NARRATIVE

Thursday, June 16, 2022

At approximately 0805 hours, Brad Byrd arrived at the Jacksonville Beach Police Department in order to conduct an interview. Byrd had contacted the Jacksonville Beach Police Department on 06/14/2022, in reference to a conversation he had with Shannah Gardner in 2015 at his tattoo parlor.

Interview

Bradley Edward Byrd

153 Tate Lane

Saint Johns, FL 32259

The interview with Byrd was conducted at the Jacksonville Beach Police Department, in interview room #89. Also present for the interview was Detective C. Johns #1236.

Byrd began the interview explaining how and when he knew Shannah Gardner. Byrd advised he owns a tattoo studio in Jacksonville Beach. Byrd was able to recall specific dates because of paperwork documenting Gardner's appointments. Byrd stated the two became friends because he could relate to her Mormon background because of his time in Utah.

Byrd would go on to explain he remembers Gardner because of what he called, "the downfall of a Mormon girl." Byrd advised she began to come to his establishment and get tattoos and he was with her when she began to drink alcohol. After Gardner got familiar with Byrd and his employees at the shop.

Byrd stated after a tattoo session, Gardner invited several of the employees out for drinks. Byrd advised during this time Gardner would talk too much about her divorce with Jared Bridegan. During this particular incident, Gardner informed the group her life would be easier if someone would shut her husband up. Byrd stated Gardner asked the group if they know anyone who shuts people up. Byrd advised at that point he did not take it to mean anything at that time. Byrd would later describe Gardner as emotionless.

Byrd would go to explain he has had no contact with Gardner since August 2015. After the night where Gardner asked about shutting up her husband, Byrd did not have much contact with her.

Byrd would go to explain he did not know the details of this murder when it was originally reported. Byrd recently read an article and recognized Gardner. Byrd stated in the article he read about an incident where Gardner was accused of placing cameras in her home. Byrd advised Gardner would talk about this while at the tattoo shop. As Byrd talked about the divorce, he stated there was clearly animosity between Gardner and Bridegan. Byrd would go to explain there were arguments over the kids and her status as a Mormon. Byrd stated he never met Bridegan or new him in anyway.

End of interview.

A copy of the interview will be placed into property as evidence.

NARRATIVE

On June 28, 2022, myself and Det. J. Lamont #9980, met with ASA Chirstina Stifler. The ASA asked Elizabeth Smith to come to the 4th Circuit SAO to provide a statement recounting her experiences with Shanna Gardner and Mario Fernandez. These statements were provided earlier to detectives, but she was did not want to be identified at that time.

Smith recounted the following:

She contact a family friend, who is an ATF Agent. She stated she worked with Gardner in 2015 at a school. She stated they developed a close personal friendship, and their families would often spend time together. Smith stated while they were working at the school, Gardner relayed to Smith, Mario (Fernandez) offered to get four guys and break into Bridegan's residence in the middle of the night and "take care of him and nobody would ever know."

Smith also stated one evening, while out with dinner, Smith and Fernandez had a disagreement over how to handle her child. During this encounter, Fernandez said to Smith, "You know I've killed people before," which she took as a threat.

Smith finally recounted Gardner walked in on Fernandez taking nude photos of an unknown female and also getting erotic massages.

Smith stated Gardner told her she only married Fernandez because it would look better in court, for custody reasons, if she was married. Also, her parents would give her more money if she was married.

This concluded the statement, which was audio recorded. A copy of the recording will be placed into property.

NARRATIVE

Thursday, July 7, 2022

While reviewing materials returned through search warrants and subpoenas, it was discovered Mario Saldana left the state on an unexplained trip, out of the state. Saldana left Florida and made stops in Georgia, South Carolina, North Carolina before driving straight through to Pennsylvania. After spending a little over a day in Pennsylvania, Saldana then returned to Florida. This trip consisted of six days and lasted from 03/02/2022 to 03/06/2022. Saldana conducted his first interview with the Jacksonville Beach Police Department on 03/01/2022. Abigail and Liam conducted interviews with the Child Protective Team on 03/04/2022.

Saldana made the following stops from 03/02/2022 to 03/06/2022:

- 03/02 - Brunswick, Ga
- 03/03 - Pooler, Ga (Enmarket)
- 03/03 - Florence, SC
- 03/03 - Clinton, NC
- 03/04 - Chesterfield, VA (WAWA)
- 03/04 - Fredericksburg, MA (Shell Oil)
- 03/04 - Tarentum, PA
- 03/05 - Morgantown, WV (Pilot)
- 03/05 - Columbia, SC (7-Eleven)

Due to the timing of this trip in relation to the interviews, this unexplained trip was investigated further.

Several Days prior to this supplement, a tip from Crime Stoppers (585-C54574) made us aware of a truck in Gaffney, SC which matches the suspect vehicle in this case.

At approximately 0500 hours, Detective B. Burrell #1202 and I, left Jacksonville Beach and headed toward South Carolina to investigate the above listed Crime Stoppers tip.

At approximately 0730 hours, a stop was made at Enmarket (Store #830) Gas Station, located at 907 US-80 Pooler, GA 31322. Contact was made with Karissa Becker (Manager), in reference to Saldana's stop at this location. Saldana stopped at this location on 03/03. An attempt was made to receive video; however, the video was no longer available due the amount of time and the storage available.

At approximately 1400 hours, contact was made with the Gaffney Police Department in South Carolina. The Gaffney Police Department advised the location of the truck was in the Cherokee County Sheriff's Office. Contact was made with Cherokee County and Deputies were dispatched to meet us at Bonnies Auto Sales, located at 3502 Cherokee Avenue Suite A, Gaffney, SC 29340.

Upon arrival to Bonnies Auto Sales, no employees were present and the blue Ford F-150 in question was located on the property. The Ford F-150 closely matched the suspect vehicle description, only

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 95
-----------------	--------------------------------------	--------------------------	--------------

lacking the tool box. The Ford F-150 in question had a spare tire on the front passenger side. Several voice messages were left with Derrick Elmore, the owner of the business.

At approximately 1500 hours, Elmore arrived at the business and discussed the truck in question. Elmore produced documents for the purchase of the truck, which took place on 06/14/2022. Elmore purchased the truck from an insurance auction in Greenville, SC. The F-150 was originally registered to Patrick Lee Miller in Townville, SC. Elmore allowed us to enter the vehicle and inspect the interior and exterior. Upon further inspection, the original passenger front tire was located underneath the bed. It was determined, this F-150 was not the suspect vehicle in question.

At approximately 1900 hours, Detective B. Burrell and I arrived in Clinton, NC. Saldana arrived in Clinton, NC on 03/03/2022, at approximately 1000 hours and left on 03/04/2022 at approximately 0600 hours. While in Clinton, Saldana visited Walmart, McDonalds and Ruby Tuesdays. It should be noted, no financial transactions have been located for a hotel the night of 03/03/2022.

At approximately 1950 hours, contact was made with Douglas Hearn, who is a loss prevention representative. Hearn provided a receipt and video of Saldana's purchase. Hearn advised the video storage system had a massive error two weeks prior and this caused all but two cameras to be corrupted. In the video provided, Saldana is seen purchasing various toiletries, to include body wash.

The following day Hearn reached out the Walmart located in Tarentum, PA, to inquire about possible video. Saldana visited this Walmart on 03/05/2022, at approximately 0830 hours. Hearn advised the Tarentum Walmart no longer has video available.

At approximately 2015 Hours, contact was made with Murphy's Gas Station which is located on the property of the Clinton Walmart. Saldana made a transaction for what appears to be fuel, on 03/03/2022. The manager advised there is no video present, due to the length of time from the purchase.

At approximately 2030 hours, contact was made with Ruby Tuesday's, located at 1118 Sunset Avenue, Clinton, NC 28328. Ruby Tuesdays advised the business currently Security System Security The manager, Caleb Moore, was able to provide a receipt of the transaction. While reviewing the receipt, it appears Saldana purchased three separate meals. The total transaction amounted to \$74.54.

Wednesday, July 8, 2022

At approximately 0830 hours, contact was made with Lt. Robbie King of the Clinton Police Department in reference to this case. Lt. King assigned Detective Seibert to assist us while we were in the area.

Detective Seibert was informed of the general area where Saldana's phone was present throughout the day on 03/03/2022. Seibert advised there was a Tropicana Supermarket in this area, which sees a lot of traffic. Contact was made with the managers of the Tropicana Supermarket and video from 03/03/2022 was unavailable. The managers were shown pictures of Saldana and several associates. None of the pictures shown were recognized by the employees present.

After leaving Tropicana Supermarket, contact was made with McDonalds, located at 418 Southeast Boulevard, Clinton, NC 28328. There was no available video at McDonalds.

At approximately 1130 hours, contact was made with the Sampson County Sheriff's Office. While

Upon arrival, Amador's vehicle was in the drive way and the property was in disrepair. Several attempts were made to contact Amador, but no one came to the door. INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 96
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On Monday, July 18, 2022 at approximately 1455 hours, Detective J. LaMont, 1280, and I met with Jeremy Ordway at 5239 Potomac Avenue in Jacksonville, FL. The only vehicle parked at the residence was an older model, red Toyota displaying Florida license plate 979KK, which I took a picture of prior to Det. LaMont making contact with J. Ordway. While Det. LaMont interviewed Ordway, near the front door of the residence, I was standing nearby in the driveway.

Approximately five minutes later and while Ordway was talking to Det. LaMont, an older black male driving a white, older model, 4 door Ford Crown Victoria, with Florida license plate VD2LS, backed into the driveway. Ordway identified the male as "Henry" [Tenon] and continued his interview with Det. LaMont. Tenon got out of the car, got a metal bowl out of the trunk, filled it up with water, and set it on the ground near what appeared to be a truck tire, specifically a BFGoodrich Advantage T/A Sport LT size 265 / 60R18, leaned up against the corner of the house. There was no truck in the driveway and did not see any other tires in the area. I knew Det. LaMont may have want to speak with Tenon and spoke briefly with Tenon on unrelated matters while waiting for Ordway and Det. Lamont to finish speaking.

After Det. LaMont finished talking with Ordway, Det. Lamont interviewed Tenon. Following the interview, I asked Ordway about the tire.

Ordway said the tire did not belong to him and he said he found in front of his house by the curb, said while pointing the grassy area by his driveway. He did not say as to when or why he brought it up from the roadway to his house.

I asked if he wanted the tire or wanted me to dispose of it for him, to which he said I could take the tire. I loaded the tire into the bed of my police vehicle. Det. LaMont and I returned to police headquarters, located at 101 South Penman Road, where I took digital photographs of the tire and placed it into the property room as evidence.

On Tuesday, July 19, 2022, Det. LaMont and I went over to the property room and compared the two tires, noting that the both the DOT numbers AP80 2T11" along with the date of manufacture "4718," which labels the tires being manufactured in the 47th week of 2018 (November 19, 2018 through November 25, 2018). Both tires appear to match each other. Det. LaMont and I repackaged the original tire seized from the scene, packaged the second tire taken from 5239 Potomac Avenue and placed both back into property.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 99
-----------------	--------------------------------------	--------------------------	--------------

NARRATIVE

On 7/22/2022, at 1100 hours, I responded to 1460 Shetter Avenue (JBPD property room) as an evidence technician. I was requested by the detectives in this case to swab a tire they located at another address for possible DNA.

Property room Officer J. Choate #178 retrieved the tire for me to process. I opened the sealed tire and laid it out on clean brown paper.

Detective Burrell stated he touched the tire without gloves when he retrieved the tire. I collected two buccal swabs from him for elimination.

I took overall pictures and up-close pictures of the identifying features of the tire. I attached the tire to this report.

Using a sharpie, I marked the front side of the tire in half with two lines on the top and bottom. I labeled one side A and the other side B. I took a control swab and two DNA swabs of each side. I labeled them A1, A2, B1, B2. All ones were taken from the outside of the tire and the two's were done on the inside. I placed all swabs into individual packages and placed them into an individual envelopes. It should be noted I changed my gloves between each swab.

I rotated the tire and did the same to the back side. I labeled each side C and D. I took DNA swabs from C1, C2, D1, and D2. All ones were taken from the outside of the tire and twos were done on in the inside. I placed all swabs into individual packages and placed them into individual envelopes. It should be noted I changed gloves between each swab.

Detective Burrell and I placed the tire back into its original packaging and wrapped it into new paper packaging. I returned the tire back to the custody of Officer Choate.

All swabs were submitted to property.

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 100
-----------------	--------------------------------------	--------------------------	---------------

NARRATIVE

On Tuesday, July 26, 2022, myself, Det. J. Lamont #9980, and Det. Burrell #9902 went to 5239 Potomac Ave. 32254 in an effort to speak with the resident/ tenant, Jeremy Ordway. Upon arrival, we made contact with Ordway at the front door. We asked if he would be willing to speak with us. He agreed and stepped out.

**Interview
Jeremy S. Ordway (POI)
5239 Potomac Avenue
Jacksonville, FL 32254**

I advised Ordway we had some follow-up questions, and I asked him if he would be okay if I recorded our conversation. He agreed. I asked if he would be willing to provide a DNA sample, via a buccal swab, voluntarily. He stated he just recently had to do the same for his probation officer and agreed. I collected the sample and placed the swabs back in their packaging and into an envelope.

Ordway was asked how he knew Mario Fernandez. He stated he only knew him as the landlord. He stated he lived next door, with his father, and would see Mario when he came to collect the rent or complete repairs. He stated he did not have a friendship with Fernandez, and it was a typical tenant/ landlord relationship. Mr. Ordway was then asked about his relationship with Henry Tenon. He stated he and Tenon became friends when he originally lived in the house, and he stays there when he is not in Georgia. Ordway was asked about the tire, that officers observed and subsequently removed with his permission. He stated he did not know anything about the tire. He stated it was initially in the ditch in-front of the house. He initially stated it somehow ended up on the side of the house, and he was not sure how it got there. Then he stated, the tire somehow ended up in the front yard, and he was tired if seeing it fill with water, so he set it up against the side of the house. He stated he was not concerned with the tire because he did not own a truck, and he stated Tenon has not had his truck in several months, since the engine blew up. Ordway was asked what type of truck Tenon had. He stated, "it is like yours," motioning to the street where our unmarked Ford F-150 was at. He was asked what color the truck was, and he said it was blue. He stated Tenon's father died and Tenon went up to Georgia and got his fathers truck. I showed him a picture of a blue 2004 Ford F-150 Lariat, with tan trim around the base and wheel wells with a metal tool box. I asked him if the truck looked like that, and he stated it did look similar, stating, "Yea, that's it." Ordway stated once the truck was no longer functional, Tenon left the truck at Twins Food store for about two weeks, and had it moved to a yard somewhere nearby, but he was not exactly sure where it was. He stated the truck has not run in about three months. He did not know where the truck was towed to.

-End-

A records search revealed a blue 2004 Ford F-150 Crew Cab that was registered to Henry Tenon, Sr. (GA Tag: TLW242; VIN: 1FTPW12514KD59489.) A query of LPR's in the area revealed several hits from this truck in the Jacksonville area. The truck from the LPR photos and the video obtained during the day of the homicide appear to match. The Ford was entered into FCIC/ NCIC as a felony vehicle.

The vehicle can be removed from FCIC/NCIC as being flagged.

NARRATIVE

Wednesday, July 27, 2022

On July 26, 2022, Jeremy Ordway advised Henry Tenon drove a blue F-150 similar to the vehicle of interest in this case. Ordway stated Tenon received the truck from his father. A registration search of Tenon's father, resulted in a 2004 Ford F-15- Crew Cab which was blue with Tan trim (GA #TLW242). The truck was found on LPRs and the truck registered to Tenon's father matched the truck in this case. Ordway advised the truck may be in a repair yard in the area.

On July 27, 2022, Detective B. Burrell #1202 and I conducted a search of the immediate area surrounding 5239 Potomac Avenue Jacksonville, FL 32254. The following streets were checked for the blue F-150:

- Missouri Avenue
- Wabash Boulevard
- Shannon Avenue
- Amazon Avenue
- Shenandoah Avenue
- Potomac Avenue
- Chenango Boulevard
- Kankakee Boulevard
- Rio Grande Avenue
- Wacissa Avenue

The truck was not seen in the above-mentioned area.

While searching the area, several automotive type businesses were located. The following businesses were checked for the truck:

- Soda Auto Sales - 2710 Edgewood Avenue North
- Mohawk Scrap Yard - 2532 Edgewood Avenue North
- Todd's Transmission - 5355 Wacissa Avenue
- Father and Son Auto - 5519 Rio Grande Avenue
- S and E Trucking Repair - 5110 Old Kings Road
- Paxon Motors - 3303 Edgewood Avenue North
- Rusty Acres - 1932 Lane Avenue North
- Micken's Auto Sales - 3506 Clifford Lane

- VIP Motors - 2344 Edgewood Avenue
- Sliders Precision and Alignment - 5136 Old Kings Road
- H and S Outside Storage - 4215 Edgewood Drive

The truck was not present at the above-mentioned businesses. The mentioned businesses did not have records or independent recollection of the truck. Ordway had previously mentioned, Tenon is currently employed at Monison Pallets. Monison Pallets is located at the intersection of W 45th Street and Westside Boulevard. Monison Pallets is approximately two miles away from 5239 Potomac Ave. Tenon did not appear to be located at the business.

Thursday, July 28, 2022

At approximately 1400 hours, Detective B. Burrell #1202 and I searched the the parking lot of the Arbor Place Apartments, located at 5800 Barnes Road. While reviewing the location data, received from Mario Saldana's cellular site search warrant, his phone was in this area the day prior to the murder. The truck was not found in the parking lot. While searching the parking lot, contact was made with Kevin Reshad Monroe, who is a member of the maintenance crew. Monroe was showed a picture of the truck. Monroe stated he has seen a truck matching the description in the lot. He does not believe the individual driving the truck is a resident because the truck is not seen with regularity. Monroe advised he would contact the Jacksonville Beach Police Department if he sees the truck in the area.

At this time there are no known associates of anyone identified in this case, living at this address.

NARRATIVE

On Friday, August 12, 2022, SIU Det. Sgt. K. Shackelford, 798, received information from GIU Det. Sgt. C. Young, 795, about Henry Tenon having a vehicle serviced at Discount Tire, located at 7273 103rd Street in Jacksonville, FL. Sgt. Shackelford was advised Discount Tire would need the customer's phone number and was given the phone number of (904) 801-7612.

At approximately 1620 hours, Det. Sgt. Shackelford and I arrived at the business and met with store manager Erick Wright. Upon giving the phone number to Wright, he said Discount Tire had two dates of service for Henry Tenon. Wright said he had no direct information for either dates of service and said the business' surveillance footage only goes back approximately 10 days from the date of service. He said he believed Discount Tire Aaron L. Glendenning may remember the services dates and said Glendenning was presently working at the RiverCity location, located at 560 Skymarks Drive, Jacksonville, FL 32218. Wright provided the phone number of (904) 757-6760 for the store. Wright printed both dates of service, one of the receipts was what the customer would receive and the other was for the work order.

The first date of service, April 2, 2022 at 1306 hours (reference invoice number 1170626), was for a 2004 Ford F-150 18" Base Lariat with a listed mileage of 160,781 and a purchase of two 265/60 R18 114V XL BSW RAD DIMAX AS-8 tires. The total was \$319.28 and paid with, according to Wright, a debit card, which according to the receipt a card ending in [Acct] (reference authorization number [Acct]). According to Wright, whom ever brought in the truck kept the front driver's side tire.

NARRATIVE

On Thursday, August 11, 2022, I emailed Customs and Border Protection requesting a flyover of 9324 Joos Road in Jacksonville, FL, which had been previously identified as a possible location associated with Henry Tenon, in an attempt to locate a blue/tan Ford F-150.

On Monday, August 15, 2022 at 0802 hours, I spoke to CBP Aviation Enforcement Agent (AEA) Zoey Schade, who advised a flyover was scheduled this morning around 0900 hours. Later the same day at 1230 hours, AEA Schade contacted me and advised she had the video of the flyover. She agreed to meet me at police headquarters, located at 101 South Penman Road.

Later the same day at 1301 hours, I met AEA Schade in the police department's lobby.

AEA Schade gave me an envelope, which contained a CBP DVD that contained the video flyover of the residence. AEA Schade said she did not see a blue/tan Ford F-150 in or around the residence.

After making a copy of the video, I placed the DVD AEA Schade gave me into the property room as evidence.

NARRATIVE

On 8/18/2022 at approximately 0845 hours I responded to 5239 Potomac Avenue, to retrieve vehicle keys from the resident. I spoke with the resident Jeremy who handed me a set of keys. Jeremy explained what each key went to; Jeremy stated the small Ford key was for his fathers crown vic, the other vehicle key was to his vehicle (parked in the driveway). Jeremy stated the other set of keys were Henry's Ford truck keys.

I was instructed to take the keys and put them into property. The ford truck keys were placed into property as evidence. The other keys were put into property as safe keeping.

Nothing further.

NARRATIVE

Thursday, August 18, 2022

At approximately 0530 hours, Jeremy Scott Ordway was contacted at 5239 in reference to Henry Tenon's arrest which resulted from a traffic stop. Ordway was contacted in reference to taking control of Tenon's dog. While speaking with Ordway, he was further interviewed in reference to Tenon and his 2004 Blue F-150.

Interview

Jeremy Scott Ordway

5239 Potomac Ave

Jacksonville, FL 32254

At approximately 0530 hours, the interview with Ordway was conducted in the driveway at 5239 Potomac Avenue. The interview was audio recorded. Also present for the interview was Detective Cullen with the Jacksonville Sheriff's Office.

Ordway was advised Tenon had been arrested and Ordway stated he would be willing to take possession of Tenon's dog, which was in the vehicle.

Ordway was advised Tenon's truck was used in the murder of Jared Bridegan. Ordway was advised of the previous statements he has made in reference to Tenon and his Blue 2004 F-150. Ordway stated "I admit I took Henry to go get that truck when his dad died." Ordway further stated the truck has been broken down since January or February. Ordway stated after the truck broke down, he let Tenon drive the Crown Vic which belonged to Ordway's father.

Ordway would go to explain the truck was taken to a "yard." Ordway would further explain the "yard" as a general mechanic's shop. Ordway advised he gave Tenon \$1,000.00 to fix the truck because it had a blown engine. Ordway stated he gave Tenon the money in March, after previously stating the truck was broke down in January or February. Ordway continued to state the truck came back to 5239 Potomac Avenue on a wrecker. Ordway stated he was never paid back the \$1,000.00.

Ordway would go to explain Tenon was his fathers only friend and this is why he let Tenon borrow the money. Ordway would continue to explain the truck has been broke down since the beginning of the year. Ordway explained he has lived at his current address since February. Ordway stated he has had his current number for eight years. Ordway stated "I am not stressing because I called Henry because, hey man can you bring me home or something like that. It should be noted Ordway called Tenon at approximately 2118 hours the night of the murder.

Ordway was asked why he was hesitant about talking about the truck during previous interviews. Ordway would go to explain he is not trying to volunteer anyone's life story. Ordway stated he wasn't trying to be deceitful but he was trying to offer anymore information then the detectives gave him. Ordway advised he is trying to keep his self from being involved in this incident.

Ordway advised he never drove the truck and he has never seen anyone drive Tenon's truck. Ordway stated he has driven the Crown Vic several times but never any long distances from the

house.

Ordway would go to explain Tenon drove the Crown Vic to Palatka to give a neighbor named Peggie a ride to pick up her sister. Ordway was unaware of the time from of this trip.

Ordway was asked about the phone call he made to Tenon the night of the murder. Ordway could not recall what the conversation was about. Ordway advised Tenon has not talked about the victim's murder on 02/16/2022. Ordway stated Tenon had no issue with the discovery of the truck tire previously discovered at 5239 Potomac Avenue.

NARRATIVE

Thursday, August 18, 2022

On August 18, 2022 I responded to 311 W. Monroe St. (State Attorney's Office, 4th Circuit) in an effort to conduct an interview with Henry A. Tenon. Mr. Tennon was arrested on unrelated charges by the Jacksonville Sheriff's Office.

**Interview
Henry A. Tenon (suspect)
5239 Potomac Ave
Jacksonville, FL 32254**

At approximately 0713 hours, the interview with Tenon was conducted at CGIC at the SAO. The interview was audio and visually recorded. Also present during the interview was Det. William "Paul" Cullen, JSO CGIC. Detective Cullen went over Miranda with Tenon, who signed the form and agreed to speak with us. During the first part of the interview, Tenon was asked about his driving habits, and what car he was driving when he was stopped earlier for DWLS. Tenon stated the Crown Vic he was driving today belongs to his roommate, Jeremy Ordway. He started using the car around February or March of this year. He said he mostly keeps the car at Potomac Ave, but sometimes he goes to 8701 Old Kings Road. Tenon stated he took the Crown Vic to Drayton, GA to visit his brother in April.

Tenon was asked if he has used any other vehicles. He stated he was also driving a truck for about eight months, until it started having trouble. He was asked who owned the truck. He stated it was his fathers. He stated his father passed away and left him the truck. He stated he thinks he got the truck around the first of the year. He stated it was a 2004 F-150. He drove it until the truck stop running. He stated he could not afford to get it fixed, so he sold it for parts. He stated the truck broke down in February. Tenon was shown an LPR (License Plate Reader) hit from April that shows the truck at 103rd & Ricker. He stated he kept the truck for about a month after he put the tires on the truck (April 2nd.) Tenon was asked if he ever had to have the truck towed anywhere. He stated he had it towed home in April when the oil pump went out. He stated he then sold the truck for parts in a cash deal. He did not know the person's name who purchased the truck. He was asked if he ever let anyone else drive his car. He stated the only one he ever let drive his car was "Jimmy," but he was always with him. He was asked if he ever let anyone use his truck without him being in the truck. He stated Jerry (Jeremy Ordway) would be the only person he would ever let use the truck. He stated Jerry used the truck twice while he was at work, both times during the middle of the day.

Tenon was shown a picture of the truck and asked where he was going on February 16th around 6:30 in the evening. He stated if was out at the Beach, he was at a restaurant, Burnt Ends. He was asked where it was. He stated it was on the rights off Beach Blvd approximately 4 blocks, past Taco Lu. It should be noted, the only BBQ restaurant in that location is Mojo's BBQ located at 1500 Beach Blvd. Tenon was advised the night he was at the beach, there was someone murdered. He was asked who had his truck during the murder. He initially stated he did not know. He then asked what night it was again. He was asked if he was in the truck? He stated he was not in the truck. He was asked who had his truck. He stated he did not know. He was asked if Mario had his truck. He stated, "no." He was asked again what happen to his truck that night? He did not answer. He was then asked why his phone was off that night. He stated, "it must have went dead." He was asked to tell us

INCIDENT REPORT	JACKSONVILLE BEACH POLICE DEPARTMENT	CASE NUMBER 220000517	SUP NO 112
-----------------	--------------------------------------	--------------------------	---------------

what happen that night, and he said he really doesn't know. Henry was shown a picture of John Biggerstaff, he stated he use to drive a white Chevy Sierra. He was shown a picture of Mario Fernandez Saldna, and he said that was his ex-landlord. Tenon stated he does not know anything that can help us "put him away" motioning to a picture of Fernandez Saldana.

Tenon was told there was various items against him, and his cell phone was pinging in Jacksonville Beach. After several denials and stating he did not know any information, he stated he did not know what happen involving his truck until detectives told him. He stated he drove to the truck to the restaurant. He stated he drove to the BBQ restaurant in Jacksonville Beach sometime after 5pm. He stated a key stays in the ignition and a key stays with him. He was asked if he saw a picture of the person who took his truck, would he know them. He stated he would. He was asked where he was at when the truck was taken. He stated he was standing in the doorway of the restaurant. Tenon stated the truck was parked in the parking lot of the restaurant near the main road (Beach Blvd.) He was asked how long he was in the restaurant for? He said he was not sure, but it was a pretty long time. He stated he had to walk to the plaza the opposite side of Taco Lu to get his truck. He stated a Green SUV pulled up and told him he could find his truck in the plaza next to Taco Lu. He stated he walked down Beach Blvd and made a left at a little store and got a bottle of water and a soda. He stated his truck was parked near the plaza on the other side of the restaurant. He stated this was about nine-thirty, ten o' clock. He was asked if the same person who asked to borrow the truck is the same person that took it from the parking lot. He stated it was not. He stated the person who asked to borrow the truck was "Danny." He said he and Danny use to do work for work for, "that fool" pointing to a picture of Fernandez Saldana. Det. Cullen touch the picture of Fernandez Saldana, saying "this guy?" Tenon, said, "yeah." He stated he has known Danny for about eight months prior to borrowing the truck. He stated "Danny" asked him to borrow the truck in January, but there were issues with his truck. He stated "Danny" purchased a new battery and alternator for the truck, which Tenon felt "lock him in" to help. Tenon stated he was told to meet at the restaurant and they would leave from there. He stated "Danny" knew there was a key in the ignition, since they had used it to do landscaping jobs together.

Tenon was asked if he used his secondary cell phone to call his cell phone that was left in the truck. He stated he used his phone to call the phone in the truck because he could not find truck. He stated he was upset with Danny because he did not bring his truck back in the time frame he was told it would be back. He stated he did not see the person yelling from the green truck was "Danny" because they knew him. But, he did not actually see the person. He was asked if he recognized his tire was no longer in the back. He said, "yep." He was asked if he talked to Danny after that night. He stated, "no" because Danny did not bring his truck back, and he does not have his phone number. He was asked if Danny was white or black. He was shown a picture of John Biggerstaff and asked if that was who came and got his truck. He said he did not think it as him. Tenon stated, there isn't a whole lot he can tell us other than it was his truck., and he was not driving the truck. He was asked if he was in the truck, and he said, "no." He stated, "all I know is Danny had my truck to move some tile or parchments or something and that is it." He then stated "Danny" left his black Mazda at Potomic and took the truck from there. He stated, "to the best of my knowledge Danny had my truck." Henry stated we (the police) have pictures of his truck and he want not in it. He stated anything he say is going to be messed up because he can't say Fernandez Saldana took his truck. He said it was one of his rims and tires left at the crimes scene, which was "fucked up." He then stated "Danny" used his truck to repo someone's car, and Tenon did not want to participate so he agreed to let him stay at the

restaurant because he did not want to be involved. He said someone pulled up in two-door black Mazda. Tenon then stated there is nothing else I can tell you. Det. Cullen asked Tenon what his concern was with telling us the truth. He stated his main concern is always about his kids and grandkids. He was asked if this has something to do with their safety. Tenon stated "pretty much, and wellbeing." Tenon stated, "there ain't anything else I can give ya, and I think I need an attorney."

NARRATIVE

Wednesday, August 24, 2022

At approximately 1230 hours, Alfredo Veguilla Fontanez met with Sergeant K.O. Shackelford and I at the police station for an interview. Mr. Veguilla primarily speaks Spanish and his English is limited so I translated. The interview was audio/video recorded and was copied to disc and placed into property as evidence. Mr. Veguilla is a Mobile Mechanic and his business card was in Henry Tenon's possession. He has not worked on any Ford 150 blue trucks and has only worked on a white 2001 Ford F150 truck in the last six months. He has only worked on a green or blue Ford Crown Victoria. He was shown multiple photographs of Henry Tenon, John Biggerstaff, Mario Fernandez Saldana, and Daniel Holmes. He did not recognize anyone from the photographs. He was unable to provide any information in regards to this case. There is no further information to add to this report.

NARRATIVE

On 08/31/2022, I was contacted by Detective C. Johns #9936 in order to complete touch DNA swabs on a set of Ford truck keys that had been previously submitted to the Jacksonville Beach Property Room. I responded to the Property Room and retrieved the keys from Property Officer K. Mobley and processed the item at the property room. I collected four swabs, using sterile gloves, including a control swab. They were all placed in separate bags and submitted to the Property Room as evidence. The keys were sealed in their original evidence bag and returned to Property Officer Mobley.

No further information at this time.

NARRATIVE

Tuesday, September 6, 2022

At approximately 1700 hours, Detective Burrell #1202 conducted a search for Henry Tenon's truck in the vicinity of 5239 Potomac Avenue. Several areas were identified by the location data provided by T-Mobile.

Contact was made with Clarence Reuben Broderick, at 3450 Old Kings Road. Broderick had several vehicles in various states of disrepair on the property. Broderick confirmed he was a mechanic and runs his business through this location. Broderick was asked if he has worked on any blue F-150 recently. Broderick stated he worked on a blue F-150 earlier this year. Broderick began to describe the owner of the vehicle in great detail. Broderick stated the owner of the vehicle was a tall black male, who always had a dog with him. Broderick stated the owner advised he recently got the truck from his father who passed away in Georgia. Broderick informed the owner the motor needed to be replaced, but the owner disagreed. The owner wanted to change the oil pump because he thought this would fix the problem. These details were confirmed by Jeremy Ordway and Janie Deal. Broderick advised the last time he saw the owner, he was driving a white Crown Vic. Broderick stated after the truck sat on his property for a while, the owner drove the truck to Twins Grocery. According to Broderick, the truck sat there for an unknown length of time and he does not know where it is at this time.

Due to all of the above details matching different statements by multiple individuals, it is believed this individual is Henry Tenon.

Broderick would go to explain Tenon was referred to him by his wife's cousin "Tron." Broderick was not able to give his name but he provided a phone number of (904) 924-4113. I will attempt to identify "Tron" in order to conduct an interview.

NARRATIVE

On Monday, October 17, 2022, Det. Sgt. Young requested I respond to the police property lot regarding processing a Ford F150 truck. The truck was stored in a secured lot and was covered with a blue tarp. Once the blue tarp was removed, I saw the doors were taped with evidence tape to ensure chain of custody. All the tape was intact, leading me to believe no one had entered the vehicle after it was secured in the property lot.

As the Evidence Technician Unit's supervisor, my role in this investigation was provide support to the investigating evidence technician, detectives, and other investigators while the truck was being processed.

The interior cab of the truck was packed with boxes, paperwork, and tools. It was determined the most efficient way to document these items was to designate sections of the cab, front and backseats. These sections were numbered with tent markers. I collected items from the designated sections and placed it on a nearby table where investigators could determine the individual evidentiary value of each item. Items that were identified as not having evidentiary value at this point in the investigation were photographed and returned to the cab of the truck.

On Wednesday, October 19, 2022, I returned to the vehicle to assist with documenting and collecting the vehicle's spare tire.
