she saw anything else, she advised there was a dark car and a tan or gold car behind it stopped on Sanctuary Blvd south bound which would have been in front of (south) of the truck she saw. She did not see people or activity and said it looked like they were just stopped there. She said it was dark and she could not really see and said there was no flashing lights or anything. She provided me with Joseph's number and at 1040 hours I attempted to call him but had to leave a voice mail for contact back. At approximately 1219 hours, I again attempted to call Joseph Magish again and left a second voice mail for contact back.

Allison also stated that last night February 24, 2022 she and her boyfriend went to his home after dinner at approximately 1930 hours and she saw a gold or tan sedan parked in the south bound lane of Sanctuary Boulevard on the side of the road. When she left at 2300 hours the vehicle was still there.

Rebecca Iannello- Lead Sheet- saw car and vehicle backing up possibly truck.

At 1142 hours, I called Rebecca Iannello. She advised she had went into the Sanctuary at approximately 1945 hours and went and picked up some things, without turning off her silver Toyota Forerunner, then left. As she was approaching the intersection of Jacksonville Drive and Sanctuary Boulevard she saw a vehicle with its flashers on midway between JTB and the intersection. She also she saw a vehicle reversing from the south bound lane of Sanctuary Boulevard and she knew the vehicle was a suv or a truck due to the height of the reverse lights. She turned east on Jacksonville Drive and did not see where the vehicle went. She later asked her twelve year old who was in the front passenger seat if he remembered what kind of vehicle he saw backing up and he said it was a Ford truck. She asked how he knew it was a Ford truck and he said it had a 4X4 on the back of it. He thought 4X4 meant it was a Ford. She asked him if he was sure it was a truck like daddy has and not an suv like she has and he told her he was sure it was a truck. She asked him what color it was and he said black. She asked him if he was sure it could not have been dark blue and he told her it was black. She did not see any other vehicles there except the vehicle with it's

flashers and the vehicle that was backing up.

I scanned both Lead Information sheets to this report. There is no further information to add to this report.

NARRATIVE

On 02/24/2020, at approximately 1400 hours, I conducted a canvas of several businesses in the area.

- Marshalls Dress for Less (1980 3rd Street South) - There was no video footage obtained, due to limited view.
- OrangeTheory (3994 3rd Street South) - Video footage was obtained, but I was unable to receive anything of evidentiary value. The video clips were placed into the detective video evidence file as evidence and placed into property. Video time frame 02/16/2022 : 1730-1800 hrs.
- UPS Store (3948 3rd Street South) - Video footage was obtained, but I was unable to receive anything of evidentiary value. The video clips were placed into the detective video evidence file as evidence and placed into property. Video time frame 02/16/2022 : 1730-1800 hrs.
- Ocean Cay (3495 Ocean Cay Cir) - Video footage was obtained, but I was unable to receive anything of evidentiary value. The video clips were placed into the detective video evidence file as evidence and placed into property. Video time frame 02/16/2022 : 1758-2022 hrs.

There is no additional canvas at this time.

NARRATIVE

Thursday, February 24, 2022

At 1511 hours, contact was made with Christina White. She advised she works at Mayo Clinic and on the night of the homicide she got out of work at 1950 hours. While driving home east bound on JTB she observed a white or light colored car with it's flashers stopped on the west bound side of the bridge. She said the vehicle was about 3/4 of the way up the bridge where the bridge starts to rise. She was unable to provide any further information as she saw it while driving in the opposite direction. She did say it was a car and not a truck or suv. The lead sheet is scanned to this report.

There is no further information to add to this report.

NARRATIVE

Thursday, February 24, 2022

At approximately 1629 hours, I contacted David Davis (904) 982-7065 in reference to a lead sheet, which is scanned to this report. He said his son Nicholas Davis had called him at 1948 hours and he had driven by the scene. He provided me with Nicholas' number and I called him. Nicholas said he was driving home to the Sanctuary and drove north on Sanctuary Boulevard. He said he was already on the phone with his dad and had been for approximately five minutes. He was driving his white Dodge Ram. He said he saw multiple vehicles with flashers on. He said he saw a black Volkswagen Suv with the door open, a man on the ground, and a tire in front of it to the left of the vehicle. He estimated there was four other vehicles not including the black Volkswagen suv of which one was white and he also saw a silver or white Toyota Tundra. The Tundra was parked in the grass facing the same direction as the other vehicles (south) parked near the stop sign for Lake Sanctuary. He said there was a group of people out of their vehicles and he estimated about four people but could not provide further details because it was dark. Nicholas said a man walked up to the man on the ground. He slowed his truck and rolled down the window to ask if everything was alright. The man asked if he was a Doctor and he replied no and asked if the man if he called 911. A lady responded yes they are on the way. He said another vehicle pulled in behind him and he then drove to the entrance of Lake Sanctuary. He said this all took place about a minute prior to police arrival. He believes all of the vehicles to include the Toyota Tundra were cordoned into the area with police barricade tape. He stayed in the area for a little while and then left because he did not believe he had any information to provide. I advised him other detectives would probably be contacting him back.

At approximately 1747 hours, I attempted to contact him back to see if he could come in tomorrow to be interviewed. It went to voice mail and I left a message requesting contact back to try and set up an interview. At 1845 hours, I again tried to contact Nicholas and left another voice mail.

There is no further information to add to this report.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 40
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On Thursday, February 24, 2022, A.T.F. Special Agent Mark Mutz obtained a signature from Judge Bruce Anderson Jr. for the cell phone tower dump search warrant for the incident location. Special Agent Mutz submitted the search warrant to the various cell phone companies; AT&T, Verizon, T-Mobile, Sprint, and Metro PCS. Lastly, I scanned the search warrant into this report.

On Friday, February 25, 2022, I received the Google Geofence information for the scene; Google reference number 12214024. I provided the information to A.T.F. Special Agent Mark Mutz so their analyst could interpret the information.

On Monday, February 28, 2022, I went to the property department so I could check out swabs collected from the rim/tire left on scene.

Item 11- swab from rim #1

Item 12- swab from rim #2

Item 48- Control swab

Item 49- DNA swab from tire's valve stem

Item 52- DNA swab from inside of rim

Officer Ashley Hawkins obtained elimination buccal swabs from Officer Jarman's right check and left check. I placed those buccal swabs into property then those buccal swabs were provided to A.T.F. Special Agent Mutz as elimination swabs for items 48, 49, and 52. Lastly, A.T.F. Special Agent Mark Mutz will submit all those items to their lab for processing.

I went to the Duval County Medical Examiner's Office to retrieve the victim's property and evidence from them which they collected during the autopsy. I placed those items into property.

On Tuesday, March 01, 2022, I was contacted by Special Agency Mutz about the Google Geofence information (1st Google Geofence search warrant). He informed me there are three device ID's which I should to get subscriber information in order to identify the owners of those devices.

I completed two additional Google Geofence search warrants; one search warrant for twenty (20) minutes prior to the homicide, and the second search warrant for 02/16/22 between 1840 hours through 1850 hours. ASA Christina Stifler approved those search warrants. Judge Julie Taylor signed both of the search warrants then I sent those search warrants to Google via their law enforcement portal. Google reference number 12503852 for the twenty minutes prior search warrant, and Google reference number 12506463 for the other search warrant. I scanned both of the search warrants into this report.

On Wednesday, March 02, 2022, I completed a 4th Google Geofence search warrant for the Pablo Hamlet area of Jacksonville Beach for 02/16/22 from 1845 hours through 1930 hours. ASA Christina Stifler approved the search warrant then Judge Eric Roberson signed the search warrant. I

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 40
-----------------	--------------------------------------	--------------------------	--------------

submitted the search warrant to Google via their law enforcement portal; Google reference number 12588793. I scanned the search warrant into this report.

On Thursday, March 03, 2022, I received the Google Geofence information from the Google Geofence search warrant for 20 minutes prior to the incident; Google reference number 12503852. I provided the information to A.T.F. Special Agent Mark Mutz so his analyst could process the information. I scanned Google return information into this report.

Also, I received the AT&T subpoena from ASA Christina Stifler for John Biggerstaff's toll records from his cell phone. I submitted the subpoena to AT&T.

ASA Christina Stifler approved the secondary search warrant for Google to provide those three device ID's subscriber information for the scene search warrant. Judge Eric Roberson approved the search warrant then I submitted the search warrant to Google via their law enforcement portal, Google reference number 12214024.

Later on this date, I received the Google subscriber information for those three requested Device ID's.

Phone: (904) 614-9511

On Friday, March 04, 2022, I submitted a Google preservation letter to Google via the law enforcement portal for John Biggerstaff's information, Google reference number 12821671. Also, I submitted a Google preservation letter to Google via the law enforcement portal for the Cradle Creek area, Jacksonville Beach, in order to possibly submit a search warrant for a Google Geofence of the area, Google reference number 12819174.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 41
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

Thursday, February 24, 2022

At approximately 0820 hours, Gjergj Shkurtaj arrived at the Jacksonville Beach Police Department to conduct an interview. Shkurtaj was on scene when officers arrived the night of the incident.

Interview

Gjergj Shkurtaj (Witness)

1853 Royal Fern Lane

Jacksonville Beach, FL 32250

At approximately 0820 hours, the interview with Shkurtaj was conducted in interview room #89 and was audio and visually recorded. Also present during the interview was Detective B. Burrell.

Shkurtaj advised he was late arriving home when he was driving north on Sanctuary Boulevard. As he was driving in the opposite lane, he noticed a man laying in the road. He saw a male and female who had a kid in their hands. Shkurtaj asked the couple what happened and he was told a man had gotten shot. He asked [REDACTED] Protected Shkurtaj advised he pulled his truck into the south bound line and attempted to help. As he returned to his truck, police arrived on scene and he was blocked in. Shkurtaj stated he needed to keep home because he had a trip to New York the next day.

Shkurtaj stated he did not see anything suspicious as he approached the scene. Shkurtaj advised he did not expect to see this happen in this area. He continued to explain once he arrived and could not help any further, he tried to leave. Shkurtaj advised he did not see any suspicious cars or people in the area. Shkurtaj advised he has not seen anything out of the ordinary the past couple of weeks in the area.

End of interview.

NARRATIVE

On Monday, February 28, 2022 at 1011 hours, I received a phone call from (904-613-8799) and spoke to Scott Louis of Bates Security. He was returning a phone call from me on last Friday, inquiring about having access to video at Pablo Hamlet, which is located at 1600 Shetter Avenue. He said Charlene was the manager and to follow up with her.

At 1017 hours, I received a phone call from (904) 241-5207 and spoke to a women who identified herself as Charlene, the manager of Pablo Hamlet. She said the housing complex, which is presently under construction, only had a single working camera, which is positioned towards the only

Security System

At 1023 hours, Det. Cpl. B. Wallace, 787, and I went to Pablo Hamlet and met with Manager Charlene Alexandra Mayo, who accessed the housing complex's only working exterior camera. The camera's date stamp was correct to today's date but was approximately 17 minutes fast to actual time.

When reviewing the camera's footage for February 16, 2022, the camera system recorded at 1910 hours a truck drive down Shetter Avenue, towards Pablo Hamlet's entrance/exit, backing into the west end of Shetter Avenue (just outside the entrance/exit of Pablo Hamlet), and turn off its headlights. The camera system, again according to the date and time stamp on the video, records at 1929 hours, the truck turn on its headlights and slowly drive eastbound on Shetter Avenue and out of camera sight.

Det. Cpl. Wallace contacted Richardo Pizzaro of the City's Information Technology department to extract the video onto a USB drive.

Upon returning to the police department, I placed the USB drive containing the Pablo Hamlet video into the property section as evidence.

Later the same afternoon, Det. Sgt. C. D. Young, 795, asked me to call David Coffman in reference to a possible lead. At 1138 hours, I called (904) 635-3104 and spoke to a male who identified himself as David Coffman.

Coffman said he had heard, from an unremembered source, that the victim in this incident was having sexual relations with a married female who lived somewhere off Lake Sanctuary. Coffman could not give any more information.

At 1507 hours, I received a phone call from US Postal Inspector Richard Batchelder (904-858-7114). Batchelder said the post office, 1348 Beach Boulevard, did not have any video of the nearby roadways.

Wednesday, March 2, 2022

On Wednesday, March 2, 2022, I received an email, with attached video links, from Margaret

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 44
-----------------	--------------------------------------	--------------------------	--------------

Trimble, Circle K's Loss Prevention and Safety Manager, regarding my request February 16, 2022 between 1930 to 2015 hours. I reviewed the video but did not see a blue older model Ford F150 that matched the description of a previously identified vehicle of interest. I had the video copied onto a disc, which I placed into the property room as evidence.

Also, due to the Builder's Choice, 1202 Beach Boulevard, and Pablo Hamlet, 1600 Shetter Avenue, videos being placed into property on USB drives, I had the videos copied and placed onto a DVD, which I then placed into the property room as evidence.

Friday, March 4, 2022

On Friday, March 4, 2022, I received an email from Melissa Keating of ALSOP Property Management (relating to The Sanctuary at Jacksonville Beach subdivision) in reference to the Security System of the property. Keating could be reached at (904) 647-2619.

I contacted Ricardo Pizzaro to download the video and player. I reviewed the video and had it copied onto a DVD, which I placed into the property room as evidence.

NARRATIVE

Monday, February 28, 2022

Receive subpoena return from Navy federal for Shanna Gardner and Mario E. Fernandez Saldana.

Received evidence and photos from District IV Medical Examiner. Detective S. Currier #9952 picked up the items and placed them into property. I placed the disc with photos into property.

Tuesday, March 01, 2022

At 0830 hours, Shanna Gardner and Mario E. Fernandez Saldana came into police headquarters to be interviewed.

Interview Shanna Lee Gardner 1511 Marsh Inlet Drive Jacksonville Beach, FL 32250

At approximately 0833 hours, the interview with Shanna L. Gardner was conducted in the soft room. The interview was video and audio recorded. Det. J. Lamont #9980 was also present. I explained to Mrs. Gardner we were looking for information relevant to Jared. She stated she met Jared through his brother's wife. She stated Jared and her were both single, so Jared flew out to Utah to take her on a date. She stated the initial date did not go well, but he kept pursuing her. Gardner stated she became desperate so she decided to try to make it work. She stated they were married after two months. She stated looking back she wonders if Jared did not have ulterior motives, knowing she came from money. Gardner stated they had kids, which was a huge strain due to her sons' illness. They moved from Utah to Connecticut due to Liam having a medical condition that required them to be close to his specialist. Once Liam was stable, they moved to Jacksonville, where Jared's family was from, so they could have help with the kids. Less than a year after moving to Jacksonville, they got divorced and Shanna left the (Mormon) Church. Shanna stated Jared "drained" their accounts. She stated the divorce was traumatic since Jared refused to move out of their house.

Gardner stated the home was purchased with money from her trust, but once the funds were removed from her trust, the property became a joint asset. She stated Jared wanted his half of the proceeds from selling the house. She stated in March 2015, Jared started getting paranoid and everything had to be written down. He would not communicate verbally with Gardner. Once the divorce was finalized, Jared did not want to be in the same room as Shanna. They had separate parent-teacher conferences, and they would conduct doctor's appointments via phone. However, Gardner stated she would "just show up" since she did not care.

During their marriage, she stated Jared was a hermit and only wanted to hang out with her or play with his "toys." During family vacations, he was happier sitting in the hotel room versus spending time with her family. Gardner stated Jared was never physically or verbally abusive, even stating she could count on one hand how many times Jared "yelled" at her, but he would have a "rude undertone," especially in text messages and e-mails. She stated he knew how to be charming when

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 45
-----------------	--------------------------------------	--------------------------	--------------

he needed to, but it was not his natural personality. She stated he could be "very bi-polar." She stated Jared's family friend, who was a therapist, would often tell him about "deficits" in his personality, and asked Shanna if Jared would be interested in seeing a therapist. Shanna stated Jared changed through their divorce since emotions were heightened.

When they were living in Utah, and then Connecticut, Jared would not let her have friends, and would be suggestive about how she should appear and dress. She stated they finally went to therapy, but it was too late. She stated Jared would state during therapy that he did not have a problem, and she was the one that needed to change. She started to vent to people at the YMCA, and started to realize that the relationship was not "normal." Shanna stated she met a trainer at the gym and became emotionally involved with him. This made her realize she had deeper feelings for the trainer than she did for her husband. She stated, "that was the beginning of the end." Jared assumed she had an affair, which he started to tell others, including their church members. She stated Jared started to bash her publicly.

Gardner stated when they first separated, Jared did not know how to care for the kids, as far as using the restroom and feeding them. She stated this caused issues with the kids, but she got them into therapy (with Dr. Mercedes McGowan.) She stated Jared was against the kids seeing a therapist.

Gardner stated "date night" was every other week, originally from 1745-1945, but switched to 1830-1945, around December 2021, since Abby has gymnastics. She stated that Jared wanted to cancel date night, but the kids did not, so they just adjusted the time. The time was always the same, and they typically kept them the entire time. I asked if they shared plans with each other, but she stated they do not. However, they will typically ask the kids what they did when they return. Gardner stated they were both home when the kids were dropped off. However, she did run to Wal-Mart while the kids were gone. The typical routine was Jared would text when he arrived and the kids would go out and get in the car. At the end of date night, he would let the kids get out of the car, and they would go in through the garage. She stated she was at the stove, with headphones on, cooking her dinner. She had just returned from Wal-Mart. Mario had a really bad headache, and he was asleep. She stated Abby likes to wait outside for Jared to turn around in the cul-de-sac and come to the stop sign, so they can wave goodbye. She stated they were dropped off, according to Abby, at 1948 hours. She stated Abby was very adamant about the time.

She was asked if the kids mentioned anything out of the ordinary about the evening. She stated, no. The only thing that was mentioned was he was on a work phone call when they first arrived at the restaurant and had to eat quickly to get home in time.

She stated some contention has come up since the kids can not come to the funeral, since his family did not want her (Shanna) at the service. She stated the kids are handling "this" better than expected, but are still in shock. She stated since the households are "so divided" they are not being triggered. She stated Liam got upset when it was time for him to see Jared, and Abby has spoken more about missing her sisters. I asked Gardner if she would be open to the twins talking about a child psychologist (CPT interview) about the incident. She stated she would need to ask their therapist and would get back to me. (It should be noted, she agreed to the interview, which is scheduled for Friday, March 4th at 1300 hours.)

Gardner was asked if Mario and she were married. She stated they were married on Friday the 13th,

2018 in Jacksonville. Nobody originally knew they got married. She stated they did not know each other, very well, when they were married. She stated Mario wanted to help her with the kids, but the only way Jared would allow that is if they were married. She stated Mario and she had just started to date, and they traveled to Utah to see her parents, and her mother suggested they get married. Gardner stated she knew they would not be a typical marriage, but for the convenience and built into a relationship. They wanted what was best for the kids. She was asked if Mario and Jared have ever been around Jared. She stated Mario had only met Jared once, in court. She stated Mario attempted to introduce himself to Jared, and he would not shake Mario's hand. She stated there was a time when Mario went to pick up kids for date night, and he purposely went up and knocked on the door of Jared's house, knowing this would upset Jared. She stated she avoided confrontation, but Mario did not.

Gardner apologized for being "long-winded" and stated she was told to only give "yes-no answers." She stated most of the communication started to come from Kirsten, but Jared did not like it when Mario would communicate about the kids.

Gardner mentioned that Jared was engaged to someone else prior to Kirsten, living in Utah. Jared had a good job, making good money. She then took him to court asking for child support, since she was struggling to pay the bills, and she was working three jobs. She stated Jared threatened to quit his job and move back to Jacksonville to not pay child support, which he did. She stated that Jared's fiancée came with him, not realizing what she was getting into. However, she quickly moved away. Gardner stated that Jared's fiancée texted her, frantic, stating there had been a fight and the police were called. She offered to his fiancée to come to her house she wasn't just driving around upset. Gardner stated, "she was just broken, spiritually." Gardner stated she stayed with her for two days and moved back to Colorado. Gardner also mentioned that Jared wanted his fiancée to be referred to as "mom" and that Gardner was not their "heavenly mother" but only their biological mother. She stated after Jared's fiancée left him, he met Kirsten approximately two months later, they got married and the same conversation came up about who to call "mom."

Gardner was asked if she knew the name of Jared's ex-fiancée. She provided the name of Emily Voehringer and a phone number of (303) 551-2812. She also stated, "good luck with Mario. He is like a pit bull." She stated he is going to be super-serious.

Gardner mentioned that the "timing of all this is weird" because she had just decided to "let go" of the frustration and to just make the best of the situation. She stated in moments of anger she has thought how much easier "this would be" but ultimately, she wished no ill-will on them (Jared and Kirsten.) Gardner stated she is willing to do whatever she can to help because nobody should have to go thru this. She offered to give us text messages between her and Jared, but her attorney recommended we request those through them.

NARRATIVE

On 03/02/2022, at approximately 0800 hours, I went to the Jacksonville Sheriff's Office Property Facility (829 Haines Street) to look at a gun and ammunition which was stolen/recovered out of Jacksonville on 02/28/2022.

JSO case # 2022-0121437

The firearm was a Glock 20 10mm (SN: BSPV397) and the ammunition was SIG 10 mm Auto (11 ct.) and USA 10mm Auto (9 ct.). Photographs were taken of the ammunition and were attached to the report as evidence.

Evidence review was concluded at 1100 hours.

Research was conducted on several Gun Stores in Jacksonville to see if they carried PPU or Underwood Ammunition. A list was comprised on excel and attached to the report as evidence. None of the guns stores carried the listed ammunition.

Research was concluded at 1245 hours.

NARRATIVE

Tuesday, March 01, 2022

At approximately 0830 hours, Shannah Lee Gardner and Mario Enrique Fernandez Saldana arrived at the Jacksonville Beach Police Department to conduct interviews. Gardner conducted her interview first and Fernandez Saldana followed second.

See Detective C. Johns supplement for Gardner's interview.

Interview

Mario Enrique Fernandez Saldana

1511 Marsh Inlet Court

Jacksonville Beach, FL 32250

At approximately 0952 hours, the interview was conducted in interview room #89 and was audio and visually recorded. Also present during the interview was Detective C. Johns.

Fernandez Saldana began describing how he met Gardner while he was working at Black Hive CrossFit gym in Jacksonville Beach, FL. Fernandez Saldana was introduced to Gardner's children at this time. The situation between him and Gardner was described as unique because of the dynamic with Bridegan. Fernandez Saldana explained they "sealed the deal" very quickly. This was done because Fernandez Saldana would not be able to have a role with the children until they were married.

Fernandez Saldana stated he made an attempt to speak to Bridegan once he was married to Gardner. Fernandez Saldana advised Bridegan did not respond to this request. The conversations had between the two families, were usually conducted by text message and email. Fernandez Saldana described the conversations between Bridegan as pestering.

Fernandez Saldana would go on to describe a specific situation while picking the children up from Bridegan. Fernandez Saldana walk up to Bridegan's house and knocked on the door. As the kids opened the door, they told him he is not allowed to knock on the door. The children would normally leave the house when a text message was sent signaling the other party has arrived. Fernandez Saldana told the children he could do whatever he wants. Bridegan sent Fernandez Saldana an email stating he would file a restraining if he ever came to his door again.

Fernandez Saldana would go to explain the only time everyone was in the same room was usually in court. Fernandez Saldana stated he attempted to shake his hand while in court one time but Bridegan refused to acknowledge him. He would continue to explain how Bridegan and his wife would not acknowledge their present when at events with the children.

Fernandez Saldana would explain how the kids were afraid to ask Bridegan questions over a fear of rejection. Abigail once asked if she could dye her hair purple. Bridegan told Abigail she would not be accepted into the church if she had purple hair. Fernandez Saldana took the children to a Bishop for the Church of Latter-Day Saints, who they happened to be friends with. According to Fernandez Saldana, Bridegan drove to the local Church of Latter-Day Saints in Neptune Beach and confronted the Bishop. Fernandez Saldana stated Bridegan got into an argument with the Bishop because he

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 47
-----------------	--------------------------------------	--------------------------	--------------

was befriending Gardner. He would go to explain how Bridegan drove by the Bishop's house and this prompted the Bishop to contact their legal section.

Fernandez Saldana began explaining how "date night" worked when Bridegan was picking the children up. Fernandez Saldana stated when Bridegan arrived he would text here and the children would exit the house and get into the car with their father. When the children would arrive, they would simply go through the garage if open and if not, they knew how to work the key pad. He would continue describing how the dogs would bark and alert them the children were home. There was no agreement to tell the other parent where the kids would go for date night.

Fernandez Saldana would go on explain date night on 02/16/2022, the night of the incident. Bridegan arrived at 1830 hours and sent a text message saying "here." The kids returned at the agreed upon time of 1945 hours. Fernandez Saldana advised he did not see the kids come in, but he did say he heard them enter the residence. He would advise he was "racked out" on the couch. Once the children came in, he stated he went upstairs and took a shower. Fernandez Saldana advised Gardner greeted the children when they arrived. Fernandez Saldana continued to advise he was "really out of it," due to taking Galvapentine. Fernandez Saldana stated he takes this medication in high doses and becomes "zoned out." Fernandez Saldana continued to say that night he was "more out of it than anything." Fernandez Saldana advised he and Gardner asked the kids about date night. The kids told them they went to Bearded Pig and this particular date night was fine. The children informed Fernandez Saldana, Bridegan was on the phone for a while before they entered Bearded Pig.

Fernandez Saldana would go on to explain Galvapentine is a nerve blocker, which he uses for pain and headaches. Fernandez Saldana stated the medication makes him drowsy. He would continue to explain he takes a high dose.

After the children went to sleep, Fernandez Saldana did laundry while Gardner completed chores around the house. The two were getting ready for bed when Detectives arrived to inform Gardner of Bridegan's death. Fernandez Saldana advised when Detectives arrived, he thought it may have been because of an ongoing dispute over animals in the neighborhood.

Fernandez Saldana stated Bridegan was not a confrontational person. However, he would describe Bridegan as a "keyboard warrior." He would explain how Bridegan would avoid Gardner whenever they were at doctor appointments. He would continue to explain how Bridegan fought against Gardner when it came to placing Liam on ADHD medicine. Fernandez Saldana would continue to describe disagreements over Liam's medical issues.

Fernandez Saldana began talking about disputes with Bridegan over the children's education. Fernandez Saldana advised they took Bridegan to court over placing the children into private school. The dispute was finally settled when Gardner agreed to eliminate the child support payments. It was explained Bridegan would not attend teacher parent conferences with Gardner and Fernandez Saldana. These conferences would only be held jointly due to COVID restrictions.

Fernandez Saldana would go onto explain the children's therapy and Bridegan's dispute with the sessions. Fernandez Saldana advised Bridegan did not want the children attending therapy because they were talking about Bridegan. This led Fernandez Saldana into talking about control over the children. Fernandez Saldana stated he felt the kids would be better off if Gardner had control of the custody. He would continue to advise if they could bend the custody to "sixty forty" the kids would be

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 47
-----------------	--------------------------------------	--------------------------	--------------

better off. Fernandez Saldana stated he wanted to push Bridegan into a corner, to force everyone together on the children. Fernandez Saldana advised they could "just suck it" and he doesn't care if they are uncomfortable. Fernandez Saldana stated he is confrontational and he could shut them down if they had control of the custody. Fernandez Saldana continued to advise they wanted to push for a social investigation.

Fernandez Saldana was asked what he thought happened to Bridegan. Fernandez Saldana stated it was a big speculation. Fernandez Saldana stated you need to get in line if looking for people who didn't like him. Fernandez Saldana stated he hasn't been told anything, but he does know why he would get out of the car. Fernandez Saldana advised he thought he may have known who was in front of him. He would go on to explain if something was about to go down, he would run them over or speed away.

Fernandez Saldana would go to explain there were plenty of people at Bridegan's church who didn't like him. He would go to explain the dispute over Gardner and Fernandez Saldana presence at the memorial service. Due to this, Fernandez Saldana advised the children would not attend the service.

End of interview.

NARRATIVE

Tuesday, March 1, 2022

At 1217 hours, Detective Johns and I responded to Revolution Chiropractic located at 14866 Old St. Augustine Road suite 103 and met with Dr. Lauren Cost. We reviewed the available camera footage and you could not see out into the parking beyond the cars parked immediately in front of the business. A copy of the victim's account information, which provides dates of appointments and cancelation/reschedules is scanned to this report as well as placed into property as evidence. There is no further information to add at this time.

NARRATIVE

On 3/1/2022, at 0930 hours, I completed the OSCR360 pictures of the scene. I attached them to a DVD and submitted them to property. I provided a copy to Detective Johns.

On 3/3/2022, at 1200 hours, I completed the map of the crime scene using FaroZone 3D and the Laser Mapping system. I attached copies of the map to this report. I provided copies to the detectives.

This ends my involvement in this case.

-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On 3/1/22, Detective B. Burrell #1202 and I met with Detective P. Hernandez of the Orange County sheriff's Office. Hernandez is on the ESST/ FDLE Task Force and works in digital forensics. I gave Hernandez a USB flash drive with the six videos from the shooting (see evidence item). Hernandez created a FDLE report which is attached to this supplement.

On 3/3/2022, I placed the video surveillance from 4021 Palm Way (USB flash drive) into evidence.

At approximately 1045 hours, Det. J. Lamont and I attended the decedent's funeral at the Church of Jesus Christ Latter-day Saints at 5490 County Road 210 West. I wore a covert audio/ video recording device during the funeral. The date and time is notated on the recording (which was later placed into property as evidence).

At 1332 hours, I met with Det. K. Greene of the SJSO digital forensics unit in reference to this case. At SJSO, I transferred a USB flash drive with six videos to Det. Greene for video enhancement.

Resident Ann Freudenthal advised a friend of her late husband's was able to download the home surveillance. After review of the video, a recording from 2/16/22 exists from 1800 to 2100 hours however; the camera is broken and nothing is viewable.

I also deposited a CD/DVD with video from Public Storage (1200 Shetter Ave). The suspicious blue truck referenced in previous supplements passed Public storage on 2/16/22 at 18:52:10 heading westbound along Shetter Ave. The video could not be extracted at the time of viewing, however was recorded on a city issued iPhone and later downloaded onto a CD.

On 3/10/22, I met with manager Caitlyn Ash at Taco Lu (1712 Beach Blvd) in reference to this case. Ash provided me with access to the restaurants outdoor surveillance. I obtained USB drive with video from 1700 to 2100 hours on 2/16/22. The USB was placed into property as evidence. After review, I observed the aforementioned blue truck heading eastbound on Beach Blvd at the 6:25:34 mark.

I also met with security supervisor Donnell Wright at Baptist Beach Medical Center. After review of the hospitals cameras, I located no vehicle of interest from 1950 to 2000 hours on 2/16/22.

NARRATIVE

I requested data recovery through the JSO Computer Forensics Unit on 03/04/2022, at approximately 1030 hours, via 94net. The requested the data to be pulled from a 2018 Volkswagon Atlas (Marsys Law) located at the Jacksonville Beach Property room. JSO advised they would process the vehicle on 03/07/2022.

NARRATIVE

Friday, March 04, 2021

At approximately 1900 hours, contact was made Rebecca Elaine Iannello at her residence, located 1433 Sunset Dr in Jacksonville Beach, FL. This follow up was made in reference to supplement #220000517-36.

Iannello advised she was returning home from 1969 Green Heron Pt (The Sanctuary) at approximately 1947 hours. She left the gate for the neighborhood and began heading south on Sanctuary Blvd between 1955 hours to 2000 hours. As she turned east bound on Jacksonville, she saw a dark colored SUV with emergency lights flashing south of Jacksonville Dr on Sanctuary Blvd. Iannello stated she saw a large dark colored vehicle, possibly an SUV or truck backing up. Iannello did not see any vehicle between the SUV/truck and the victim's black SUV. Iannello stated she felt the vehicle was a SUV or truck due to the height of the brake lights.

Iannello advised her twelve-year-old son also saw the unknown vehicle backing up. He advised the truck was dark in color and described it as a "4x4" like his father's truck. He stated it was a two-door truck and was not a four door, like a crew cab. He also advised the truck appeared to be new. When asked why he thought it was new, he stated it did not have any stickers or markings. It is unknown if this vehicle is involved at this time.

Iannello provided a detailed timeline as she drove that evening. The timeline has been scanned into this report and placed into property as evidence.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SLIP NO 53
-----------------	--------------------------------------	--------------------------	---------------

NARRATIVE

On Monday, March 7, 2022 at approximately 0930 hours, I met with Orange County Sheriff's Office Detective Peter Hernandez (407-317-7121) in the Jacksonville Beach Police Department's lobby. He gave me an open envelope that included a sealed envelope from Det. Cpl. Brian Wallace, 787, and an clear plastic resealable bag labeled "220000517", which contained a blue and gray colored thumb drive, which had a white label with "220000517". I signed the FDLE receipt form given to me by OCSO Det P. Hernandez, and scanned a copy, which I attached to this report.

Due to Det. Cpl. Wallace not being at work and not knowing if he had already made a property entry for the sealed package of DVD's that I received from OCSO Det. Hernandez, I gave Det. Cpl. Wallace's package to Det. Sgt. C. D. Young. Before placing the USB that OCSO Detective P. Hernandez gave me, I made a digital copy of the USB's contents, and then placed the drive into the property room as evidence.

Tuesday, March 8, 2022

I hade the USB's contents placed onto DVDs, which I placed into the property room, along with the original FDLE Receipt form into the property room as evidence.

Thursday, March 10, 2022

On Thursday, March 10, 2022, Det. Cpl. B. Wallace, 787, and I began checking the residences for surveillance along Osceola Avenue (west of South Beach Parkway to America Avenue. Det. A. Ford, 1276, was already on Osceola Avenue and conducting a check as well. The only house I saw was at 1047 Osceola Avenue [Security System]. At 1035 hours, I attempted to make contact with someone at the residence. With receiving no answer at the door, I left a business card with my contact information on the front door.

Det. Cpl. Wallace spoke with Det. A. Ford by phone, who said he (Det. A. Ford) had checked all the other houses along Osceola Avenue to America Avenue. Det. Cpl. Wallace and I then drove to Roberts Drive and began checking the residences and nearby businesses. At 1043 hours, I went to 1613 Roberts Drive and met with resident Jonathan White (904-598-6783). White, who said his [Security System], but only had videos of him doing yard work around the 1900 hour mark.

Due to Baptist Health having numerous offices in the area, Det. Cpl. Wallace checked with the Baptist security to view the nearby areas, while I continued to The Storage Bin, a storage facility located at 1001 13th Avenue South. At 1100 hours, I met with Manager Debby Ray (904-241-4171). I was able to review the business' security footage that captures a portion of the east and west bound roadways of 13th Avenue South. I was able to view the footage on February 16, 2022 between 1950 and 2010 hours. I did not see any truck traveling westbound on 13th Avenue South and saw only one truck, which had multiple front headlights, drive eastbound on 13th Avenue North.

NARRATIVE

Monday, March 07, 2022

At approximately 1500 hours, Kirsten Bridegan arrived at the Jacksonville Beach Police Station. Kirsten Bridegan took possession of her spare key for her Chevrolet Suburban. The spare key was in the victim's vehicle at the time of the incident. The property item was number 29 and contained a spare key to the Suburban and two spare house keys. Kirsten Bridegan took possession of the Suburban key and it contained a spare house key on the same key ring. A separate spare house key was collected at the time of the incident on a separate key ring. The separate spare house key has been placed back into property.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 55
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On Monday, March 07, 2022, Jacksonville Sheriff's Office Computer Forensic Unit, Detective David Ostertag, arrived at our police department. I escorted Detective Ostertag to our property department so he could locate and disassemble infotainment system from the victim's vehicle. Detective Ostertag took the infotainment system from our property department in order to download the information using Berla Corporation software. I photographed the infotainment system which was removed the victim's vehicle then I scanned those photographs into this report.

Detective Johns drove the victim's vehicle to our city garage so we could check underneath the victim's vehicle for any location tracking devices which we (Detective Johns, Detective Lamont, Sergeant Young and I) didn't see any attached devices.

I received a Google Geofence search warrant return; Google reference number 12506463. I forwarded the Google Geofence information to A.T.F. Special Agent Mark Mutz so the A.T.F. analyst could process the information. The A.T.F. analyst advised the returned Google Geofence information was A.M. time period not P.M. as requested in the search warrant.

Also, I submitted a Google subscriber search warrant to ASA Christina Stifler; Google reference number 12503852. This Google Geofence subscriber information is for the Device ID's information for 20 minutes prior to the incident. ASA Christina Stifler approved the Google subscriber search warrant.

On Tuesday, March 08, 2022, Judge Suzanne Bass approved the Google subscriber information search warrant. I submitted the search warrant to Google via their law enforcement portal.

On Wednesday, March 09, 2022, I received the Google Geofence information for Pablo Hamlet search warrant to include many Device ID's; Google reference number 125688793. I provided this Google information to A.T.F. analyst to process the information.

On Friday, March 11, 2022, I submitted a Google Geofence search warrant for Cradle Creek Preservation located 900 15th Street South to ASA Christina Stifler, Control number 1649663.

On Monday, March 14, 2022, I received the Google Geofence search warrant return; Google reference number 12506463 which I believe are the corrected time periods (P.M.). I forwarded the Google Geofence information to A.T.F. Special Agent Mark Mutz so the A.T.F. analyst could process the information.

On Tuesday, March 15, 2022, A.T.F. analyst identified three Device ID's for further identification (provider/ subscriber) information to Google.

On Wednesday, March 16, 2022, ASA Christina Stifler approved the Google Geofence search warrant requesting the three Device ID's for the incident location for the time period of 1840 through 1850 hours. Also, she approved the Google Geofence search warrant for Cradle Creek Preservation located at 900 15th Street South.

On Friday, March 18, 2022, Judge Mose Floyd signed both search warrants (Device ID's and Cradle

-----------------	--------------------------------------	--------------------------	--------------

Creek Preservation). I submitted both of the search warrants to Google via the law enforcement portal. The Google reference number for the Cradle Creek Preservation search warrant is 13709214.

Investigation continuing.

-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

Friday, March 4, 2022

Myself and Det. J. Lamont #9980 met with UF Child Protection Team, who interviewed L. Bridegan and A. Bridegan. Once the report is received, from them, it will be submitted as evidence. A copy of the interview will also be placed into property.

Monday, March 7, 2022

Investigator B. DiFore #1296 supplied credit reports for Jared Bridegan, Kirsten Bridegan, Shanna L. Gardner, and Mario E. Fernandez Saldana. There was nothing of note on the reports, but they were used to locate possible bank relationships.

Myself and Det. J. Lamont #9980 took the victim's vehicle from the JBPD property garage to the city garage, which is located in the same compound. The vehicle was placed on a lift in order to investigate the undercarriage. There was nothing of note.

Tuesday, March 8, 2022

Subpoena's were sent to Chase bank and Citi Bank for records of Jared and Kirsten Bridegan's accounts as well as Shanna L. Gardner.

Wednesday, March 9, 2022

Subpoena's were sent to USAA, American Express, and Chase bank for records of Mario E. Fernandez & Shanna L Gardner. Subpoena's were delivered to Community First CU of FL and Mayo Employee's Credit Union for accounts of Jared Bridegan. A subpoena was delivered to Community First CU of FL for Mario E. Fernandez Saldana. It should be noted no accounts were located at Community First CU of FL for Marrio Fernandez Saldana.

Thursday, March 10, 2022

A subpoena was delivered to Vystar Credit Union for accounts related to Mario E. Fernandez Saldana.

Friday, March 11, 2022

A search warrant for Ring doorbell footage was sent, via e-mail, to Ring.com.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 57
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

Monday, March 7, 2022

At 0946 hours, I contacted Farm Bureau Financials (800) 247-4170 to inquire about a life insurance policy that is referenced in the victim's divorce from his ex-wife Shanna Gardner. I spoke to supervisor Jodi Couchman and she advised she would have to contact me back. At 1359 hours she sent me an email with a link to an encrypted message. In the message she said the victim did not have an active life insurance policy at the time of his death. I asked her if she could tell when the policy he had was canceled and she advised she could not provide any further information without a subpoena. I screen shot the message regarding him not having an active policy at the time of his death and scanned it to this report.

There is no further information to add to this report.

NARRATIVE

Evidence Technician Report

On 10/06/2022, I responded 5239 Potomac Avenue, Jacksonville, FL 32254 for an evidence technician in reference to a search warrant.

Upon my arrival after the residence was cleared. I walked through the residence prior to taking photographs. In the driveway was a red two door convertible with FL tag 979KK and a black truck with FL 73DDIZ. To the left of the garage was a small entry way. Once I entered through the entry way, I entered the front door which opened up to a living room area with a dark color leather type sectional couch. To the left was a small hallway that had two bedrooms, linen closet and a bathroom. The door to the left was a bedroom labeled room "A". The next door was a linen closet. The next door was a bedroom, labeled room "B" and the last door was a bathroom also labeled room "B." I exit the small hallway back into the living room. I walked into another living room which contained a grey couch, television and stand, boxes, marijuana, pipe, beer cans and other items. This opened up to the kitchen. Both living rooms and the kitchen were labeled room "C." To the right of the kitchen opened up to a laundry area with washer and dryer. This room had a door that gave access to the back yard and a separate door to the garage. This room was labeled "D." There was a small hallway that led to a bathroom and bedroom. The bathroom and bedroom were labeled room "E." The garage was labeled room "F."

I took overall photographs of the outside except the back yard due to an aggressive dog currently located in the back yard. After completing my overall photographs, I used the OSCAR360 to capture overall photographs of the outside and inside. Once my overall photographs were taken, I label the rooms using A through F. Each officer that searched the assigned room signed the label for the room and has been placed into property. All items collected were photographed prior to being collected. The bong (room A), six THC vape cartridges (room A), vapes with cartridges (room A), two vape cartridges (car) marijuana (car) given to Jacksonville Sheriffs Officer K. Graham #76510 with CPR unit, for pending charges. Evidence # 266 a dark blue Motorola cell phone was given to Corporal Y. Santiago after I transported it to the Jacksonville Beach Police Department. I took additional photographs of most of the items prior to submitting into property. I completed a control swab and took a swab from the brown zip up hoodie jacket. All items collected were placed into the evidence technician room and sealed until 10/07/2022. I conducted a field test of the marijuana and the residence which both tested presumptive positive. I weighed the marijuana and took photographs.

The following are the items collected from each room on 10/06/2022.

Room A

Brown zip up hoodie jacket
two cell phones
two laptops
bong
papers
six THC vape cartridges
two vapes with cartridges

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 120
-----------------	--------------------------------------	--------------------------	---------------

Room B bedroom

ZTE touch screen cellphone
ZTE flip phone

Room C living room

marijuana
pipe
cal 320 revolver
ammo
papers

Room F garage

one pair of brown boots
two leather/welder style jackets
camouflage jacket
cell phone
numerous papers
F150 paperwork

Red car

two THC vape cartridges
marijuana

On 10/07/2022, I completed a control swab. I swabbed the coolpad cellphone and brown boots. The papers were reviewed by Detective C. Johns #1236 and I, I photographed certain papers instructed by Detective Johns. I also received the property I released to JSO Officer Graham. Detective Johns returned the property to me which I placed into property as evidence.

It should be noted prior to handling all evidence I changed my gloves each time.

This concludes my involvement with this case.

NARRATIVE

Thursday, October 6, 2022

At approximately 0918 hours, I responded to 5239 Potomac Avenue Jacksonville, Florida to assist with a search warrant. I assisted by searching room A.

I transported property item #266 (Blue Motorola) to the Crime Gun Intelligence Unit and gave it to Detective Lamont at approximately 1543 hours. At approximately 1615 hours, Detective Lamont requested I take it to the JSO Computer Forensic Unit along with a consent to search form signed by Jeremy Ordway. I dropped the phone off at approximately 1635 hours.

There is no further information.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 122
-----------------	--------------------------------------	--------------------------	---------------

NARRATIVE

Wednesday, October 5, 2022

At approximately 1200 hours, the search warrant for Henry Tenon's and Jeremy Ordway's residence, located at 5239 Potomac Avenue, was signed by Judge S. Mitchell.

Thursday, October 6, 2022

At approximately 0900 hours, the search warrant for 5239 Potomac Avenue was conducted. Upon serving the search warrant, four individuals were found present in the residence. Jeremy Ordway, Norma Davila, Devin Hightower and Dane Hade were found in the residence. While the residence was search, I conducted recorded interviews on scene with Davila, Hightower, and Hade.

Interview

Norma Davila

5239 Potomac Avenue

Jacksonville, FL 32254

At approximately 1009 hours, the interview with Davila was conducted on scene in the back of an unmarked patrol car. Also present for the interview was ATF Special Agent A. Simmons. Davila voluntarily conducted the interview.

Davila began the interviewing describing how she came to live at the residence. Davila advised about a month and a half ago, Jeremy Ordway rented Tenon's former room to her and her husband. Davila advised her husband's name was Dane Hade. Davila stated she originally met Ordway at Dominos where they all work. Davila stated Devin Hightower who was also present was currently living in his truck which was parked in the driveway.

Davila went on to explain she heard Tenon, Ordway's former room mate was currently in jail, in reference to a murder in Jacksonville Beach. Davila named Tenon as Henry which she heard from Ordway. Davila went on to explain Ordway sold Tenon's car to their general manager, Sean Tucker. Davila advised Ordway was not sure if Tenon was going to get out of jail because of the investigation.

Davila went on to explain when she moved into the room there was nothing in the room but some underwear. Davila advised she heard Ordway say he moved Tenon's belongings out of the room. Davila stated there was a bunch of stuff in the garage, but she was unsure if they belonged to Tenon.

Davila advised an individual named "Mario" owned the house and he was selling the house. Davila stated he was selling it to get money. Davila stated she has talked to Mario several times while he was here working on the house.

Davila went to explain she felt Ordway has something on their landlord. Davila described a situation where Mario came to the house to get Ordway to sign a lease. Ordway did not want to sign the lease. Davila advised Ordway stated "he don't want me to call such such about something." Davila did not know if this comment had anything to do with this murder. Davila went on to explain Ordway tore the lease up when Saldana gave it to him. Davila advised this interaction with Saldana occurred in the

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 122
-----------------	--------------------------------------	--------------------------	---------------

second week of September.

Davila advised she has been in talks with Saldana with a rent to own agreement with Saldana, for the 5239 Potomac Ave address. Davila went on to explain potential buyers for the house have visited the property over the last couple of weeks.

Davila stated she does not know of any firearms in the house. Davila's husband asked Ordway about guns in the house. Ordway stated the house was protected, but did not mention any specific firearms.

Davila was asked to further describe the incident where Ordway tore the lease agreement up. Davila stated her husband described Saldana as being afraid of Ordway. Davila could not describe any specifics as to why Saldana was afraid of Ordway.

Davila was asked if she knew what Tenon was involved in. Ordway mentioned Tenon was involved in the Jacksonville Beach murder investigation. Ordway mentioned he believed Tenon would not be involved in this murder.

Davila advised Ordway never mentioned going to Jacksonville Beach. Davila stated she has never seen Ordway leave Potomac with Saldana. Davila advised she never heard anyone mention Tenon's blue Ford F-150.

Davila went on to explain the General Manager of Dominos purchased the Crown Victoria Tenon was driving. The general manager advised there was stuff belonging to Tenon in the vehicle. The general manager advised he was going to bring the belongings by Potomac.

End of interview.

Interview

Devin Hightower

5239 Potomac Avenue (Temporary)

Jacksonville, FL 32254

At approximately 1039 hours, the interview with Hightower was conducted on scene in the back of an unmarked patrol car. Also present for the interview was ATF Special Agent M. Stengel. Hightower voluntarily conducted the interview.

Hightower advised he had been living in his truck for the last three weeks. Hightower stated he has been staying in his truck in the driveway for the last couple of days. Ordway allowed Hightower to park his truck in the driveway.

Hightower described Ordway as an alcoholic and an undercover racist. Hightower stated Ordway makes comments trying to make Dane Hade angry, because he is an African American.

Hightower advised the first time he heard anything about a murder investigation was the morning of the search warrant. Hightower advised he has not heard Ordway speak about any involvement with this murder investigation.

Hightower advised he has never seen anyone going through the belongings in the garage.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 122
-----------------	--------------------------------------	--------------------------	---------------

End of interview.

Interview

Dane Hade

5239 Potomac Avenue (Temporary)

Jacksonville, FL 32254

At approximately 1056 hours, the interview with Hade was conducted on scene in the back of a marked patrol car. Also present for the interview was ATF Special Agent M. Stengel. Hade voluntarily conducted the interview.

Hade advised he has been living at the residence for about a month. Hade advised Saldana has not been to the house in the last two weeks.

Hade was asked about the incident involving Ordway and Saldana with the lease. Hade advised Ordway did tear up the lease agreement Saldana brought over. Hade stated he did not know anything further about the lease situation.

Hade advised he has no knowledge of Tenon or his involvement in this murder investigation. Hade stated when he moved into Tenon's room there was only a bed in the room.

Hade advised the left side of the garage contained his items and the right side could possibly be Tenon's.

Hade further stated he did not have any knowledge of the murder investigation.

End of interview.

Jeremy Ordway's interview will be a future supplement.

NARRATIVE

Evidence Technician Report

On 10/10/2022, at 0933 hours, I went to the Jacksonville Beach Property room located at 1460 Shetter Avenue to process the tan/black boots item # 262.

Prior to opening the bag, I photograph the bag and the seal that was on it. After opening the bag, I removed both boots, used a sterile razor blade, and removed/labeled three pieces from both boots. Each piece I used a new field test kit to test for possibility of blood, the results were negative. After testing each piece, I changed my gloves, labeled the area, and documented with a photograph. I placed the boots back in the original package and sealed the opening I made. I placed the sterile razor blade and package into property. I attached the photographs to this report.

NARRATIVE

Friday, October 14, 2022

At approximately 1600 hours, financial records were received for Henry A. Tenon. A review of the records found Tenon paid for auto transport on 06/08/2022. A review of the phone records found Tenon communicating with Rivers Auto Transport on 06/07/2022. Cellular location data was compared to the date and time the truck was transported. The cellular location data identified 1705 University Street in Jacksonville, FL as a possible location. ATF Special Agent Simmons drove to the address to inspect further. Upon arrival, Special Agent Simmons found Tenon's blue 2004 F-150 bearing GA #TLW242. The vehicle was located in the back of the yard which is not fenced in. The truck and tag could clearly be seen from the street. Det. J. Lamont #9980 obtained a search warrant for the premises where the truck was located. A copy of the warrant was given to the resident, Jimmy Clay Jones, Jr. Mr. Jones also provided verbal consent for officers to search his yard and remove the Ford F-150.

Mr. Jones stated he and Tenon have been friends between ten and fifteen years. He stated Tenon would regularly come to his residence with beer and they would hang out and drink. He denied knowing Fernandez, Ordway, or Biggerstaff. Jones stated a few months ago, Tenon asked him if he could store his truck (the blue 2004 F-150) for a couple of months until he could get enough money to get it fixed. Jones agreed and Tenon picked him up in the white Crown Victoria. They drove to an unknown location where Tenon drove the truck and Jones followed him in the Crown Vic. He stated the truck broke down on his street, so they used the Crown Vic to push the truck into Jones' yard. Jones stated he's attempted to call Tenon several times to get him to remove the truck, but the calls kept going to voicemail.

The truck was photographed in placed and sealed before being towed to the JBPD Property Room so that it can be processed for evidence relating to the homicide.

A further review of Tenon's PNC Checking statements revealed he received three checks from First Choice Home Rentals, LLC, which is owned by Mario Fernandez Saldana and Shanna Gardner. Check 0027 for \$2,000; Check 0028 for \$3,000 were dated 03/28/22 and Check 0029 for \$5,000 dated 04/04/22. The three checks were deposited into Tenon's account. Records will be attached to this report.

-----------------	--------------------------------------	--------------------------	---------------

NARRATIVE

On 10/14/2022, I responded to 1705 University Street in reference for an Evidence Technician. Upon my arrival I met with Detective C. Johns #1236 and Detective J. Lamont #1280. The detectives informed me there was a search for the house. Near the back fence I saw a blue/tan Ford F150. It appeared to have been there for some time due to the grass being higher around the tires and under the truck.

I photographed the truck in place, the outside of the residence, sealed the truck, and photographed the truck once it was removed by the tow truck. It should be noted the vehicle appeared to be locked. No entry was made. I Looked around the truck, in the bed of the truck and through the windows. The truck appeared to have some front bumper damage. **** Two different models of tires, a beer can, kitchen knife and other items in the bed of the truck. In side appeared to have some tools in the back and a shoe box for steel toe boots.

When the tow truck arrive the driver did not enter the truck. Once the truck was removed it was dark outside and photographs were taken where the truck was located a in the yard.

The truck was taken back to the Jacksonville Beach Police Department Property located at 1460 Shetter Avenue. Detective Lamont and Detective B. Burrell 1202 placed a tarp over the vehicle until it was ready to be processed on Monday 10/17/2022.

All photographs that were taken will be placed on a disc and submitted to property as evidence.

NARRATIVE

Evidence Technician Report

On 10/17/2022, at approximately 0930 hours, I responded to 1460 Shetter Avenue (JBPD property room) to process a blue/tan Ford F150 with GA tag of TLW242.

I informed the property officer I would processing the truck and requested the vehicle keys. I took photographs of the truck, it was covered by a blue tarp. Once the tarp was removed I took more overall photographs of the vehicle. The vehicle was still sealed from 10/14/2022. Once all the photographs were taken, Detective J. Lamont #1280 read the search warrant and also a corrected search warrant for the location of the vehicle. Once this was completed, Sergeant L. Smith and I begin to photograph the vehicle with scales.

We began with the truck bed. It had a beer can, two bottles of water, a latch, four screws, two bungee cords, other car parts, a kitchen knife, a pair of socks, and leaves. There were markings on the bed of the truck which appeared to have been where a tool box was once located. Once the bed of the truck was photographed and processed, I collected the bungee cords, socks, the latch and four screws. The tail gate handle was swab.

I unlocked the vehicle driver side door. I then unlocked all of the vehicle doors and opened all of the doors to photograph the inside of the vehicle. Once all photographs were taken, I labeled the driver side A, the back driver side passenger B, the back passenger side C, the front passenger D. I took multiple swabs from inside the vehicle. The inside of the vehicle was separated in sections by numbers. All items were removed from the numbered section. My self and detectives reviewed through the items, items containing evidentiary value were collected by myself.

All of the seats were processed with the trace evidence vacuum. I used one filter on the entire front seats. I used a separate filter on the back seats.

Once the truck was searched and all items were reviewed the items were placed back in the truck. I sealed the truck, at the time did not realize the driver door and rear passenger were not locked. Both of these seals were broken to lock the doors. I resealed both doors writing my initials, date, and ID number.

All items collected, swabs, and photographs were placed in the property room for secured storage until I was able to place the items into property.

I placed all of the items collected into property on 10/19/2022. The filters from the trace evidence vacuum have not been placed into property and are currently secure in the Evidence Technician room at the Jacksonville Beach Police Department.

NARRATIVE

Evidence Technician Report

On 10/19/2022 I arrived at 1460 Shetter Avenue the Jacksonville Beach Police Department Property Room. I processed the spare tire under the truck. The spare tire was already lowered.

With the assistance from Sergeant L. Smith #792 we unhooked the spare tire and placed it on a table to process. I swabbed multiple areas of the tire, collected the stem valve cap, and photographed the tire. All swabs, stem valve cap, photographs, and the tire were placed into property. There was a small tire in the bed of the truck with two plugs in it. The tire was photographed, scales were placed near the plugs and photographed. The tire was collected and placed into property.

I checked out property item #8 the tire that was collected at the original scene. I reviewed the tire and the indentations. I resealed the package and placed the tire back into property.

NARRATIVE

On Monday, October 17, 2022, Det. Sgt. Young requested I respond to the police property lot regarding processing a Ford F150 truck. The truck was stored in a secured lot and was covered with a blue tarp. Once the blue tarp was removed, I saw the doors were taped with evidence tape to ensure chain of custody. All the tape was intact, leading me to believe no one had entered the vehicle after it was secured in the property lot.

As the Evidence Technician Unit's supervisor, my role in this investigation was provide support to the investigating evidence technician, detectives, and other investigators while the truck was being processed.

The interior cab of the truck was packed with boxes, paperwork, and tools. It was determined the most efficient way to document these items was to designate sections of the cab, front and backseats. These sections were numbered with tent markers. I collected items from the designated sections and placed it on a nearby table where investigators could determine the individual evidentiary value of each item. Items that were identified as not having evidentiary value at this point in the investigation were photographed and returned to the cab of the truck.

On Wednesday, October 19, 2022, I returned to the vehicle to assist with documenting and collecting the vehicle's spare tire.

NARRATIVE

Tuesday, October 25, 2022

This report is being generated to attach a copy of the search warrant for 5239 Potomac Avenue, Jacksonville, FL 32254.

A Computer Forensic Report from the Jacksonville Sheriff's Office was also received on Oct 05, 2022 for Bridegan's personal computer and two portable storage devices. The written report will be attached and the disc will be placed into property. There was nothing of note found.

A disc was provided by JSO Computer Forensics for Motorola XT2163-4 (Moto G Pure) belonging to Jeremy Ordway. He provided written consent to search the device.

Synopsis:

On 05-12-2022, Detective Christopher Johns #1236 delivered two additional Apple computers and two external portable hard drives (HD) related to the case along with a submission form to the Computer Forensic Investigations (CFI) Unit. Legal search authority was established accompanied Search Warrant.

I had previous spoken with Det. Johns On 03-16-2022, via phone in regards to the submitted CFI Analysis Request form which contained a summary of his investigation. I had conferred with Det. Johns regarding the matter and discussed investigative avenues and potential digital evidence being sought in the investigation. Det. Johns requested any emails, picture message, text correspondence and web search history. In addition Det. Johns requested any other data that may assist with the investigation.

The computer forensic exam began on 09-15-2022, when I began the acquisition process of the hard drive contained within the iMac (Item 001). The hard drive from the iMac (Item 001) was forensically imaged (bit level exact copy) with a physical write-blocking device to prevent any writes to the original hard drive. The iMac only had one hard drive. There was no other storage medium physically attached to the iMac. In addition to Cellebrite Digital Collector, Forensic Toolkit (FTK) Imager was utilized to obtain a post-acquisition hash value of the hard drive. It is important to note that the write-blocker prevents any of the data on the source drive from being modified. Subsequently, compressed Expert Witness Forensic Container Files (commonly referred to collectively as "E01") were created. Additional Post-acquisition hash values of both the source drive and the E01 were computed. The pre-acquisition and post-acquisition SHA256 hash calculations matched, meaning that the source drive was not altered during the imaging process, and that the E01 is an identical forensic image of the source drive. At the conclusion of the forensic examination, a verification hash calculation was computed of the E01. The hash matched that of the pre-acquisition and post-acquisition hash values, meaning that the evidence was not altered during the examination process. The resulting forensic image was then examined for evidence. From here on out, the forensic image will be referred to as 'hard drive' for simplicity. At no time was the original evidence or image altered. Any changes were virtual in nature (as provided by the forensic software) for the purpose of viewing, examining and extracting data for evidence.

Findings:

Apple iMacPro computer (Item 001) was found to contain the Mac OS X Version 10.13.6 operating system (OS). The operating system was installed on 09-20-2017 at 10:33:57 PM, according to the Mac library. Three user generated accounts were discovered on this computer and given the user names of "kids" with the full name of "kids" created 9/20/2017 10:36:08 PM. "jaredwork" with the full name of "Jared Work" " 5/21/2018 12:00:59 AM. "family" with the full name of "Briedegan Family" " 9/20/2017 10:33:55 PM.

A keyword search was conducted of the internet evidence in its entirety, based on information obtained through general offense and supplement reports. All keyword hits were examined individually. No artifacts of evidentiary value recovered. A keyword search was also conducted using the following terms:

Abigale
Child
Fight
Liam

Baptism
Church
Jered
London

Vic Abuse
Custody
Karastan
Mario

Briedegan
Divorce
Kill
Shanna

Internet History:

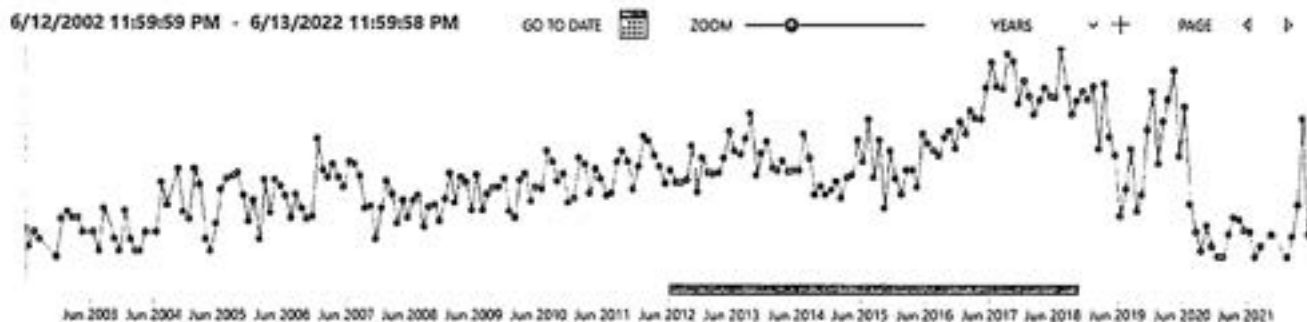

Three Internet browsers were found installed and were identified as Safari, Google Chrome, Mozilla Firefox. The recovered Internet data included classifieds URL's, Google searches, parsed search queries, social media history and many others.

AXIOM Examine was utilized to carve and parse for internet artifacts, to include those that may have been deleted. Internet artifacts were recovered from Safari, Google Chrome and Mozilla Firefox web browsers. There were no artifacts of investigative interest noted. A sample was captured for reference and illustrated below.

A timeline was generated as a visual representation of the Internet usage on this computer over time. A screenshot of the timeline has been included here:

Over 49,536 artifacts were recovered. There were no artifacts of investigative interest noted. All emails were booked marked and can be reviewed within the FTK report found within the provided optical disc.

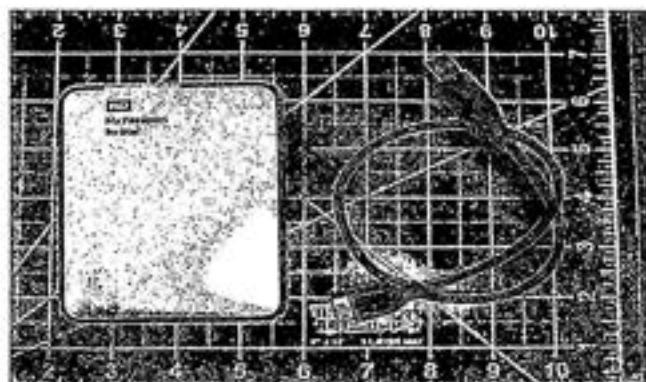

002.	Make/Model	Apple A1398 / Mac Pro
Item No.	Serial Number	C02LL0D9FR1M
	BIOS Date & Time	N/A
	Actual Date & Time	N/A

Acquisition HASH N/A
Verification HASH N/A

The computer forensic exam began on 9-15-2022, when I began the acquisition process of Apple Mac Pro (Item 002). During the initial processing it was noted that the Mac Pro is currently password protected and locked. The Mac Pro has Full Disk Encryption (FDE) thus inaccessible without the password. Previously provided passwords were attempted yielding negative results. The HD was NOT imaged due to FDE. The device was resealed in evidence envelope/tape after processing.

Item No.	Description
003.	Make/Model Western Digital (WD) / My Passport HD 1TB
	Serial Number WX71AA3A4266
	BIOS Date & Time N/A
	Actual Date & Time N/A

Acquisition HASH a3df0271823a24619de04f453309220058455a22 SHA1
Verification HASH a3df0271823a24619de04f453309220058455a22 SHA1

The computer forensic exam began on 8-03-2022, when I began the acquisition process of portable hard drive (Item 003). The hard drive was forensically imaged (bit level exact copy) with a physical write-blocking device to prevent any writes to the original hard drive. Forensic Toolkit (FTK) Imager was utilized to obtain a pre-acquisition hash value of the hard drive. It is important to note that the write-blocker prevents any of the data on the source drive from being modified. Subsequently, compressed Expert Witness Forensic Container Files (commonly referred to collectively as "E01") were created. Post-acquisition hash values of both the source drive and the E01 were computed. The pre-acquisition and post-acquisition SHA1 hash calculations matched, meaning that the source drive was not altered during the imaging process, and that the E01 is an identical forensic image of the source drive. At the conclusion of the forensic examination, a verification hash calculation was computed of the E01. The hash matched that of the pre-acquisition and post-acquisition hash values, meaning that the evidence was not altered during the examination process.

Findings:

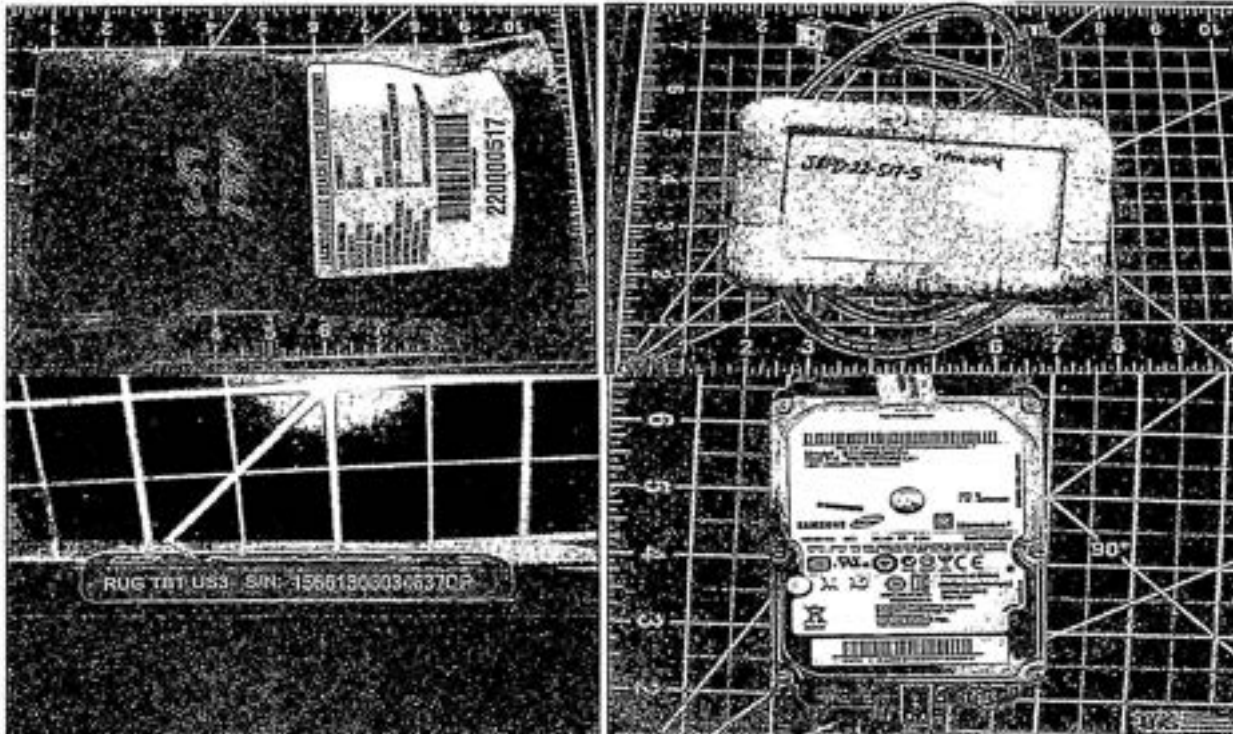

During the analysis of the acquisition content those of the Western Digital / My Passport hard drive (HD), Item (003), there were numerous artifacts of interest noted. The artifacts mainly consist of assorted documents, such as tax, medical bills, last will and testament, and court documents. These artifacts were found in their perspective folders and as such were bookmarked accordingly. An FTK report was generated containing the aforementioned artifact. The report may be viewed following the path "*Item 003 My Passport HD/ FTK REPORT/Index.html*" located in the provide optical disc.

	Actual Date & Time N/A

Acquisition HASH N/A
Verification HASH N/A

Findings:

The computer forensic exam began on 8-30-2022, when I began the acquisition process of portable hard drive (Item 004). The aforementioned LACIE HD (Item 004) was found to be formatted in an Apple File System (APFS). During the initial processing it was noted that the HD is currently password protected and locked. The HD has Full Disk Encryption (FDE) thus inaccessible without the password. Previously provided passwords were attempted yielding negative results. The HD was NOT imaged due to FDE. The device was resealed in evidence envelope/tape after processing.

NARRATIVE

In the morning hours of Wednesday, 10-19-2022, I met with Det. Sgt. Young, Sgt. Smith and Ofc. Hawkins regarding the processing of the suspect vehicle in this case, a 2004 Blue and Tan Ford F150 4 door truck Ga TAG# TLW242. We discussed the processing of the vehicle and any further needs. I was told that during their original processing of the vehicle, both Smith and Hawkins were unable to lower the spare tire of the vehicle to be processed because of the tool belonging to the vehicle being damaged. With the tool being damaged they postponed retrieving the tire from underneath the vehicle where it was in its proper storage location. I stated during the meeting that at 1300 hours that afternoon, we would meet at the Jacksonville Beach Police Department Property and Evidence Room to lower the tire and finish processing the tire.

On 10-19-22 at 1300 hours, I responded to 1460 Shetter Avenue to meet with the Evidence Technician Supervisor Sergeant L. Smith and Ofc / ET Hawkins to aid in helping them process the suspect vehicle. Sgt. Smith and Ofc. Hawkins were held up by working on other evidentiary items, so I summoned PEC Dan Fox, who drives a department issued 2019 Ford F150 Unit # 1950. Being personally familiar with the Ford F150 spare tire storage location and lowering process, I knew I could utilize the special tool provided by the manufacturer from any similar model F150 to lower the tire for the officers to process. I retrieved the tools necessary from the rear passenger area of Unit #1950 and I ensured I had what I needed to complete the process.

I put on sterile rubber gloves fresh from a box just in case I came into contact with any portion of the tire during the lowering process. I then inserted the tool to lower the tire into the keyhole in the rear bumper, applied the crank, and lowered the tire. Once lowered, I left the tire connected to the vehicle by the cable and retaining strut so that I did not have to touch the tire. This also allowed Ofc. Hawkins to choose the best way in which to retrieve the tire to preserve any possible evidence. I then stood by until Sgt. Smith and Ofc. Hawkins arrived to take custody of the tire.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 135
-----------------	--------------------------------------	--------------------------	---------------

NARRATIVE

Thursday, October 6, 2022

At approximately 0900 hours, the search warrant for 5239 Potomac Avenue was conducted. Upon serving the search warrant, four individuals were found present in the residence. Jeremy Ordway, Norma Davila, Devin Hightower and Dane Hade were found in the residence. While the residence was search, I conducted recorded interviews on scene with Davila, Hightower, and Hade.

Interview

Jeremy Ordway

5239 Potomac Avenue

Jacksonville, FL 32254

At approximately 1306 hours, the interview with Ordway was conducted at the Criminal Gun Intelligence Center (CGIC) located at 311 West Monroe Street, Jacksonville, FL 32202. Also present for the interview was ATF Special Agent M. Stengel. Ordway was read his Miranda Warnings from a preprinted departmental document. Ordway advised he understood his rights and he wished to speak with Detectives.

Ordway began the interview explaining his relationship with Henry Tenon. Ordway advised he came to Jacksonville to take care of his father and Tenon was his neighborhood. Ordway stated he was as close as you could be with someone with calling them friends.

Ordway began explaining there was construction on Potomac Avenue and the two would frequently have flat tires. Ordway described Tenon's truck sitting in the driveway with a flat tire at one point, but did not give a time frame. Ordway advised Tenon received the truck from his father once he passed away. Ordway stated Tenon did not have the truck that long. Ordway advised he helped Tenon retrieve the truck from Georgia at the end of 2021.

Ordway would go to explain he talks to Tenon once a couple weeks. Ordway reiterated he does not talk with Tenon by phone very much. Ordway stated he is aware Tenon carries two phones. Ordway stated he did not know the other phone number. According to Ordway, Tenon received a deal for four phone lines.

Ordway began describing Tenon and Janie Deal's relationship. Ordway advised they have been together for twenty plus years. Deal would come over to the house for thirty minutes at a time. Deal used to live with Tenon at the Potomac address prior to Ordway living there.

Ordway was asked if he had ever drove around Jacksonville with Tenon. Ordway advised he took Tenon to his DUI classes prior to Tenon having the truck. Ordway advised when Tenon got his truck, he helped him bring a refrigerator from Home Depot. Ordway stated he never knew Tenon to allow anyone to borrow the truck.

Ordway was asked about the whereabouts of the Crown Vic Tenon was arrested in. Ordway advised there was an issue with the transmission and his boss is working on it. Ordway advised his boss is going to purchase the vehicle. Ordway advised Tenon originally received the Crown Vic and the truck

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 135
-----------------	--------------------------------------	--------------------------	---------------

when his father died.

Ordway was asked what kind of clothes Tenon would typically wear. Tenon was described typically wearing jeans and t-shirts. Ordway advised he would wear tan work boots. Ordway would go to describe a time last year when Tenon went to look a job with Mario Saldana. Ordway stated Saldana wanted Tenon to fill a pool in, but Tenon refused to do the job.

Ordway began describing an old Navy guy who was recently doing work on the house. Ordway advised he showed up to the house put six tiles down and he hasn't seen him again. According to Ordway, Saldana came back with a younger Hispanic male to finish the tile.

Ordway was asked about the location of the truck. Ordway advised the last time he saw the truck it was at Twins Grocery. Ordway advised he let Tenon borrow a \$1,000.00, but he had not been paid back.

Ordway was asked about Michael Connors and his involvement. After Tenon was arrested, Connors called Saldana several times. Ordway advised Connors is a "crack head" who was crashing on his couch. Ordway could not remember if Connors was present the day Tenon was arrested. Ordway stated Connors does not know Saldana. Ordway advised he probably used Connor's phone to call Saldana.

Ordway would go to explain he does not know Saldana other than renting his house. Ordway advised he did not know Saldana was even married. Ordway stated he wished he never moved into the house. Ordway went on to explain Saldana asked him to change the lease to end in December so he could sell the house. That deal has apparently ended, due to realtors coming by and looking at the house. Ordway was asked about the new lease which Saldana was trying to get Norma and Dane to sign since they were living there. Ordway advised he thought it was "bullshit" and told them not to sign it.

Ordway was asked how Tenon would get involved with this murder. Ordway stated he was heavily intoxicated during this time due to his own father death, on 02/11/2022. Ordway did not believe Tenon owed Saldana anything. Ordway stated Tenon did not tell him any details from the night of Bridegan's murder.

Ordway was asked about the phone call Ordway made to Tenon the night of the murder. Previously, Ordway stated he was probably calling Tenon for a ride. Ordway now stated he has never called Tenon for a ride, other than picking up the refrigerator. Ordway stated he has never had anyone but Deal answer Tenon's phone.

Ordway was asked if he has ever been in Jacksonville Beach. Ordway stated worked for a Tow company in Mayport fifteen years ago and would work in Jacksonville Beach. Since Ordway has been back in Jacksonville, he advised he has not been to Jacksonville Beach.

Ordway was asked if the truck had any sentimental value to Tenon. Ordway advised he treated the truck like a truck and did not keep care of it.

Ordway advised he spoke with Dwight Tenon after Henry Tenon's arrest. Ordway stated Dwight already new about the arrest and he wanted Dwight Tenon to come get the dog which was left at the house.

Ordway advised after Tenon's arrest, he contacted Saldana and told him to "handle his business."

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 135
-----------------	--------------------------------------	--------------------------	---------------

Ordway alluded to Saldana knowing what happened the night of the murder. Ordway further stated he would know because it was his wife's ex-husband. Ordway would not say if he knew what Saldana knows about the murder, if he knows anything. Ordway went to explain his contact with Saldana is sparingly.

Ordway was asked about an individual named Marquis Carter. Ordway advised he did not know who Carter was. Ordway was asked about Carter because there was a communication between both of their phones the night of the murder. Ordway continued to adamantly state he did not know who Carter was.

Ordway advised his association with Saldana and Tenon was limited and he had no role in this murder. Ordway stated he never knew Saldana or Tenon to go to Jacksonville Beach together. Ordway reiterated Tenon was asked to help Saldana in filling in a pool, but he does not know where this pool is.

Ordway was asked for consent to conduct a search of his cellular phone. Ordway gave verbal consent to search his cellular phone. Ordway also signed a preprinted departmental consent form. Ordway also gave verbal consent to request his cell site data. Previously in the interview, Ordway stated he would be willing to call Mario Fernandez Saldana. Ordway was asked if he would be willing to conduct a controlled call with Saldana, and he agreed.

At approximately 1552 hours, a controlled call was conducted with Saldana. Ordway informed Saldana the ATF served a search at 5239 Potomac Ave. Saldana asked if Ordway received any contact information or a copy of the search warrant. Saldana wanted to know what was taken from the residence. Ordway asked why a search warrant would be conducted at Potomac. Saldana stated he does not know why and it does not make sense. Saldana apologized for Ordway having to deal with the situation. The call ended at 1558 hours.

Ordway was asked if he believed Saldana had any involvement in this murder. Ordway advised he did not know if Saldana had any involvement. Ordway was asked if he was working the night of the murder. Ordway advised he was not working, because he was heavily drinking due to his father's death. Ordway began describing an associate of Tenon's named "Rabbit." Ordway did not know who "Rabbit" was, but Tenon would talk about him. Ordway went on to explain Tenon knows a lot of people in the area of his residence. Ordway went on to explain he does not understand how Tenon became involved in this murder.

Ordway began to describe the way Tenon treated the truck. Ordway did not believe the truck had any sentimental value, due to him damaging the truck. Ordway went to explain Tenon told him he took the truck to a mechanic who had ten cars in front of him. Ordway spoke about the \$1,000.00 he loaned Tenon. Ordway advised Tenon had not repaid him and he didn't expect it until the truck was fixed.

End of interview.
